Junior Farmer Inter-County Sports Day

J. E. W.

Eighty Junior Farmers from Halton County competed with some 2700 young men and women from 20 counties surrounding Guelph, at the annual inter-county Sports Day, on Saturday, June 18th.

Mac Sprowl, Halton's director on the provincial Junior Farmer executive, was general field day chairman, and he and his committee kept the intricate programme running smoothly with winners being chosen in 7 activities prior to the concluding dance held in the OAC arena the same evening.

Halton Girls Champs

For the second successive year Earl McDowell of Hornby coached the Halton Girls softball team to the championship. After defeating York and Grey counties handily, Halton met Perth county in the final game. A large crowd of Halton supporters cheered the team throughout a fast and exceedingly close game which ended 13 to 11 in Halton's favour.

Team members were Ralda Neilson, Catherine Elliott, Betty May, Betty Anderson, Martha Vella, Jane Smellie, Marilyn May, Jean Bennett, Marilyn Eves, Dorothy Marshall, Shirley Downs.

Volleyball

The girls' volleyball team won the 1st game, defeating Peel, but were defeated in the second round. This entry was coached by Helen Schisizzi.

Square Dancing

With Ron Harris at the violin, Marjorie Hall at the piano, and Roy Ford calling, Halton's square dance set of Wilma Sinclair, David Wilson, Mary Flippance, John Pickett, Donna Ford, Gord Harris, Alma Bradley and Bruce Bawden, danced their way to second place in strong competition.

Rifle Shooting Champion

While the rifle team was squeezed down to 4th position as a team, one of the members, Alastair MacDiarmid of R. R. 6, Milton, emerged the individual champion. We have heard that is no coincidence as Alastair was a champion in his native Scotland.

Tug-of-War

Sam Finnie had a powerful tug of war team lined up, but unfortunately they met Brant County, the eventual winners in the first round.

Boys' Softball

The same fate befell the boys' softball team as in tug-of-war. In the first round, Halton met Wentworth, the ultimate champions, and were defeated 2 to 1. It was close all the way with the Halton boys having the bases loaded at one stage. Wentworth scored their winning run in the bottom of the last inning. The only consolation was that no other team came within 1 or 2 runs of beating Wentworth.

Horseshoe Pitching

After winning the championship last year, Halton went down to early defeat this year, losing in the first round by a score of 22 to 20.

TWILIGHT MEETING AT HILHOLM FARM, ALTON

J. E. W.

Hilholm Farm of W. E. Gibson, near Alton, on June 5th was the scene of an enthusiastic twilight meeting staged by the Halton and Peel District Dual Purpose Short-horn Club. Some fifty availed themselves of the excellent programme presided over by president Clarence Peacock.

In the judging competition where Charles Thorn was the official judge, the prize winners were Peter Shuttleworth and Robert Miller. In the weight guessing contest Mrs. Henry Peacock was winner. Among those who spoke briefly were Harold White, and E. H. Stolz of the Canadian Short-horn Association. Refreshments served by Mr. and Mrs. Gibson brought to a conclusion one of the most successful and enjoyable meetings staged by this enthusiastic club executive.

Harold Stoddart, RCAF Marries Cobourg Girl

In Calvary Baptist Church, Cobourg, Saturday, June 16th Donna Arlene Dearman, daughter of Mrs. Clifford Simpson and the late J. Dearman, became the bride of Harold Reginald Merrell Stoddart, son of Mr. and Mrs. J. C. Stoddart, Arletta Street, Georgetown. Rev. C. W. Lohnes officiated with Mrs. Len Thomas playing the wedding music. The church was attractively decorated with ferns.

The bride was given in marriage by her brother, Arthur Dearman. She was gowned in white nylon sheer trimmed with lace, fashioned with a long sleeved bolero, it was balerina length. Her lace veil was held by a headdress of orange blossoms. She carried red roses.

Mrs. Audrey Puddy acted as matron of honour for her sister in turquoise net over tulle with matching headpiece, carrying a nosegay of pink carnations. Marion Stoddart, sister of the groom was a bridesmaid wearing a yellow nylon dress with matching headpiece and nosegay of green carnations. The junior bridesmaid, Nora Puddy, a niece of the bride, was in yellow nylon and she carried a nosegay of pink carnations. Marlene Stoddart, sister of the groom acted as the flower girl dressed in pink brocade, her flowers were pink carnations.

William J. Stoddart, brother of the groom, acted as groomsmen, Donald Stoddart of Georgetown and Clifford Fish, Cobourg, were ushers.

The wedding reception was held at the LOBA Memorial Hall, the bride's mother received for her wearing a navy nylon sheer dress with white accessories and corsage of pink carnations. The groom's mother assisted her in a blue printed silk dress with white accessories and wearing a corsage of pink carnations.

For their honeymoon to Niagara Falls, Rochester and points north the bride chose a yellow glazed cotton dress with white accessories. On their return Mr. and Mrs. Stoddart will live in Trenton, where Mr. Stoddart is stationed

THE WORLD'S SAFEST STATION WAGON

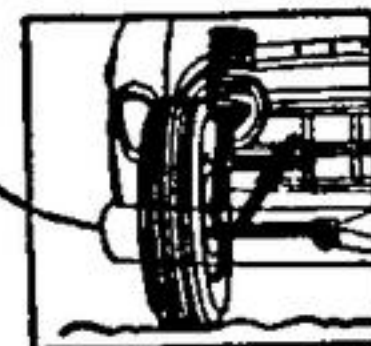

Nash Rambler for '56

This is the new, "Safety Styled" King-Size Rambler. And King-Size It is, with the accent on safety and roominess. The brilliant 1956 Nash Rambler has enough interior space to make a big car blush. But there's more to it than a King-Size interior. It features Double-Safe, All-Welded construction... new Typhoon Engine with increased horsepower... increased economy... new 50% larger brakes... Deep Coil Springs on all four wheels... greater manoeuvrability... and Rambler's already famous Airliner Reclining Seats, Twin Travel Beds, and Weather Eye Heating and Ventilating System.

DEEP COIL RIDE

Only Double-Safe, All-Welded construction gives you the comfort of the Nash Deep Coil Ride. Other cars, because of their construction, can use only short springs, but the Nash Rambler has big coil springs on all four wheels!

DOUBLE-SAFE ALL-WELDED CONSTRUCTION

Unlike the old-fashioned method of simply bolting a chassis, frame and body together, as in other makes, Nash gives you a car that is one solid, welded steel unit. Double-Safe, All-Welded construction is recognized as the world's safest and strongest.

NEW POWER, LARGER BRAKES

The Typhoon OHV 120 H.P. engine is Canada's newest, most advanced 6 cylinder engine. It has increased horsepower, yet it even surpasses previous Rambler engine economy. In keeping with this new power, Rambler gives you 50% larger, safer brakes.

NEW, ROLL-DOWN REAR WINDOW

The "Safety Styled" Cross Country features a rear window that rolls down into the door, providing greater visibility and eliminating the usual twisting portion of the tailgate. Nash Deep Coil Ride and Double-Safe, All-Welded construction make the '56 Cross Country the world's most comfortable and safest station wagon.
