Seeks Action on 7th Line Crossing

June 25, 1956
R. R. 1, Georgetown, Ont.
Re Railroad Crossing on 7th Line

Dear Mr. Editor:

This is my report as far as I have gone, and perhaps as far as I can go in making a success of this railroad crossing on the 7th line. By this I don't mean to say that I would do it all by myself but simply bring it to the attention of those in charge, with the help and cooperation of the community in general, which is what I did to the best of my ability at a council meeting in Milton, June 12th, 1956, accompanied by some of my neighbours. If we did no good we certainly could have done no harm in seeking a just necessity. By so doing we should prove that we have an interest in the community in which we live, and as I was given to understand that this matter had already been brought to the attention of the board of transport but it is still in its infancy. When it will mature, I am not prepared to say but I would give it from six months to two years at the longest, after that it would be losing interest to all those concerned at present. There are a few others that are as bad or worse than this one. Well, all I can say is, if they are worse than this one God speed them in their attempt to rectify them all in the near future, if possible.

This is about all I have to say on the subject for the present, and I wish to thank all those who cooperated with me in any way on this matter, also those who I may have passed or not called upon for a second time for their signature on the petition. They will equally share in the credit as far as it goes on my part.

So we will hope for the best and as I said before God speed them in their greatest effort, to do what should have been done ten years ago at the least.

Yours truly,
George Graham

Germania is Strong Competition for Jets

Georgetown Jets put their league leadership on the line last Saturday, July 7th when they clashed with second place Germania, at Hamilton.

Both teams are noted for their scoring power and with Georgetown leading Germania by only one point the fans sensed one of the best games of the season.

Georgetown has been able to score the first goal in each contest of this year's schedule and Saturday's game was no exception. Just ten minutes of play had gone before Jim Smith, took a pass from Terry Slaven and beat the Germania goalie on a quick shot.

Germania closed the door on the Jets after that and dominated the rest of the first half, scoring three goals.

Going into the second half, Georgetown found themselves two goals down, a position that had never been in before.

The defence settled down and with the forwards getting hold of the ball more often, Georgetown soon cut Germania's lead to just one goal. John Miller was the marksman after taking a pass from Terry Slaven.

Minutes later Miller scored again to tie the game at 3 all, with Joe Doherty getting the assist.

Tension mounted as the play saw-sawed from one end to the other.

When Germania drew a penalty at a crucial time in the game, Joe Doherty of the Jets rapped home what proved to be the game winning tally. Doherty later followed this up by going around the defence and popping in the insurance goal.

After this the Jets were never in trouble and they went on to win 5-3.

New Hamburg will get a chance at Georgetown next Saturday, July 14th at the park. Game time at 3 p.m.
