### Power Off But Dairy Open House Goes On

A two hour power failure Friday evening put a crimp in plans of Mr. and Mrs. Irwin Noble for an "open house" at their new Georgetown Dairy building on the highway but the event took place as scheduled.

Flashlight tours were conducted until power was restored at 9 p.m., and later visitors had electricity to guide their way.

Those attending saw how milk is piped to the pasteurizing and homogenizing machines, watched bottles being filled and were shown how bottles are washed and sterilized after use. Contractor William R. Hamilton was also present and refreshments were served in the dairy bar.

Staff members assisting in the tour included dairy operator Jack Ball, George Mumby, Len Murdock, Bob Edwards, Mel Taylor, John Moore and Bill Conroy. At the dairy bar, Mrs. Clarence Bam, Mrs. Sprague, Mrs. From and Mrs. Gilbert Preston.

#### PRESENT DIPLOMAS TO SUNDAY SCHOOL PUPILS

A lovely rally day service was held in the church on Sunday morning with superintendent Bob Cunningham assisting the minister Mr. Russ. Printed programs were used the theme being "With Deeds of Love and Mercy." The choir of Sunday School scholars sang "We thank thee O, our Father." Scripture reading from Mark 12th chapter verses 28-34 by Yorke Osterman. Mrs. T. Blackett told the story of the blind man who walked two thousand miles for a book and became a great teacher among his own people. Mrs. Ward Brownridge presented the Sunday School scholars with their seals and diplomas and the Banner class, for perfect attendance all year, was Mrs. James Carney's.

Some of our citizens have been travelling around. Frankie Wilson, Elmer Bird, Ralph Cunningham, and Bill Kerr have gone west for a month. Last week Mr. and Mrs. Arthur Ruddle were at Manitoulin Island, North Bay and other places this past week end. Mr. and Mrs. C. B. Dick and Mrs. George Kennedy of Milton visited relatives at Thamesville and Amherstburg. Our deepest sympathy goes to Mrs. M. Nabli and the boys in the death of Mr. McNabli last week. As a neighbour and friend he was one of the best and will be greatly missed on the eight line.

#### ST. ALBAN'S DEDICATES NEW FLAG FOR CHURCH

At the harvest festival service in St. Alban's Anglican, Rev. Kenneth Richardson dedicated a new official church flag. The flag is the cross of St. George in red on a white background with green maple leaves in each of the four quarters representing the ecclesiastical provinces of Canada.

Members of the B.A.C. are renovating the old church Hattop with a coat of paint, new pulpit and a cement base and it will be located on the church lawn to the east of the church. A new sign board will be erected also.

At the same service the congregation carried a beautiful black melton clerical cloak designed for use in conducting outdoor services and burials in cold weather. It is a gift from all church organizations to the rector and he expressed his appreciation during the morning service.
