Gordon Campbell, Brampton

MR. AND MRS. ROBERT ALLEN GOUGEON are shown cutting the cake following their wedding in St. Paul's United Church, Brampton. The bride is the former Helen Jacqueline Buck and the groom is employed in Georgetown with McClure Home Furnishings.

Lorne Scots in Meaford Exercises This Week-end

More than 700 officers and men from Canadian army militia units in Central Command will take part in a two day battle exercise at Meaford, Ont., September 29-30, it was announced recently at headquarters Central Ontario Area.

The exercise will mark the first large scale operation of this type to be conducted by the militia in Central Command during the fall-winter training period since the Second World War. Infantry, armour, artillery and supporting arms and services will participate. New tactical doctrines necessitated by the introduction of nuclear weapons on the battlefield will be practised during the exercise. Wide dispersal of troops would be essential under such conditions and units could be called upon to occupy and hold areas much larger than those of the Second World War.

Late Saturday the troops will receive their last hot meal before an attack at dusk, and from then on subsist on the army 5-and 1 ration pack. Artillery and tanks will fire live ammunition in their "softening-up" of the enemy objective, after which the big attack will be launched. The objective cleared, the troops will reorganize, and supporting services will assist the infantry in holding the ground. At this point the troops will put into practice the lessons they have learned on dispersion. During the night they will carry out patrol and at dawn launch another attack. The exercise will end at 10 a.m. Sunday, and will be followed by a church service in the field. No 5 Column, RCASC, from Toronto, will then take over and prepare a hot meal for the troops before they leave for home stations.

Units to participate are: The Algonquin Regt. (26 Armoured) from North Bay, Kirkland Lake, Timmins and Kapuskasing; the Gray and Simcoe Foresters from Owen Sound, Collingwood, Midland, Barrie and Orillia; the Lorne Scots from Brampton, Georgetown, Oakville and Orangeville; the 49th Medium Anti-Aircraft Regt., RCA, from Sault Ste. Marie; 5th Light Anti-Aircraft Regt., RCA, from Sudbury; 13 Medical Coy., RCAMC, Owen Sound; 33 Technical Squadron, RCME, Sault Ste. Marie; 8th Field Regt., RCA, from Hamilton; 2 Provost Coy., of Toronto; 5 Column, RCASC, Toronto; and 2 Intelligence Training Coy., Toronto.

Storm Warning!

WHEN you know a storm is coming, you head for protection. BUT disaster doesn't give warnings!

Fire, windstorm or other peril may strike unexpectedly at any time. If you're not ready NOW with adequate insurance, better call on this Agency today!

FASTER MOTOR TURN-OVER -up to 47% more starting power!

GUARANTEED 4 FULL YEARS

MOR-POWER "Hi-Capacity" ARMOR-GLASS—Guaranteed 48 months. Delivers up to 47% more surging power than original equipment, plus the exclusive ability to keep producing a full load of current longer than any other type of battery... for faster motor turnover and positive cold weather starting ease. Built to outlast 4 ordinary batteries. SAVE SAFELY—AT CANADIAN TIRE.

GUARANTEE—Every MOR-POWER BATTERY is guaranteed for 18 Months, 2 Years or 4 Years—depending on the type. Replacement, or money back. You pay only for service rendered.

18-Month Guarantee	2-Year Guarantee	4-Year Guarantee
MOR-POWER HEAVY-DUTY Battery 39 PLATES REG. LIST \$13.30	MOR-POWER SUPER-SERVICE 45 PLATES REG. LIST \$21.25	MOR-POWER HI-CAPACITY 51 PLATES REG. LIST \$27.75
7.95 AND YOUR OLD BATTERY	10.95 and your old battery	15.45 AND YOUR OLD BATTERY

YOU SAVE \$1.35—Full size, full 98-amp. capacity. Replace your old "grunt and groan" battery now with an action-packed Mor-Power Heavy Duty. Fits most popular cars (Ford V8, see below). Fits Ford Products—1951-54: 35-plates, 105-amp. capacity. Reg. list \$13.35. With your old battery \$4.85.

YOU SAVE \$1.25—Full 110-amp. capacity. Loaded with extra reserve power for top performance in any weather. Fits most popular cars. (Ford V8, see below). Fits Ford Products—1951-54: 51-plates, 125-amp. capacity. Reg. list \$21.25. With your old battery \$1.45.

YOU SAVE \$1.50—Up to 47% more power capacity for faster motor turnover and longer, full-load output in any weather. Fits most popular cars. (Ford V8, see below). Fits Ford Products—1951-54: 51-plates, 125-amp. capacity. Reg. list \$27.75. With your old battery \$4.25.

CAULKING GUN

Improved ratchet type: 1" x 1/2" diam. gun barrel, equipped with general purpose 1/4" round nozzle. Easy to load, easy to use. **4.29**

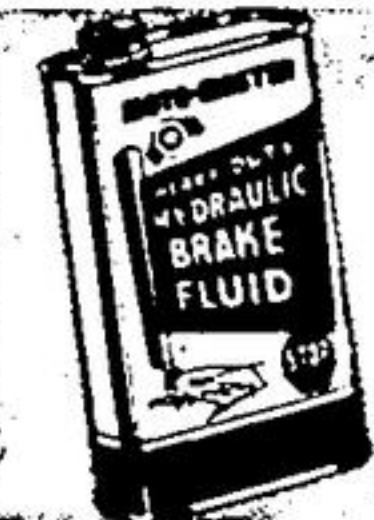

Caulking Compound

Stops heat loss, seals out cold drafts around doors and windows.

BLACK	GRAY
Qt. Gal. 1.19	Qt. Gal. 3.19

Motor Conditioner
Guarantees new pep from your car... of your money back. Restores lost power. Big 32-oz. can **59**

HEAVY-DUTY BRAKE FLUID
For all hydraulic brake systems, equal to and mixes with any original brake fluid. **98**

Moto-Master Ignition Coil
High speed, heavy duty. Universal coil for most 6-volt cars and trucks. **\$4.15**

4" Seal Beam Hand Spotlight
This high-powered unit penetrates up to 1,500 feet. Plugs into lighter outlet. Value **\$3.98**

Planning Board Stalls Decision, No. 7 Zoning

Fifty, or sixty, residents of the eastern highway section of town responded to an invitation by the Planning Board last Tuesday to attend a meeting at which zoning of a portion of the highway was discussed.

The meeting was called after W. G. Sutherland and Albert Coleman, with a McCall Frontenac Oil man asked for reconsideration of zoning a present residential area as commercial, so the company could build a gas service station on land now occupied by residences owned by these men.

The Planning Board was sympathetic to their request at the time provided they could be assured that neighbouring residents would not object.

Some fifty residents of that area were circled, and seven of those attending the meeting expressed objections in one form or another to extending the present commercial zone to take in the entire highway frontage from Edward Street to Rexway Drive.

Speaking against the idea at the meeting were R. H. Warwick, G. C. Palk, F. A. Hull, J. Sierma, Gerard Wilcox, Jim Collier and Ron Mendham, all of whom live on Guelph Street or on Prince Charles behind the highway.

Mr. Sutherland, Mr. Colman, Dick Vandenberg and Fred Ross, all of whom have commercial plans for the land they own, spoke in favour of a change to commercial.

The Planning Board members kept an open mind on the matter, deciding not to change their original recommendation that the area be residential, but not ruling out the possibility of change after a public meeting which is being called for discussion on the whole proposed zoning by-law.

BABY SHOWER FOR MRS. JACK COX

Mrs. Robert Williams, John St. and her daughter, Mrs. Richard Weatherall were hostesses at a baby shower in honour of her daughter Mrs. Jack Cox last Friday evening. The several guests had a pleasant evening and Mrs. Cox received some beautiful baby gifts.

MOSTLY WAGES

STEEL PRICES are not simply the aggregate of costs in a steel mill. Others also get paid, including those who work in iron mines, coal mines, limestone quarries, on railways, steamships, motor trucks, in sales offices, and elsewhere. In fact, all prices are mostly wages and salaries.

So there is an upward pressure on prices with every increase in wages, though investment in better equipment does help absorb such wage increases.

No one can afford to be indifferent to rising industrial wage costs, for these tend to lead to higher prices. As users of steel in many forms, all farmers in particular are adversely affected when higher city wages raise production costs and selling prices.
