Call Tenders Soon for Addition to High School

Meeting in Acton Monday with North Halton high school board, Mr. Parkin and Mr. Yates of J. B. Parkin Associates discussed plans for Georgetown's new 8 room high school addition.

The Toronto firm has been engaged as architects for the building, and expect to call for tenders later this month.

Permission was granted for night classes to be held again in the schools in Georgetown, Acton and Milton next fall. Tenders for painting and electrical work were let for Milton school, \$583 to Gordon Farlow for painting and \$428 to George Bundy, electrical work.

The board still has two staff vacancies to fill for September, both in Acton.

Members were presented with the report of the consultative committee on education which had been presented to the county council last week.

Members of Halton's Pride, Loyal True Blues, joined the orange-men for a social evening and played euchre, followed by lunch served by the ladies. During lunch, Wor. Bro. Fred McNally to present a pen and pencil set to Mr. Carter from the lodge members.

Bro. Carter in turn was asked to present Mr. McNally with a veteran's jewel as a small reward for the work he has done for the orange order in Canada. He joined L.O.L. 245 in 1905, was lodge master in 1907-08, was later district master and in 1917, county master. He is now the senior past county master.

He was commander of Hornby Royal Scarlet chapter for five years and for 45 years has served as financial secretary for L.O.L. 245, a record of service few can equal.

Mr. McNally was completely taken by surprise. In thanking members, he said his greatest satisfaction in lodge work has been the confidence shown in entrusting him as secretary for so long a period, and it has been an inspiration for him to carry on. Members expressed the hope that he will be long spared to continue his lodge association.

Halton Orangemen will celebrate the 12th in Arthur this year, the celebration taking place on Saturday, July 14th.

Decision was made at the semi-annual county meeting in Hornby Orange Hall. Members heard the county master Ernie Wilson and other officers describe the 1956 provincial grand lodge meeting in Stratford.

When school was called a little early on Monday, Mrs. Wilson was the honoured guest. Robbie Ruggley called her forward to accept a pen on behalf of the Sunday School where she was a faithful teacher, and Teddy Brown, presented her with the gift. Donna Kier then called on her again and on behalf of her Sunday School class Betty Ann Brown presented her with a fancy jam pot, Mrs. Wilson, who is leaving at the end of the school term expressed her thanks for the gift.

Communion services were held at Limehouse Presbyterian Church last Sunday, which were well attended. There was a good turnout for the closing classes at Sunday School. The classes will resume again in September.

Mr. Robert Smethurst of Vancouver has recently been visiting Mrs. A. J. Smethurst.

Master F. Osler and a couple of his chums have been holidaying at the Osler cottage on the sixth line. OR THIS ? ? ?

FILLED WITH WATER, but not able to open for lack of \$18,000, Georgetown's new community swimming pool behind the arena sits forelorn and unused. Whether it will be available this summer depends on the generosity of the Georgetown public.
