Art Scott Twenty Years Car Dealer

Friday, October 19th, was an important day for Mr. and Mrs. Art Scott of Scott Motors, it being the unveiling of the new 1957 Chevrolet and the anniversary of their twentieth year in the car business. Mr. and Mrs. Scott held an "At Home" at Scott Motors, Guelph St. where over four hundred people viewed the new car for 1957 and congratulated Mr. and Mrs. Scott. They report that the new car was well received by all the guests and it looks like happy motoring this year.

To review the history of Scott Motors briefly for our newer residents of town, Mr. Scott was born in Limehouse and Mrs. Scott in Glen Williams. Prior to her marriage Mrs. Scott worked in Toronto for eight years while Mr. Scott has always lived and worked in the district. Mr. and Mrs. Art Scott have three children, Sandra and Karen attending Georgetown High School and a son John in the Howard Wrigglesworth School. They have just moved to their new home on Maple Avenue opposite the Golf Club.

Twenty years ago the Scotts opened their garage in the building where Main and Guelph Motors are now situated. The building was
