GLEN WILLIAMS ACCELERATION EXPLAINED TO HOME & SCHOOL GROUP To have successful acceleration, a combination of factors dependent on parents, teacher and pupil must take place said "Pat" McKenzie, principal of Acton public school, when he spoke at a meeting of Glen Williams Home and School association.

Mr. McKenzie said that a teacher must recognize the pupil as an individual, and that under a good teacher such pupil should develop the ability to think, have pride in his work, respect property and have self control. He stressed that the home and school must be partners working together towards a common goal, the product being the student.

A child should have, besides physical comforts, a happy home where there is love and the family does things together, he said. When acceleration is considered, many things must be considered, including mental age, actual age on entering high school, health, basic skill, outside activities and attitude of parents. Acceleration is good only if the student intends to finish his schooling, he said.

The student himself must show initiative, good work habits, social development and have no signs of mental stress if acceleration is to be successful. A question period followed and Roy Norton, Sr. thanked the speaker.

Mrs. C. G. Bishop presided at the meeting and the secretary, Mrs. J. Armitage gave a resume of the graduation dinner in June for Grade 8 students, at which Sam Penrice was guest speaker. Principal Ralph McKenzie accepted the chairmanship of the program committee.

A parents night is planned at the school in November and the Home and School plans to meet the same evening at a later hour. At the meeting, five pupils from Grades 7 and 8, who will enter the public speaking contest sponsored by Halton Principals' association gave their speeches. Tim Haines (Winston Churchill); Catherine Bishop (The Red Feather); Donna Dixon (Shakespeare); Sharon Cook (Safety); and Peter Norton (The CF100).

Two of the new teachers presented a ten minute pantomime in which a few of the guests took part. Tea and cookies were served at the close of the meeting.
