"Dollars and Sense"

Have you ever
tried banking by mail?

An extra service offered you by The Canadian Bank of Commerce is the convenience of mailing in your cheques for deposit. Just endorse your cheques like this: "Deposit to account of (your name)." Then slip them in an envelope with a special bank-by-mail deposit form and mail them through your nearest post box. For a current account, your statement can be mailed to you each month. For a savings account, you can mail in your pass-book; it will be made up, and returned to you by post. Ask us about banking by mail next time you pass our branch and we'll gladly give you some special deposit forms and envelopes.

Famous Trichologist Will Demonstrate How to Grow Thicker Hair and Guarantees It!

DEMONSTRATION TO BE HELD HERE

This new method of home treatment for saving and growing thicker hair will be demonstrated in Georgetown, Ontario, on Saturday, November 17th.

These private individual demonstrations will be held at the McGibbon Hotel on Saturday ONLY . . . 12 noon to 9 p.m.

London, Ontario — In an interview here today, William L. Keele, internationally famous trichologist and Director of the Keele Hair Experts, said: "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize that no one tonic or so-called cure-all could correct all the disorders," he explained.

Guaranteed

"The Keele firm, recognizing that most people are sceptical of claims that hair can be grown on balding heads, offer a guarantee," Keele said.

Once a person avails himself of the Keele treatment his scepticism immediately disappears. To insure this, we offer this guarantee: "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

Hopeless Cases Discouraged

First the Trichologist is quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this last category.

If there is fuzz, no matter how light, thin or colorless, the Keele treatment can perform wonders. A complete, private examination is given by a Trichologist, to determine the condition of the scalp and cause for his hair trouble.

Free Examinations

This examination is very thorough and highly technical. . . . it requires to 30 minutes. There is no charge for this examination and no appointment is necessary.

After the examination the person is told the required length of treatment and how much it will cost.

After starting treatment the person makes regular reports to the Keele firm in London to check the progress of the home treatment.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, independent Trichologists are visiting various cities throughout Canada to conduct examinations and start home treatment.

No Cure-All

"We have no cure-all for slick, shiny baldness," Keele emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

Hair For Lifetime

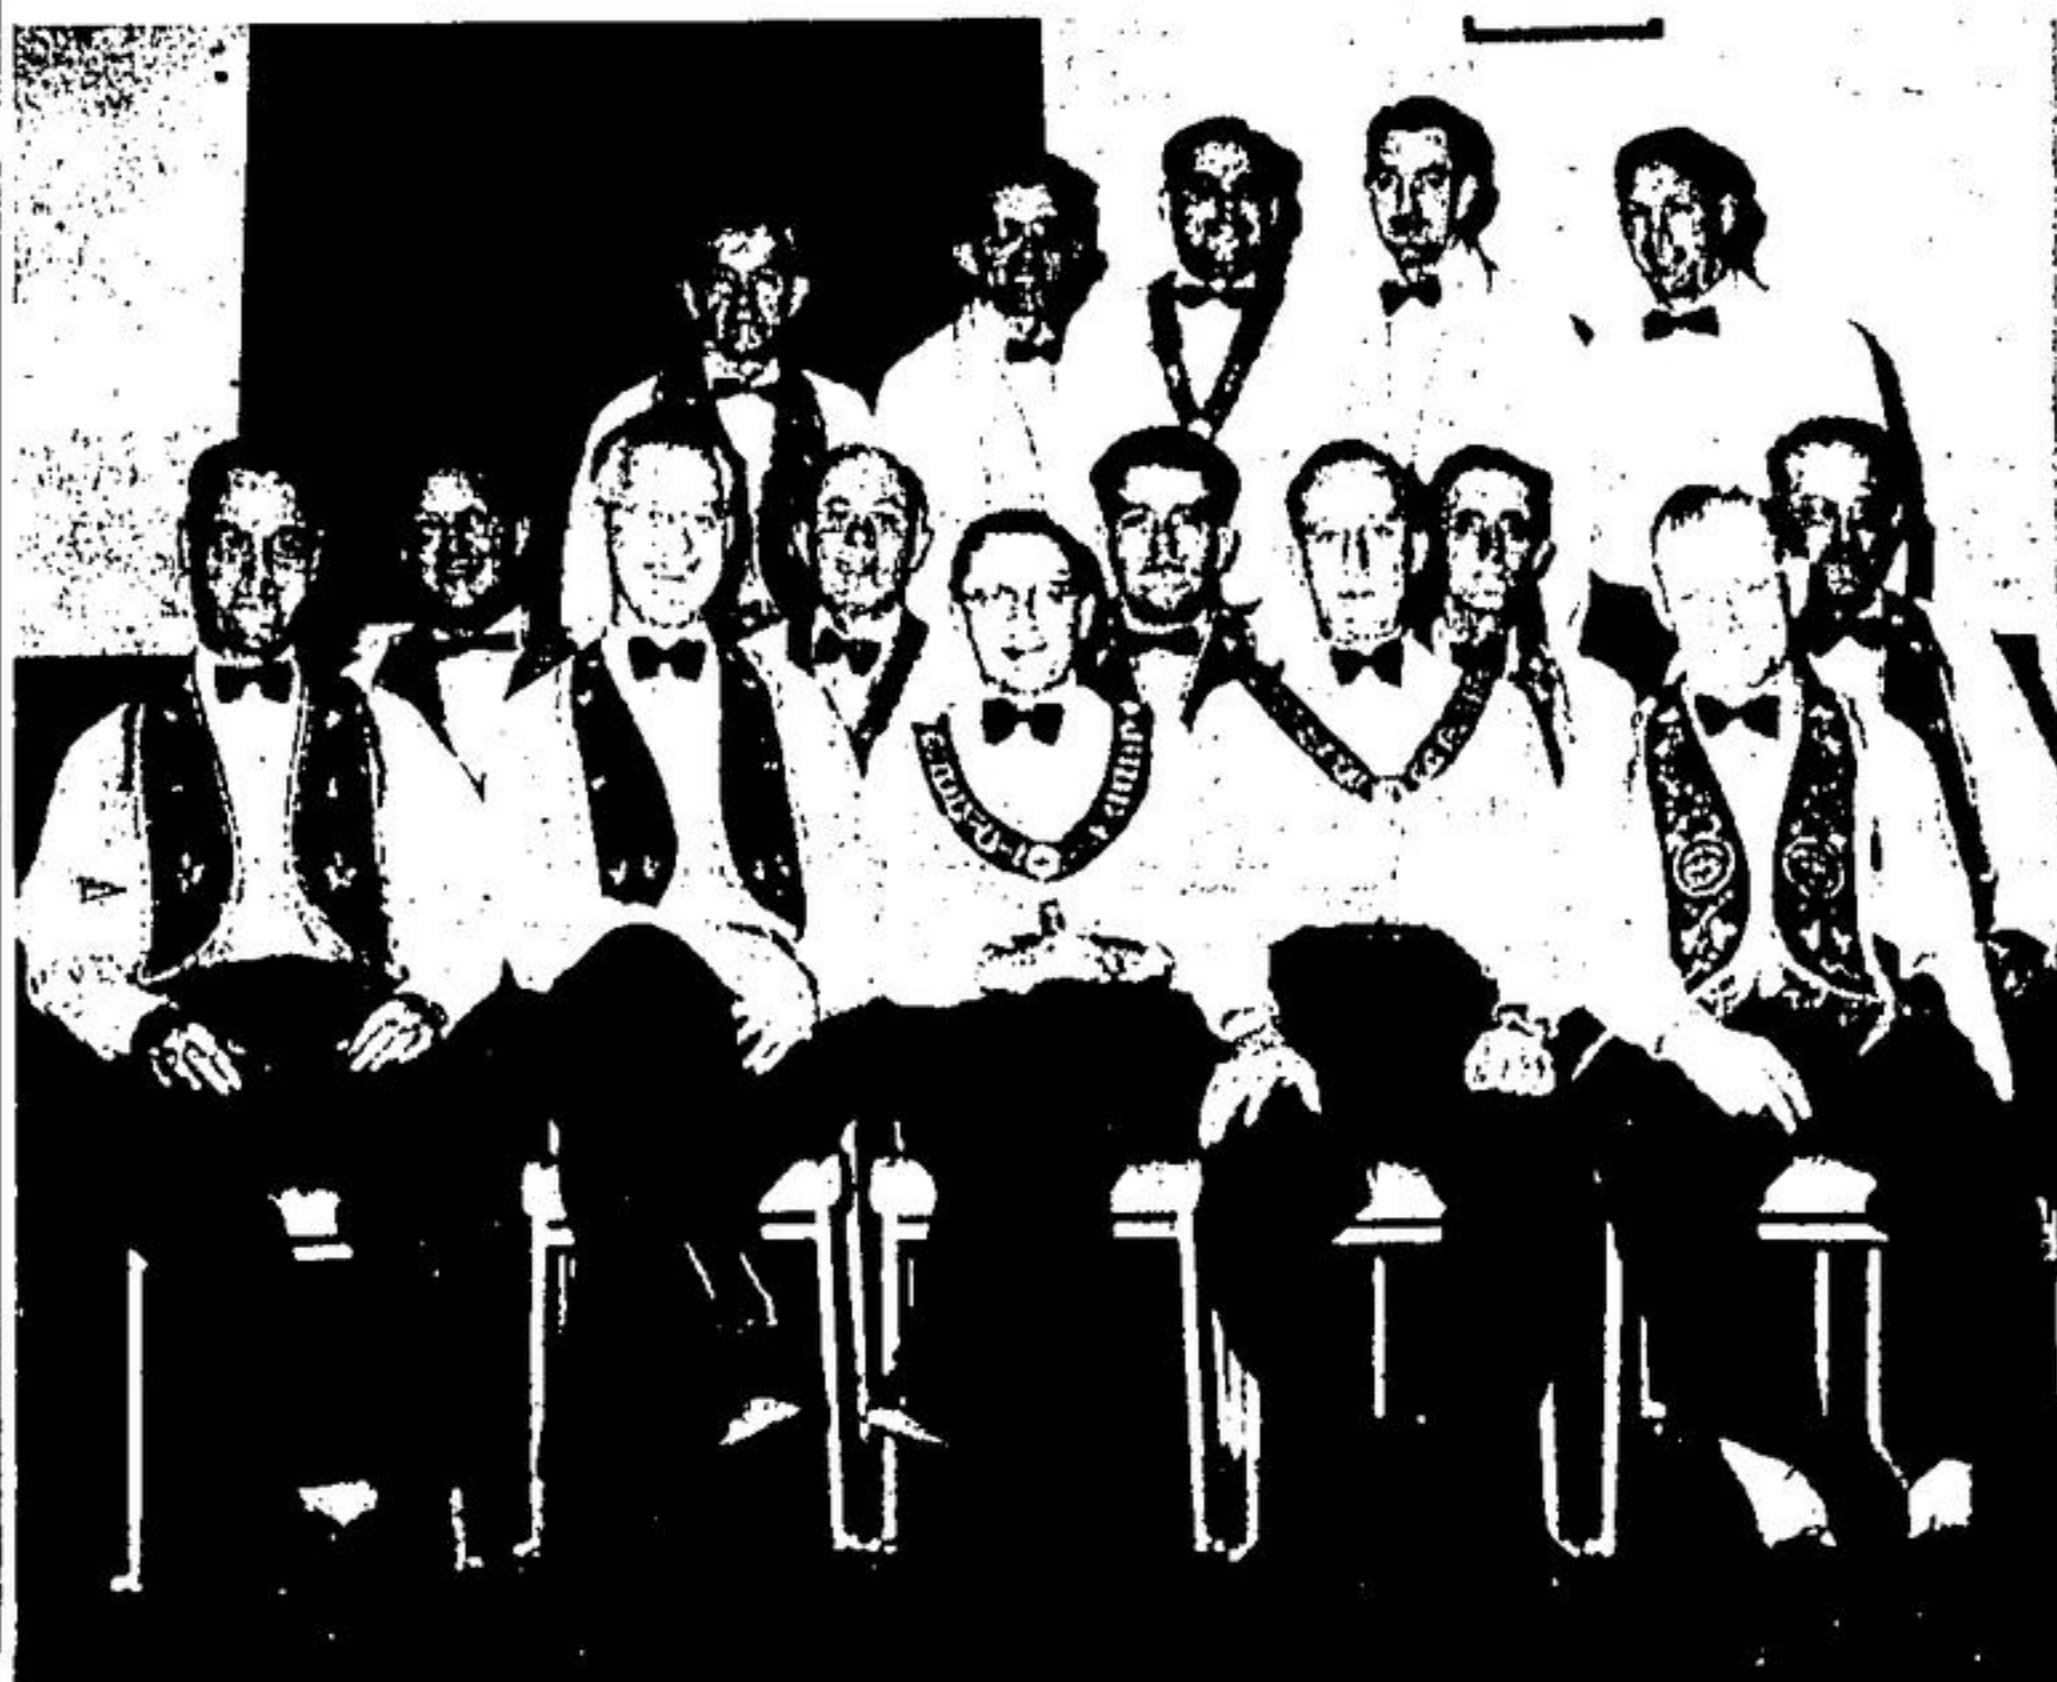

"If clients follow our directions during treatment, and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observations of a few simple rules."

How's Your Hair?

If it worries you call Trichologist W. N. Crawford at the McGibbon Hotel in Georgetown, Ontario, on Saturday ONLY, Nov. 17, 12 noon to 9 p.m. The public is invited.

You do not need an appointment. The examination are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

ODD FELLOWS INSTALLATION TEAM

The installation staff of Credit District 33, IOOF, which includes several local Odd Fellows, were photographed in Georgetown when they installed new officers of Orion Lodge recently. Seated, left to right, Stewart Lockie, Milton; Gordon Spence, Georgetown DDGW Rolph Barber, Orangeville; William Haines, Brampton; GC Victor Sharpe; Orangeville, Albert Haines, Jr., Brampton; DDGM Lou Sampson, Milton; Harry Savings, Georgetown, James Hornell, Milton; James McLennan, Milton. Standing, Fred McNally, Georgetown; Frank Ackroyd, Brampton; James Collier, Georgetown; Clarence Beaton, Brampton; Harold McMillan, Milton.

GEORGE ELLIOTT, LES CLARK COUNTY CONSERVATIVE HEADS

Last Friday evening saw a large crowd attend the annual meeting of the Progressive Conservative party county association in Milton town hall. Despite a heavy fog that enveloped most of the county, there was one of the largest as well as most representative groups in many years.

The meeting opened with the singing of God Save the Queen, after which the president, Charles Palmer, of Burlington, welcomed the crowd, and read a letter from Halton's member, Miss Sybil Bennett, Q.C. MP. Miss Bennett, in her letter regretted that due to her illness she was unable to be present, but that as always her love and best wishes were with her party. A brief financial report was given by treasurer, Bruce Fitzgerald, Milton, and a report by the secretary, Sandy Best, of Esquesing.

An election for the various offices was held, with Mr. George Elliott, Q.C., well known lawyer of Milton, being elected as president. As first vice president, Leslie M. Clark, of Georgetown, was chosen.

The other offices were filled as follows, lady vice president, Esther Taylor, Acton; treasurer, Carl Shipp, Oakville; secretary, Sandy Besty, Esquesing; president YPC, Max Sprawl, Esquesing.

After the election a number of short reports were given, and various delegates made suggestions. Mr. Elliott, on taking the chair as president, introduced the speaker of the evening, John Hamilton, M.P. Conservative member for York West. Mr. Hamilton, in a slashing indictment of the federal government, attacked their vacillating policies in every field from foreign affairs to the portfolio for northern affairs.

He took each cabinet post and dealt with it in turn, pointing to a more experienced Conservative who could handle the portfolio in place of the present cabinet minister. As per example, James McDonnell, Conservative MP, to handle the portfolio of finance, one of or possibly Canada's ablest financial brains; in defence, George

Pearkes, V.C. Canada's outstanding soldier and administrator in two wars; Douglas Harkness, for northern affairs, an outstanding expert on the north country. And so on, through each of the portfolios, replacing each of the present minister with a more able, (in his opinion) Conservative. He scored the lack of leadership given in the present crisis, by the prime minister, Louis St. Laurent. Mr. Hamilton spoke with regret about the illness of Miss Bennett, saying that parliament had been the better for her being there, and cited instances of where her voice had been the largest contributing factor in passing certain pieces of legislation. He spoke also of the recent Conservative leader, George Drew, a man who had served his country well in both war and peace, who had stood head and shoulder above anyone else in the House in debate, a fact he had proven in the recent pipe line debate. His place and stature would only be adequately shown by the history books of the future. In ending his very able address, Mr. Hamilton said how happy he was to be in Halton and that he would be willing to return at any time.

Mr. Elliott thanked the speaker, and called on Stan Hall, MPP, to speak. Stan, in his very able and homespun way, led a blistering attack on the federal government. He also spoke with regret of Miss Bennett's illness, and the resignation of the Hon. George Drew, a man whom he had been proud to serve under in his first session as Halton's representative, back in 1943. He reminded the audience that that was the man, who was responsible, at that time, for passing more legislation in that one session, than any other government in the history of the province, and that in a minority government.

A letter was sent to Miss Bennett, reaffirming their love and respect to her.

The meeting ended with refreshments, served by the ladies of the Milton association.

Businesswomen Mark First Anniversary

Monday evening, October 22, the Georgetown Business and Professional Women's Club held their first anniversary dinner at the Jack O'Lantern. Honoured guests at the dinner were Mrs. Armstrong-Collins, provincial organizer, who organized the Georgetown Club and Miss Eleanor McDonald, president of the Brampton Business and Professional Women's Club. Three other members of the Brampton Club also attended.

Birthday greetings were read from Mrs. Maude Bayley, president of the National Federation who has been a guest of the Georgetown Club several times. A three tiered birthday cake, beautifully decorated was brought in at the end of dinner and cut by the immediate past president, Joyce Nevitt.

Following a short business meeting everyone enjoyed some very interesting and colourful slides of the Prairie Provinces and the west coast shown by Rev. Alfred Barker. Informal discussion was carried on about the pictures during the showing which made them the more enjoyable.

It was suggested that the members may be interested in attending the international Night of the Toronto Clubs in the Crystal ballroom of the King Edward Hotel on February 9th, to hear Lisa Sereno. Members were asked to bring anyone interested and eligible in joining the club to the next meeting of the international night of the O'Lantern.

Polio Vaccine for High School Students

The Health Unit this week has received 13,000 doses of polio vaccine with which the fall immunization programme will commence.

It is hoped that two doses will be given to all high school students before the end of the year. Also clinics for the immunization of pre-school children will be set up before the year is out. Children under school age who have not as yet received the vaccine through the family physician will receive the inoculation at these clinics.

In the early part of 1957 school children who have received two doses of the vaccine will be given a third dose, and the first two doses will be given to those children now in school who have not as yet received protection. This last group will include children in kindergarten and Grade 1. Some time before the end of June, 1957, the Health Unit expects to administer over 50,000 doses of the vaccine.

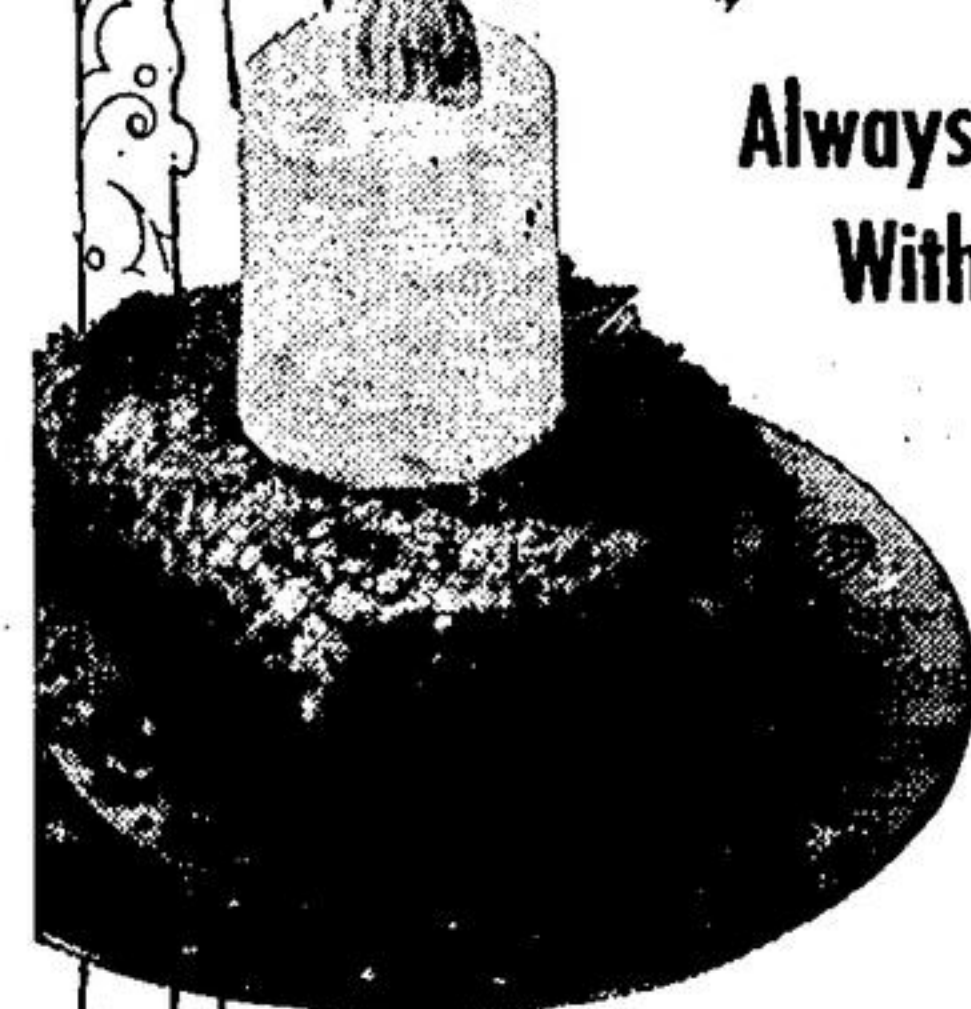

Up to this week only two cases of polio have occurred in Halton County this year. Both of these cases were in pre-school children who had not been immunized against poliomyelitis.

4,000 LB. COW GEORGE HEWER

A 4,000 lb. certificate has just been awarded to the Jersey cow Stantonbrook Royal Laurena . . . 145864. In 9 lactations she produced 73,203 lbs. of milk, and 4,228 lbs. of fat. Laurena was bred by S. V. Adams, Brampton, Ont., and is owned by George Hewer, Moffat. Her classification is Very Good.

Christmas Light-ups

Always Better
With Butter

Ice cream and crunchy almonds top these gay Christmas Light-Ups. But the real flavour is baked right in. It's butter—fresh creamery butter—lending its matchless flavor—enriching with its natural goodness. Remember, for all your festive baking and right through the year, "It's Always Better with Butter".

FREE! Marie Fraser's "Merry Christmas" recipes for cookies and candy. Also her new Butter Booklet.

1. Mix 2 1/2 c. rolled oats, 1 1/2 c. sifted all-purpose flour, 1/4 c. brown sugar, 1 tsp. soda and 1/4 tsp. salt. Cut in 1/2 c. butter with pastry blender or knives, till mixture is crumbly.

2. Press half this mixture in the bottom of a well buttered 8" sq. cake tin; spread with 2 c. whole cranberry sauce and sprinkle with 1 tsp. grated orange rind and 1/2 c. shredded coconut.

3. Top with remaining oatmeal mixture. Bake 350°F. for 40-45 min. Cut into squares, serve warm or cold. Make "candles" by topping with ice cream rolls; use almonds for "flames".
