Looking for Floats For Santa Parads

The Santa Claus parade, which last year was the biggest yet, is in the planning stage by the Lions Club. Dick Riddall has been named chairman by the club.
Last year, with cooperation of firemen, merchants and business firms, the parade, with floats depicting nursery rhyme characters attracted hundreds along the route. The sponsors are hoping that those who designed floats will be joined by others for another fine parade. It will culminate as usual, in Santa's arrival to distribute goodies to all the children at the downtown "four corners."
Mr. Riddall asks that anyone interested in preparing a float for the parade get in touch with him.

POLICE WARN DANGER OF TWO-ON-A-BIKE

The local police are issuing notice to all juveniles and any other person riding a bicycle that it is unlawful for two persons to ride on one bicycle at one time. From now on strict enforcement will be given to this law as stated in section 41 (14) of the Highway Traffic Act.
The police will also crack down on anyone riding a bicycle on a sidewalk inside the town limits and any person riding a bicycle after dark without a headlamp, in proper working condition, mounted on the front of the vehicle and a red reflector on the rear.
Anyone not complying with these rulings will be dealt with by the Georgetown police force.

BALLINAFAD

LADIES AT MEETINGS STREETSVILLE, ACTON
Mr. and Mrs. John Black and family spent the week-end with friends at Unomville.
Several ladies from this district attended the Thank offering meeting of Acton WMS on Tuesday. The guest speaker was Dr. Winifred Thomas.

KAREN NORTON OF NOTRE DAME WINS CONTEST

Judges for the Fire Prevention week poster competition selected a colourful poster by Karen Norton a grade nine student at Notre Dame High School, Guelph, as the winner after an hour-long debate Wednesday evening, October 10th. Only a few points separated the first place winner from the second place entry of Gloria Symes, a grade ten student at GCVI Third.
Third place in the contest went to another Notre Dame student, Mary Malone of grade 10. Marion MacInre a grade 10 student at GCVI was the fourth place winner. Judges for the contest included chief L. B. Millie, captain C. R. Knight, in of the fire department, Don McFadden, Ernest Atkin and Mrs. R. A. Fee, chairman.
Winning this award was nothing new for Karen who showed her talent by winning the competition while a student in grade seven of Georgetown Public School. She is the daughter of Mr. and Mrs. Grover Norton, 6 Ontario Street.

Social & Personal

Mrs. C. Scott of Hamilton is visiting in town with her son and daughter in law, Mr. and Mrs. Ross Duncan, 74 Guelph Street.
Mr. and Mrs. Kaspar Stumpf, Elmira and Mr. and Mrs. George Lake, Thornhill, were visitors one day last week with Mr. and Mrs. A. H. Feller, 2 Emery Street.

More Coffee?

Brazil has been testing portable aluminum irrigation systems to increase the coffee crop. Results are startling; yield per tree is more than doubled. Even if applied only to half of Brazil's coffee crop, production would be increased by 3,700,000 bags!
Our own Canadian farmers have found endless ways to use Canadian aluminum: Piping for orchards, field crops and stock... foil for mulching... roofing and siding for barns, brooders and silos... cans and pails for dairy farms.
Canadian output of primary aluminum is being further increased to supply the makers of these and a thousand other products useful in agriculture, industry, defence and the home.
