STRUCK DEER HAS TO BE DESTROYED

A deer, suffering from wounds received when struck by a car, Monday night had to be tracked down and shot.

Fred Johnson of 30 College St., was driving east towards Georgetown on No. 7 Highway at about 8.30 p.m. when the animal darted from the north side of the highway into the path of his car.

The impact sent it sprawling across the pavement and into the south ditch where it shakily got to its feet and stumbled across the adjoining field.

Mr. E. Perryman, a Ballinacorney farmer, followed the wounded animal and put it out of its misery.

Damage to the front of Mr. Johnson's car amounted to about \$75. George Moore, Milton detachment OPP, investigated.

JAMBOREE FILMS AT SCOUT THEATRE NIGHT

Cubs, scouts and a large number of their parents were at the St. John's United Church Hall at 8.00 o'clock last Thursday, November 15th to view a number of films being shown at the cubs and scouts Theatre Night.

The feature film of the evening was the Boy Scouts "Jamboree." An hour long film, of particular interest to those who attended the world convention scouts staged at Niagara Falls last year.

Two shorter films, "Maritime Holiday" and "Junior Rodeo" were also shown, and to cap the evening a cartoon "Three Pigs on a Spree" was presented.

The entertainment was sponsored by the Scout ladies auxiliary and men's group committee. Refreshments were available at the booth operated by Mrs. John Cummins and Mrs. M. Shrubsole.

ESCAPES INJURY WHEN CAR SKIDS

A Glen Williams resident, David Fendley, age 17, escaped without injury Saturday when his car went out of control on a steep 10th line hill.

David was driving south on the line at about 3 p.m. and had just started down the steep incline when his car began to sway in the loose gravel. He lost control of the vehicle which swerved to the west bank, glanced off a tree and, after swinging back across the road, plunged into the east ditch.

David was only slightly shaken up from the mishap which resulted in \$400 damage to his car, a 1947 Mercury. OPP constable George Moore investigated.

Quick Action Averts Mill Fire This a.m.

Quick action on the part of the workmen the Beaumont Knitting Mill in Glen Williams kept damage to a minimum this morning as one of the company's largest machines broke into flames at about 8.35 a.m.

It is believed that a hot bearing in the carding machine was the cause of the short-lived outbreak.

The fire had been doused by the workers when the Georgetown firemen arrived on the scene shortly after the call.

Damage to the big card was almost negligible.
