CONSERVATIVES SCORE "FIRST" COVER CONVENTION BY RADIO

A committee to handle publicity on radio, TV and newspapers for Halton Progressive Conservative Association has been set up, consisting of John Sammons of Bronte, Brigadier James Roberts of Oakville and Leslie M. Clark, Georgetown. Their first effort was to arrange for as adequate coverage for the convention as possible.

The convention, held last Friday, scored a "first" when the Oakville radio station covered the event and took a tape recording of the entire proceedings. It was later broadcast and a rebroadcast made on Saturday of it. Both Mr. Best's nomination speech and his acceptance speech after his election were given in full.

This is the initial time in Halton that an event of this nature has been covered by radio.

NEWS AROUND THE ARENA

At a meeting held a week ago between representatives from Acton, Milton, Orangeville and Georgetown, it was decided to hold the all day tournament this year at Orangeville on Saturday, March 16th. It was also decided not to invite Brampton to participate because of the tremendous population spread between Brampton and the four other towns. A recommendation will be made to next year's committee to investigate the possibilities of bringing in a fifth town that has a population of a number to satisfy all concerned. This year Jim Ford and Dave Irons as manager and coach of the NHL All Stars (12-13 yrs.) have 18 players trying out for the 13 spots open on the team. Each boy has been told that 5 players must be dropped by tournament time or possibly before.

The players are: E. Pearce, G. Hillock, B. Hyde, W. Norton, E. McMann, B. Lewis, W. Carney, J. Richardson, J. Fiddler, R. Salter, R. Henderson, E. Wylie, K. Wood, D. Curry, J. Winfield, P. Popell, D. Ballingal, J. Pruneau, W. Presswood.

The American League All Stars (10-11 years) are also in capable hands with Jim Blair as manager and Bob McCandless and Jim Coffell looking after the coaching chores. The players trying out for the 13 spots are: W. Riddall, K. Morrow, J. Scott, M. McArthur, M. Korzack, J. Dixon, P. Marks, M. Marchment, L. Saunders, W. Hutchinson, J. Gudgeon, D. McKenzie, G. Cooper, J. Clements, P. Hale, F. Hills, T. Haines, L. Haines, G. Bairstow, W. Terry, R. Kemshead, J. Thompson, W. Dixon.

WHAT COUNCIL DID

Order Warning Signs For Dangerous Crossing

Requested by the public school board to take traffic safety measures for school children at the Main St. 5 and Maple Ave. intersection, council on Monday ordered warning signs erected on Main St. where it approaches Maple which is a "stop" street.

The board told council that there have been repeated requests from parents of children in that area who attend Wrigglesworth school. They wondered if consideration could be given to making the intersection a 4 way stop.

This found no favour with council who, on Cr. Ern Hyde's suggestion, decided to try the warning signs. He also suggested that shrubbery be trimmed on corner properties to give a better view for drivers, and this was turned over to the town engineering department.

When Cr. Fred Harrison remarked on the bad Maple Ave. Hill and absence of sidewalks for children to walk on, Reeve Allen got his ire up.

The reeve said he couldn't see taking all night discussing the problem.

"Our children reach school over railway tracks and via the busy 9th Line," said the reeve, who lives on River Drive. "There haven't been any accidents because we teach them to look after themselves. There are dozens of intersections in town just as dangerous as this one."

Road chairman Walter Gray explained that he has road widening and sidewalks on his committee agenda, but at the moment the warning signs are the best council can do.

"Some of the old councillors might think I'm asking ridiculous questions," said Cr. Harrison, who is a newcomer to council this year "but I want to do my job the best I can and I'll keep asking questions until I know the answers."

CANADIANS TOP WORLD IN TELEPHONE TALKING

For the fourth consecutive year Canada outranks all other countries in the number of telephone conversations per person, averaging 448 per capita. This is considerably above the United States, the second ranking country, with 409 conversations per person. Canada's calling rate is exceeded only in two U.S. territories — Alaska and Hawaii.

Canada again ranks third in the number of telephones in use. At the beginning of 1956, there were 4,149,300 telephones in service in this country, according to figures released by the Bell Telephone Co. of Canada. The United States had 56,243,200 telephones in service and the United Kingdom 6,878,500, at the same date.

In the statistics for the number of telephones per hundred persons, the United States leads the countries of the world with 33.7, Sweden is second with 30.4 and Canada third with 26.2. Nearly 75 per cent of the telephones in Canada are dial operated.

There were approximately 101 million telephones in the world at the beginning of 1956, or two telephones for every one in existence ten years previously. A person in Canada could call any of 97 million of the world's telephones located in more than 130 other countries and territories.

Leading city in the world for telephones in New York City, with 3,927,421 in service on January 1, 1956. Second-ranking city is Greater London, with 2,020,000 telephones in service.

In Canada, Montreal leads with 322,295 telephones, followed by Toronto with 449,534.

The information contained in "The World's Telephones," compiled by the American Telephone and Telegraph Company, requires about a year to tabulate from the reports of more than 250 governments and telephone companies throughout the world.

LORNE SCOTS 'C' COMPANY PARTY, ENTERTAIN GUESTS

Last evening the Lorne Scots Regiment (PD&H) "C" Coy., of Georgetown held a party in the Legion auditorium. The party had been arranged in December, but unfortunately had been postponed at that time, due to the date clashing with the local election date.

The commanding officer of "C" Company, Major Ted Conover, spoke a few words of thanks to the committee in charge of the arrangements, especially thanking the wives and ladies for the very excellent buffet supper served to the party and their guests. He also welcomed a number of local guests to the party.

The evening was spent dancing to the music of Doris Hulls and her Orchestra and lunch was served at the close.

Everyone present remarked on the wonderful evening provided by this very active company in our regiment.

FARM CLUB ENJOYS EUCHRE AND DANCE

The first 1957 meeting of Terra Cotta Farmers Club was held at the new home of Mr. Archie Fuller on the 4th Line, when members enjoyed an evening of progressive euchre and dancing. Mr. and Mrs. Alex Dolson and Mr. and Mrs. Don Dolson were hosts. Mrs. Jack McDonald and Art McKane were prizewinners at cards. Mrs. McDonald also won a travelling prize, and Tom Leslie won the other. Mr. Fuller and the Dolsons provided music for square dancing, with Stan Evans and Earl Cook as callers.
