News Around the Arena
The league has three more Saturdays to go before playoff time and the league officials have stated that all teams will participate in the playoffs. With the exception of one, Guelph in the Junior "A" League, all the teams appear to be fairly evenly matched as shown by closed scores recorded each week. Guelph team is made up of first year boys who are having loads of fun and are trying all the time but just don't have that extra something to win the game. Commissioner J. Bradley has sent them help with two second year boys but possibly if they had one more player they could become serious contenders in the playoffs. Have noticed these last few Saturdays that executive members Bud James and Chuck Tyler have had to do the skating and take over refereeing duties. Surely with the impressive line up of men Bill James has for referees that six of them could be on hand to help the boys each Saturday. What do you say, men, let's get on that phone and let the referee-chief hear that you will be there for sure. Last week was the Young Canada Week across Canada and a fairly large attendance was noticed at the Saturday morning games.

\$300 DAMAGE, CARS MEET AT INTERSECTION
Damage amounting to \$300 was sustained by two cars which collided at the corner of Victoria and John St. E. on Friday, Feb. 1st. No one was injured in the accident involving Clarence Valey R. R. 1 Georgetown and Brock Bradley of 33 Victoria St.
Mr. Valey, driving west on John, came to a stop at the intersection and thinking that a second vehicle approaching on Victoria was far enough away for him to proceed started to cross. Mr. Bradley in the northbound car applied the brakes on seeing the other vehicle pull out in front of him but the snow-covered road

surface made it unable for him to stop in time. His car took two thirds of the total damage.
The investigating officer was Cst. Nelson Trafford.
