**MACKENZIE NEWS**  
Tools make an  
ideal Christmas  
present for the  
Do-It-Yourself  
man. Many tools  
are inexpensive  
too but would de-  
light the heart of  
a mechanic.

A NEW COPING SAW costs . . . . . \$2.15  
PLANES cost from . . . . . \$2.90 to \$9.00  
SQUARES are from . . . . . 1.85 to \$3.20  
LEVELS from . . . . . \$1.45 to \$8.95  
CHISELS from . . . . . 85c to 1.50  
TROWELS from . . . . . \$2.10 to \$5.75

Maybe you would get that odd job done if your handyman had only the  
right tool to use.  
A fine present for all the family would be a table tennis set. Top and  
base fold up. Complete top and base, resin treated and painted would  
be \$43.20. Unpainted or untreated costs \$32.30 and top only \$18.60.  
Come in and see the tools we handle and new types of wall board and  
floor tiles available.
