CHOICE  
**BUILDING LOTS**  
IN VARIOUS GEORGETOWN LOCATIONS

**NO ONE LEFT LIKE IT!** If you want to build a quality home in old Georgetown, in a first class residential district, this lovely, wooded, double lot is your answer. Situated at the corner of Edith and Maple, it is in the midst of a number of beautiful new homes, in a quiet neighbourhood, yet centrally located.  
A SPLIT-LEVEL HOME could be built on another wooded lot on Market Street, which has 90 foot frontage. It is beside a group of newly-built homes.  
SWIMMING POOL NEARBY. One of the last lots in the Victoria Crescent subdivision. The community swimming pool is there for your family's enjoyment, schools are close and so is shopping.  
TWO BUILDING LOTS on Water Street, backing the Main St. shopping area. There are several new bungalows nearby, and little traffic to bother you.  
ONE BUILDING LOT on John St. E., convenient to all Georgetown industries, in one of the last un-built town residential sections.  
CHURCH STREET, close to downtown. A slightly smaller frontage is balanced with more depth. An unused building on this property could easily be removed to give you a fine location for a home in an established residential part of town.  
All the above are offered for private sale and generous terms are available on all properties.
