To bring to Imperial Oil customers the benefits of more specialized service, a new Furnace Oil Distributor and a separate Farm Trade Agent have been appointed. The rapidly increasing population and the ever enlarging circle of satisfied users of Esso Furnace Oil, Esso Stove Oil and Esso Farm Petroleum Products have made it necessary to increase the facilities for distribution of these quality products.

The change in policy will permit Esso Furnace Oil customers more personalized service including improved Weather Controlled Delivery; Farm Products and Stove Oil customers more immediate attention to their petroleum needs.
