#### FAREWELL PRESENTATION FOR ROBINSON FAMILY

Mr. and Mrs. W. Robinson, who have taken up residence in Guelph after selling their store, were honoured with a presentation in the church here last night. A

short program was enjoyed after which lunch was served in the basement. Gifts presented to the Robinsons were a toaster, kettle, junior mixmaster and bedroom clock. Mrs. Booth received pin and earring set and Brock a pen and pencil set. The Robinsons will be missed very much being

faithful supporters and attendants at our church services.

The annual White Gift service was held Sunday morning during church service. Sharon Allen and Louise Snow read the Christmas story from the scriptures and other stories were read by Marvin White and Mrs. N. Sinclair. Gifts in the form of canned goods were brought by the children and some members of the congregation. These will be forwarded to the Fred Victor Mission in Toronto. Mr. Neelon preached a very timely sermon and urged everyone to "Put Christ Back into Christmas" and approach the Advent season in the proper spirit.

The service of Holy Communion was held in St. John's Church on Sunday morning at 9.30. Previous to the service Mr. Maxwell had a radio set up in the church to enable the congregation to hear the

Bishop of Niagara Diocese in his annual address for the first Sunday in Advent. The address came in well and Mr. Maxwell was able to tape record it for the benefit of other churches in the parish.

Mrs. W. Walker and Mrs. Baily attended the Communion service at Normal last Friday morning which marked the 15th anniversary of Mr. Maxwell's ordination.
