## "Dollars and Sense"

If you send  
cash through the mails,

you run a real risk of losing it. For your own peace of mind, it's far wiser to send money orders. The small amount a money order costs, assures you that your money will be safe and sound. No one can receive the cash except the person to whom you send the money order. Next time you want to send money, whether \$5.00 or \$500.00, call in on us for a money order or bank draft. This takes only a few minutes to arrange. It's one of the many helpful banking services we provide.

Georgetown Branch: C. J. Hart, Manager

BANK OF COMMERCE**

## THEY'RE MUCH BIGGER NOW

WHEN THIS PICTURE was taken at the golf course pond earlier this summer, these six young swans were much smaller than they now are. The cygnets are growing into healthy specimens, under the watchful eye of proud parents. Recognize the golfers in the picture? They're club members Gord King and Lorne Cross.

## Critical of Council Okaying Sunbeam Roads

"I'm sorry we took over the roads in the Sunbeam subdivision when we did, and I think the engineer was lax in not checking drainage before so doing," said Cr. Alfred Sykes, during a council discussion last week on poor drainage. Council had been asked the previous week for cutovers, particularly on Shelley St., by Sid Hardie, ratapavers head in that area. Cr. Walter Gray said that he had

since looked over the situation and found ditches have not been graded properly, and some spots are deeper than others. If ditches are graded to any depth, culverts would certainly be needed on the lower end of the street, he said, and the engineer has suggested instead, shallow ditches, bottom surfaced. It was left to Mr. Gray's road committee to make the decision.

Mr. Hardie asked about a couple of other matters which his ratepayers group has been discussing.

He asked if the 5000 square foot minimum lot area required in the building by-law is to be enforced, as he knows of two instances where it has not been.

He was told that in certain cases discretion must be used where existing lots are not quite large enough. Such would not be allowed in any new subdivision, however. Asking about playgrounds in his area, Mr. Hardie was told by Deputy Reeve Sargent that they are still under consideration, but funds were not available this year to proceed.

Architect R. W. Hall, who had been asked to attend the meeting, said he has been unable to find what is causing paint in the main entranceway of the renovated municipal building to flake off. He will continue to investigate and the fault corrected, he said.

Two readings were given to a parking by-law amendment which will make Maple Avenue a stop street.

Reeve Allen said the county has agreed to a \$14,000 paving program on Main Street S, which is a "connecting link" under jurisdiction of the county, provided an additional grant will be available from the Dept. of Highways.

The county will have only a 22 foot wide strip, he said, and if the town wants to make the road 30 feet wide it will cost Georgetown some \$5,000 for the extra paving.

## Legion Darts Team Canadian Champs

A dart team from Legion Branch 120, captained by Ken DeRose, won the Canadian championship in competition at the Canadian National Exhibition.

Members of the prize winning team are Joe Stamp, Earl Hornby, Gord Jameson, Alex Korzack, Ed McDermott, Rocco Lorusso and Harry Bottoms.

A ladies' team met stiff competition in their first game, being matched with last year's champions, and got no further. Team members were Mrs. Kay Grace, Mrs. Hedley, Mrs. McDermott, Mrs. Jameson, Mrs. Day and Mrs. Percy Markham.

Mrs. Ed McDermott reached the quarter finals in the singles competition, while a ladies doubles team were eliminated in the first round.

In the men's singles, Ed McDermott got to the semi-finals, and in one game got the top score of 3 treble 20. Teamed with Harry Bottoms in doubles, they were put out in the semi-finals.

When the teams returned from Toronto, Mr. and Mrs. McDermott gave a party to celebrate the victory.

## Many Prizewinners at Lady Golfer's Field Day

A field day for lady members of North Halton Golf & Country Club was arranged last Tuesday by the lady captain Mrs. Sam Mackenzie and her committee, assisted by the day's hostesses, Mrs. Russell Woods and Mrs. Leonard Ward. Forty-three ladies participated.

Top golfers in A Flight were Isobel Thompson and Mrs. Norman Marchment, and in B Flight, Mrs. Ron Kitchen and Mrs. Joe Dwyer.

Other prizes were won by: A Flight: Longest drive, Mrs. Leonard Ward, Mrs. Scotty Patterson; highest aggregate, Mrs. J. H. Chamberlain, Mrs. John Bell; putting, Mrs. Stewart Young, Margery Mackenzie; approaching and putting, Joy Laird, Mrs. Ted Fenning.

B Flight: Longest drive, Mrs. Bruce Harding, Mrs. Ross Duncan; highest aggregate, Mrs. James Linton, Mrs. Harold Hutchinson; putting, Ruth Evans, Mrs. Robert Jones; approaching and putting, Mrs. Jack Gunning, Mrs. Ken Nash. Low score prizes on four holes went to Eleanor Spitzer and Mrs. Sam Mackenzie in A Flight, and Mrs. Jack Gordon, Acton and Mrs. Trevor Williams in B Flight.

## Scotsdale Farms Have Two CNE Champions

"One of the best agricultural shows in recent years" is the way CNE officials described the 1956 show. More than ten thousand horses, cattle, sheep, swine and poultry and pet stock were entered in this year's show earning in excess of \$125,000 in prize money.

The show featured several new events, with beef buyers paying some ten thousand dollars for 42 steers in the first cattle auction in CNE history, while comely dairy-maids milked animals of the four dairy breeds each evening in the main ring for the title of Miss Dairy Queen. A Halton girl, Mrs. Gordon King of Oakville was the grand winner.

In the parade of livestock on the final day of the agricultural show, some of the finest livestock filled the coliseum ring including the following champions from Halton and Peel:

Holsteins: Reserve grand champion bull, Rosafe Sovereign Supreme, H.I. Astengo, Brampton; grand champion female, Rosafe Reflection Vale, H.I. Astengo.

Shorthorns: grand champion bull, Scotsdale Jupiter, S. G. Bennett, Georgetown; reserve grand champion female, Scotsdale Joyee Augusta, S. G. Bennett.

Red Polls: Reserve grand champion bull, Minnesota Edgar 2nd, L. W. Coulson, Milton; grand champion female, Reedlyne Snowflake, George E. Readhead, Milton; reserve grand champion female, Rose Ruth, S.H. L. W. Coulson.

Aberdeen Angus: grand champion female, Barbara M. of Anoka 33rd, L. V. Wright, Streetsville. Percherons: reserve grand champion stallion, Maymar Chief, Stanley May, Hornby; reserve grand champion mare, Green Lea Lynda, Reg. Black & Sons, Brampton. Yorkshires: reserve grand champion boar, Pine Grove A1 16K Joseph Featherston, Streetsville.

## Food and Your Heart

(THIRD IN A SERIES)

To tell about Dr. Keys and his findings it is necessary to go back to the beginning. The question of what is coronary disease; then we can see what Dr. Keys, as well as other researchers are learning about it.

The heart is essentially a muscle, one of the most powerful in the body. Like other muscles, it requires a constant supply of blood. The heart muscle receives it through the coronary arteries.

If something should clog a coronary artery or one of the smaller vessels branching from the coronary arteries the section of heart muscle served by the damaged vessel dies, like a finger with the circulation cut off will die.

Clogging of one of the smaller vessels can often be survived. Blockage of a major vessel on the other hand is generally fatal. (continued next week)

## FAMOUS TRICHOLOGIST WILL DEMONSTRATE HOW TO GROW THICKER HAIR

... AND GUARANTEES IT!

DEMONSTRATION TO BE HELD HERE

This new method of home treatment for saving and growing thicker hair will be demonstrated in Georgetown, Ontario, on Saturday, September 29th. These private individual demonstrations will be held at the McGibbon Hotel on Saturday ONLY—12 Noon to 9 p.m.

LONDON, ONTARIO — In an interview here today, William L. Keele, internationally famous trichologist and president of the Keele Hair Experts, Ltd., said "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so-called cure-all could correct all the disorders," he explained.

### GUARANTEED

"The Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offer a guarantee," Keele said.

Once a person avails themselves to the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee. "If you are not completely satisfied with your hair progress at the end of 30 days your money will be refunded."

### HOPELESS CASES DISCOURAGED

First the Trichologist is quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category.

If there is fuzz, no matter how light, thin or colorless, the Keele treatment can perform wonders.

A complete, private examination is given by a Trichologist to determine the condition of his scalp, and cause of his hair trouble.

### FREE EXAMINATIONS

This examination is very thorough and highly technical, it re-

quires 20 to 30 minutes. The Trichologist makes no charge for this examination and no appointment is necessary. After the examination the person is told the required length of treatment and how much it will cost.

After starting treatment, the person makes regular reports to the Keele firm in London to check the progress of the Home Treatment.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, independent Trichologists are visiting various cities to conduct examinations and start home treatment.

### NO CURE-ALL

"We have no cure-all for slick, shiny baldness," Keele emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong, and it should be given immediate attention.

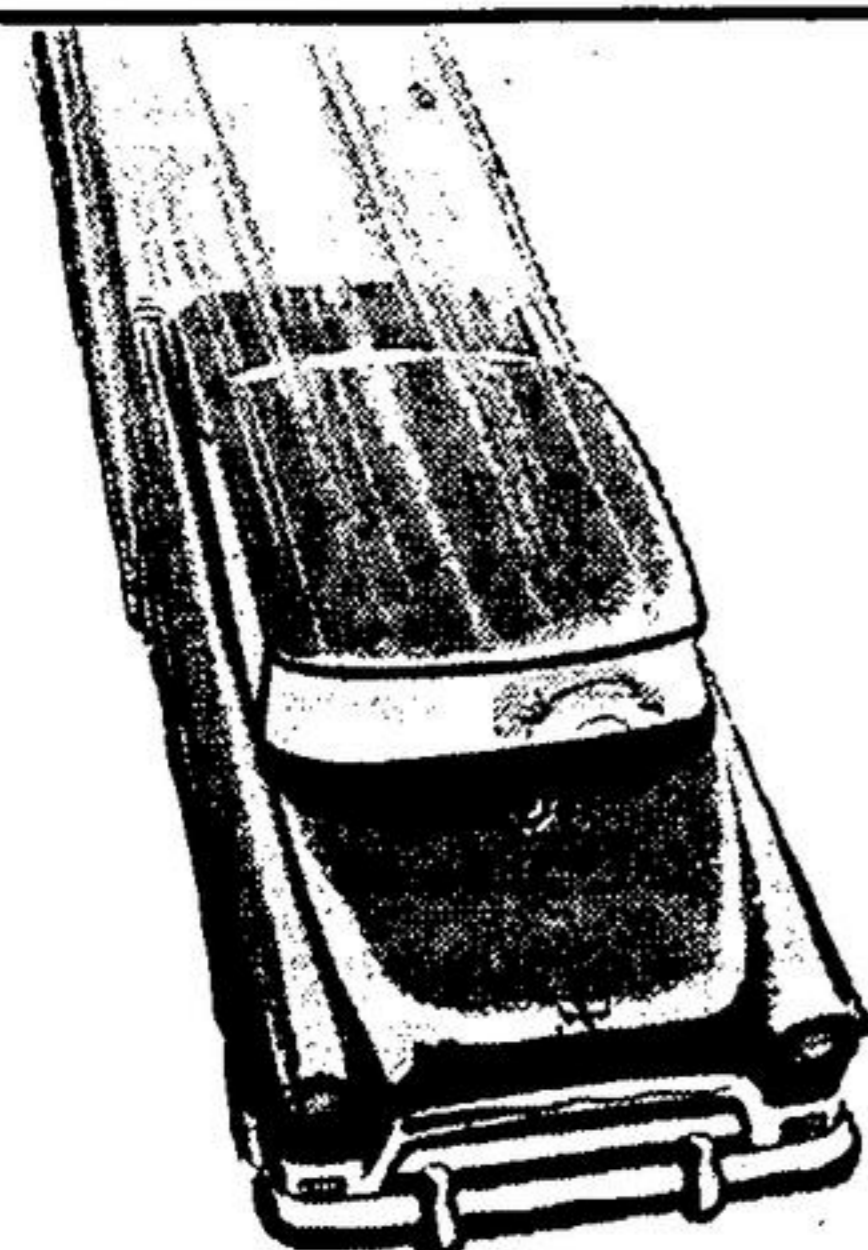

### HAIR FOR LIFETIME

"If clients follow our directions during treatment, and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

### HOW'S YOUR HAIR?

If it worries you call W. N. Crawford at the McGibbon Hotel in Georgetown, Ontario, on Saturday ONLY, September 29th.

You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

**YOU'RE  
NOT  
A GOOD  
DRIVER**

IF YOU'RE A SPEEDER

Speeders don't really "get away with it". They just use up borrowed time. Accident facts prove that excessive speed always catches up with you eventually. All speeders are potential killers.
