

ROTARIANS NET \$150 ON FAIR ACTIVITIES

The Rotary Club netted \$150 with two projects at Saturday's fair. Members heard at their dinner meeting Monday at Fairview Inn that the booth they operated had a profit of \$42 and a lucky draw on two turkeys \$108. The turkeys were won by Tom

Richardson with ticket 51 and Gene Bryan, 87 Prince Charles Dr., ticket 288.

Club member Jim Ritchie was speaker at the meeting and explained the operation of the Liquor Control store of which he is manager. Guests at the meeting were Ed Pries and Bill Anderson.

Weather, Other Events Hurt Lions Monster Bingo

The monster bingo at the Georgetown arena last Friday was not as "monster" as it should have been. A poor night weather-wise and a number of other events scheduled for the same date kept the people away in droves.

It was the second bingo of the year under the sponsorship of the Lions Club the first being held in June. Through proceeds gained by the first effort the Lions were able to donate \$1000 to the swimming pool fund.

Friday's bingo was a different story. A mere \$500 was received while \$1425 in prize money was given away. One thousand of that, the grand prize to Harvey Morley, of Milton, and another hundred, second prize, was taken back to Milton by Lillian Kellman.

H. Robson of Hornby won \$75. Mrs. Harold Eagles, R. R. 1, Georgetown, \$50, while seven prizes of \$20 went to Mrs. Bob Johnson, Acton, Mrs. Lloyd Boyd, Georgetown, Mrs. Jack Fry, Sr., Glen Williams, Mrs. Margaret Lambert, Acton, Mrs. Ed Tyers, Georgetown, Mrs. Bruce McCartney, Georgetown, Mrs. Fred Tucker, Georgetown.

Mrs. Tracey, Acton, and Mrs. Cloke, Georgetown, each won \$10. Seven dollar winners were Mrs. A. Turney, Streetsville, John Foster, Georgetown, A. Upshall, R. R. 4, Brampton, Evelyn Latette, Rockwood, Mrs. John Kemshead, Georgetown, Mrs. Ken Darch, Brampton.

Lions Club president Jim Jones presented the cheque for \$1,000 to Harvey Morley. Mayor Jack Armstrong acted as master of ceremonies for the evening, Dick Miller as chairman. The Lions are already discussing a possible third bingo which would be held in the spring.

Model Planes Make Fine New Hobby

A group of lads in the Ewing St. neighbourhood are having instructive, interesting experience with model planes under the guidance of two members of the Orenda Engines staff.

Art Payne, 49 Ewing and Bud Wallace, 27 Ewing are in charge of the monthly gatherings at which the boys have lessons on the theory of flight as well as the practical aspects of building models which will actually fly.

The group calls themselves the Georgetown Model Engineering Society.

Mr. Payne is president; Mr. Wallace vice president; and Lynne Hyde, secretary. Monte Andrews, Gerald Roden and Howard Hamilton assist with instruction and membership includes Monty Hyde, Dave Hamilton, Jim and Alistair Blair, Warren Coffell and John Bouwman.

Meetings so far have been held in the basement of Mr. Payne's home, and the club is open to any boys wishing to join. The group is hoping to have a hobby display in the spring.

W.I. Exhibits Again Among Fair Highlights

The Exhibits Building at the Georgetown Fair this year was most interesting and attractive and it was in great part due to the work of the many exhibits entered by the various branches of the Women's Institute in the district.

Each exhibit showed great ingenuity, thought and work on the part of the women who helped with the exhibits. The exhibits were colourful and fresh and they showed good quality of workmanship. Esqueuing Institute won the first prize with their exhibit "the house that health built" and Ashgrove Institute second, their theme being "Something new from something old."

All exhibits were splendid and it must have been a difficult task to choose the prize winners. Institutes participating were: Norval, Busy Bees, Esqueuing, Limehouse, Ashgrove, Silver-Wood, Balmockburn, Ballinafad and Georgetown.
