GOOD MECHANIZATION PAYS BY GETTING A LOT DONE WHEN CONDITIONS ARE RIGHT

A big advantage of good mechanization is its ability to get a lot of work done in a hurry once you can get on the land to put the crop in or into a field ready to be harvested. This work output of good equipment pays off in two ways—it enables you to offset or forestall the effects of unfavorable conditions and with it you can make the most of the period when conditions are most favorable. You stand to benefit the most when you can do a lot of seeding or harvesting when the time is right.

From the 1956 Massey-Harris and Ferguson lines of equipment engineered to meet the needs of farming today you can select machines that will enable you to gain the advantages of modern mechanization—your local dealer will be glad to give you full particulars.

ENGELAGE-ARCHER VOWS GUELPH ANGLICAN CHURCH

A wedding trip to New Mexico followed a charming wedding at St. George's Anglican Church, in Guelph, when Miss Janet Margaret Archer, daughter of Mr. and Mrs. T. Sawyer became the bride of Mr. Chris Engelage, son of Mr. and Mrs. D. Engelage, Archdeacon S. A. Kirk officiated.

The bride, given in marriage by her father, wore a floor length gown of strafford satin with short sleeves and fitted bodice of imported lace. Her fingertip veil fell from a tiara headdress of French illusion net and she carried a bouquet of red sweetheart roses.

Miss Carol Archer was maid of honour in a dress of green embossed nylon over taffeta with matching headdress and a cascade of yellow baby chrysanthemums. As bridesmaid, Miss Iris Angus wore a dress of pink embossed nylon over taffeta with matching headdress and cascade of deep pink baby chrysanthemums.

The bride's cousins, Miss Ann Smith and Miss Barbara Burrows, were flower girls and wore floor length dresses of embossed nylon over taffeta, one in yellow and the other in blue. They wore matching headdresses and carried baskets of baby chrysanthemums.

Master Brian Burrows carried the ring on a white satin heart shaped cushion.

The best man was Graham Graner and the ushers were John Finlay and John Hoekema of Georgetown.

The Ambassador Hotel was beautifully decorated with pink and white streamers and white wedding wedding bells, and centering the bride's table was a three-tiered wedding cake with white roses, flanked by pink candles and in silver holders and pink and white carnations.

The fifty guests were received by the bride's mother, who wore a green taffeta dress with white accessories and corsage of pink carnations. She was assisted by the groom's mother wearing a dark beige satin dress with white accessories and corsage of yellow carnations.

The bride left for New Mexico wearing a flowered silk dress with matching blue duster coat and white accessories. Her corsage was a white orchid. The couple will make their home in Guelph.

Guests attended from Georgetown, Woodbridge, Breslau, Mitchell and Montreal.

STILL A BOOSTER FOR STORM SEWERS

Georgetown, Ont., July 26th, 1956

Dear Mr. Editor: I, Ian Cass, having been incorrectly quoted on the subject of drainage on the Swanek subdivision, hereby certify that my considered opinion is now, and always has been, that storm sewers are the only effective cure for the surface water problem that exists in this area.

As a committee member of the Valley Hill Ratepayers Association, I have actively supported the campaign to get storm sewers provided, and will continue to do so until our objective is realized.

TOP CROWD AGAIN FOR HORNBY GARDEN PARTY

Hornby ball club held their 9th annual garden party last Thursday, July 19th opposite Hornby ball park and though there was no ball game for the sports fans the large crowd on hand did see a full night's entertainment by fifteen professional stage artists.

The Trafalgar Police Boys bugle band began the gala evening by parading to the grounds at 7.30 where M. C. Tom Hamilton introduced such acts as the 'Six Wits', The Zanies, Hal Bee and many other performers, some of whom have appeared on radio and TV.

The top performers presented over the years at this annual garden party has made the event something anticipated each year by residents of this area.

HOLSTEIN BREEDERS TO ENTER CNE COMPETITION

J. E. W.
President Bob Alexander of the Halton Holstein Club informed us today that Halton Holstein Breeders will enter the county herd competition at the forthcoming CNE. This decision was reached at a meeting last Friday evening, called in view of the harvest season and the fact that there was some doubt as to how many breeders could exhibit cattle. Halton placed second in the ten county competition last year. Competition is always keen and it will take concerted effort to uphold past reputation. At this same meeting the club decided to sponsor a contestant in the Miss Dairy Queen competition at the CNE. John Picket, club secretary, has written for further details concerning this competition, but it is definite that the contestants will be required to milk a cow before a large audience and a panel of judges.
