In Service Training Program For Teachers

An 'In Service' training program has recently been begun in the county for rural and urban elementary teachers, initiated by the Halton County Principals Association. The first meeting was held in the J. M. Denyes School, Milton, November 5th with nearly 300 teachers attending. At this first meeting teachers met by grades to discuss common problems in the teaching of English — reading, literature, spelling, grammar and composition. These meetings will be of great value to all teachers, and particularly for beginners and those returning to the profession after a long absence. Plans are being made for a second meeting in January. Morrell Acheson, principal of Glenwood public school, Nelson, is chairman of the county committee. Mrs. H. C. Wrigglesworth, Mrs. Frank Cleave and Miss Shirley Burch are organizing the Grade 3 teachers of the county.

Halton Junior Judges Place First at Royal

J. E. W.
The 1956 Inter-County Livestock Judging "champs" are from the little county of Halton. Held at the Royal Winter Fair on Thursday of last week, this event open to county teams of three young men under 26 years of age, constitutes the major livestock judging classic held annually in Ontario. This is the first time since the inauguration of the inter-county judging event at the opening Royal, back in 1922, that a Halton team has won the top place and thereby the Jeffrey Bull Memorial Trophy. Who was on the team? Why Lynne Coulter and George Greenless of Campbellville and Bill Robinson of Oakville — and their coach — Art Bennett, associate "Ag. Rep." This is a terrific win and too much credit can not be extended to the three young men and their coach on this major achievement. Incidentally they constitute the youngest team from Halton to ever enter this senior Junior Farmer even — two 17 year old, and an 18 year old. In the competition which included teams from Carleton on the east to Huron on the west, the competitors judge and give oral reasons on ten classes of livestock — Shorthorns, Aberdeen Angus, Herefords, Ayrshires, Holsteins, Jerseys, Yorkshire Gilt, Yorkshire sows, dressed carcasses and Hampshire Sheep. Aside from winning the Jeffrey Bull memorial trophy and miniatures, all three young men won cash awards. Incidentally George Greenless (one of Halton's debating champions of 1956) was the second high competitor of the day, with a score of 907 out of a possible 1000. In extending congratulations to the team members and their coach, we would be remiss if we overlooked the contribution to the achievement made by the livestock breeders of Halton. We are referring not only to those breeders at whose farms the young men received coaching this fall but also to many other breeders in Halton on whose livestock our 4-H club members and junior farmers have annually had the privilege of working. Few counties can boast of better quality livestock in practically all of the major breeds. Now for the top six awards: 1st, Halton; 2nd Carleton; 3rd, Victoria; 4th Peel; 5th Wellington; 6th Durham.

James Longstreet Accident Injuries

AN accident occurred at the corner of the eighth and town lines on Thursday when a car driven by Mr. James Longstreet was in collision with a Bell Telephone truck. The truck was overturned with the driver being badly shaken up, the Longstreet car was badly damaged and Mr. Longstreet receiving several deep cuts. Fortunately neither one was seriously injured. Mr. and Mrs. W. Robinson moved to Guelph last week where they have taken an apartment. We all join in wishing them well in future activities. The Evening Auxiliary held quite a successful bazaar and rummage sale Saturday afternoon. Tea and cookies were served. Mrs. Neelon Sr. is visiting this month with her son Mr. Alan Neelon and family at the manse. We welcome Mr. and Mrs. Smith and family of Belwood who come to live in our community. The Smiths have bought the general store here and we wish them every success in their new venture.
