Little NHL
Bruce Gummer

Another winter season is upon us, bringing another exciting fun-packed season of boys' hockey.

The Little NHL, as in past years, is sponsored by Branch 120, Canadian Legion, and the executive has been elected and is busy doing the necessary organizing for such a large undertaking. Registration of all boys in age groups has been completed and a meeting held for coaches and managers. Three new positions have been created this year to make a tighter-knit, more efficient operation, by appointment of a commissioner for each league. A record registration may mean more teams and start at an earlier hour. It also means more hockey minded men interested in boys' welfare are still needed as coaches and managers. They are important cogs in the organization, for it is their responsibility in shaping boys into good sportsman and good hockey players. Their job is only for an hour a week, but what a noisy hour it is, with a hundred questions to answer, names to record on score sheets, skates to tighten, etc. Enjoyable too, for any man fortunate enough to associate himself with the league keeps coming back each year.

The active hockey schedule will not start for a few weeks, as upgrading of players to their teams in age groups and placing of new boys on teams is in process and will take long hours of volunteer time to complete.

The league has lost a good sportsman and active worker in the person of Gordon James, last year's referee in chief, who this year heads boys' hockey in Acton. Lots of luck, Gord, in your new position.

The 1956-57 executive comprises: Frank Connelly, chairman; Lloyd (Bud) James, vice chairman; Marshall Timbers, secretary; Nick Garvin, treasurer; Charles Tyler, transportation and equipment.

Commissioners are: Herb Arnold, Little NHL; Rev. Alex Calder, American; Jim Bradley, Junior A; Bill James is referee-in-chief and Joe Dwyer, Jr., chief timekeeper.

CURIO VALUELESS BUT INTERESTING
Town workman Max Kaminsky found an interesting curio recently while excavating for a new water line.

It is a large, battered copper coin, about the size of a 50c piece. It was about three feet below the surface. Checking with a local coin collector, it proved to be over a hundred years old. It is a 1952 Bank of Upper Canada halfpenny. Despite its age the coin is not a collector's item and has only value as a curio.

FARM NEWS

Halton Holstein is Prominent at Chicago
J. E. W.

Four daughters of Lonelm Texal Higheroff won the top award in the Holstein Get of Sire class for Romandale Farms at the 1956 International Dairy Show recently held in Chicago. In the November issue of the Holstein-Friesian Journal a picture of the four cows appears on the cover page.

It will be of interest to Halton folk to learn that one of the four daughters of old Higheroff which made up this winning get, was bred and raised to maturity in Halton. The cow is Kneeland Farm Annabelle, bred by Johnson Neelands of Hornby. Annabelle was shown at the 1954 CNE by Harold Cooper, formerly of Palermo. On that occasion she was second prize aged cow; reserve grand champion; best uddered cow in the Holstein show; and a member of Halton's second prize county herd.

At the International, Annabelle was second to the grand champion of the show in a class of 50 aged cows. To quote Judge Swartz, "The greatest cow class, I have ever judged." Annabelle's sire, Higheroff, a son of Lonelm Texal, was in the stud of the Maple Cattle Breeder's Association. Another daughter of Higheroff, topped the recent consignment sale of the Maple Cattle Breeders at \$750 for Morley Watson of Burlington.

Annual Masonic Ladies' Night

Last evening, Tuesday, November 6th, was the date for the annual Ladies' Night of Credit Lodge, No. 219, AF & AM. Once again it was held in St. John's Memorial Hall, where the United Church Ladies catered for a wonderful turkey dinner.

The largest group to ever attend this annual affair enjoyed the dinner and the program that followed.

Among those present at the head table were Wor. Master James F. and Mrs. Evans; V. Wor. Bro. Ern Batkin and Mrs. Batkin; Wor. Bro. Leslie Clark and Mrs. Clark; Wor. Bro. and Mrs. Walter Fidler; Bro. Tom Niven, and Bro. John T. Armstrong.

After the master had welcomed the guests, he proposed a toast to the Queen and the Craft, and led in singing Grace after which the excellent turkey dinner was served.

Other toasts included "Grand Lodge," proposed by Bro. Roy Halley, and responded to by Very Wor. Bro. H. E. Batkin, Credit Lodge's newest grand lodge officer. The toast to "The Ladies" was proposed by Bro. John D. Kelly and responded to by Mrs. Leslie Clark. The Ladies were thanked by Wor. Bro. Fidler for the dinner, and a reply was made by convener Mrs. Harold Cleave.

Flowers were presented to Mrs. Evans and Mrs. Batkin on behalf of the lodge by Bro. Edwin Wilson.

Bro. Jack Armstrong led a sing song, and acted as MC for a program including numbers by Mrs. Charles Lambert, and Mr. Percy

Klucas, accompanied by Kenneth Harrison at the piano. A most enjoyable evening was concluded with the presentation of a film, and came to a close with the Junior Warden's toast.
