LEGION NOTES

by Lee Clark
Georgetown was first in bowling a week ago Saturday in Acton. We didn't have it in the column last week because we didn't know about it until Monday night. Congratulations, boys.

The rooms were really humming last week for the industrial darts tournament. There seem to be more and more coming out for this event each week. With the crib and the darts certainly sports (in-door) are really going to town. We think the committee in charge are to be congratulated.

A letter from Earl Holmes, the sports congener, tells us that the next sports meeting will be in Milton on March 10th. Earl deserves a great deal of credit for the job he's been doing in sports in the zone. He and Alex Waldman are going all the time and both are conscientiously trying to do their best for the zone as a whole. He attended the district sports meet last Sunday, which was the same day as our zone meeting, so unfortunately we weren't there.

The zone meeting took place on Sunday last in Acton, with quite a number from town attending. It was opened by the president of Acton branch and turned over to the zone commander, after some words of welcome on behalf of Acton.

After welcoming the delegates a report of the last meeting's minutes were read by secretary Marsh all Timbers and correspondence was read.

Reports of the various committees and activities were given, and general business was discussed. A report was given for the sports chairman, who regretted his inability to be there, but hoped that the zone would approve of his activities in sports in the zone. The zone commander added that he felt the sports committee was doing a great job and should be given every cooperation.

On the poppy fund it was reported that a map was being drawn up of the zone and that when this was an accomplished fact, the poppy chairman would call a meeting of all poppy chairmen and thresh out the matter of boundaries. The meeting was reminded of the letter from the provincial command to attend a meeting with the LCBO officials on March 3rd to study rules and regulations and so that each group would know what is expected of them. The steward of each branch is attending this meeting from B7. A report was given about Erin branch, and it is hoped that the matter will be adjudged on the next executive meeting in Toronto and that the answer will be favorable about accepting Erin in our zone. Public speaking was discussed thoroughly. The draw was reported on and it was proven to be highly satisfactory, with an excellent profit given for the zone. All those who did such a grand job of selling tickets were thanked and it leaves the zone in a very excellent financial position.

At the end of the meeting the next zone meeting was set for Brampton, with the date to be announced later. Refreshments were served at the close of the meeting.

Be sure to get a ticket for the big Legion "do" coming up next month. It's going to be a combination of an "Old Timers' Night" and "Get Acquainted with the Legion" night, in an aid to spur our membership drive. It is hoped to have a dinner, and some real top notch entertainment. Arrangements are being made to see if we can obtain one of Canada's greatest soldiers to come and speak very briefly to the group. Oh yes, the executive tell us the evening will be "stag" so that every member may attend. It is hoped to have full details on this month's bulletin. We hope that when it materializes every member will make an effort to turn out and for heaven's sakes, you old timers, don't be afraid to welcome the new members. We think that is one great fault shared by all of us, when a stranger comes around. Instead of dashing over and saying hello, members usually huddle to themselves muttering "wonder if he's a new member?" Well, that's a h... of a good way to unmake a member, believe it or not. Just try it once with some chap sitting alone and we think you'll agree. We found that out a long time ago, in our travels throughout the zone, until we became known, and we sure everybody would appreciate a friendly hand, and it will do the world of good for the organization.

Over at the arena last Saturday morning, and were surprised to see a fair crowd of adults around. They seemed genuinely interested and were surprised at what we are accomplishing each week with youth work. We're going to stick our chins out and suggest to our hockey committee chiefs of staff, that they organize a "young Canada morning" some Saturday, and invite everyone out (they are welcome, every Saturday, actually) but this one Saturday really make an effort through phone calls and advertisements to get them out to see these "what actually happens" days.

Bridegroom Son of Former Georgetown

Standards of white misdragons and yellow mums decorated Manor Road United Church, Toronto, for the marriage of Kathleen Yvonne Squibb, daughter of Mr. and Mrs. William Harry Squibb, Aurora, to John Peter Kennedy, son of Mr. and Mrs. John Gordon Kennedy. Rev. Roy F. Hicks officiated. Given in marriage by her father, the bride wore an empire gown of delustrated white satin with a deep yoke of lace applique which was also used on the long sleeves and skirt. Her fingertip veil was held by a coronet of sequins and pearls. She carried white orchids and stephanotis. Attendants were Joan Richardson, Mrs. Carrie Lucas, and Mrs. Norma Howard. They wore ballerina-length gowns of twilight and forget-me-not blue taffeta with matching feather bandeaux and carried white fur muffs with yellow carnations. Grant Lennie was groomsmen. Ushers were Frederick W. Hill, Jr. and William C. Kennedy, Jr. Following the reception at Clarendon Hall the couple left by plane for Florida.

Mr. Kennedy is the son of Mr. and Mrs. John Gordon Kennedy and nephew of Miss Olive Kennedy, Miss Nell Kennedy, Croy Kennedy and Mrs. Jack Squires, all former residents of Georgetown. Mr. Everett Cole attended the wedding.

W.A. SERVES DINNER TO UNITED PRESBYTERY

The Woman's Association of St. John's United Church served turkey dinner with all the trimmings to members of Halton Presbytery who held afternoon and evening sessions at the church on February 12th.

Mrs. Harold Cleave was in charge of preparations and serving.

Chevrolet is famous for its winning ways. More people buy Chevrolet than any other car.

There isn't a car on the road can touch Chevrolet's record! That's because no other car has so consistently offered the styling, performance and dependability that make Chevrolet an unbeatable value year after year.

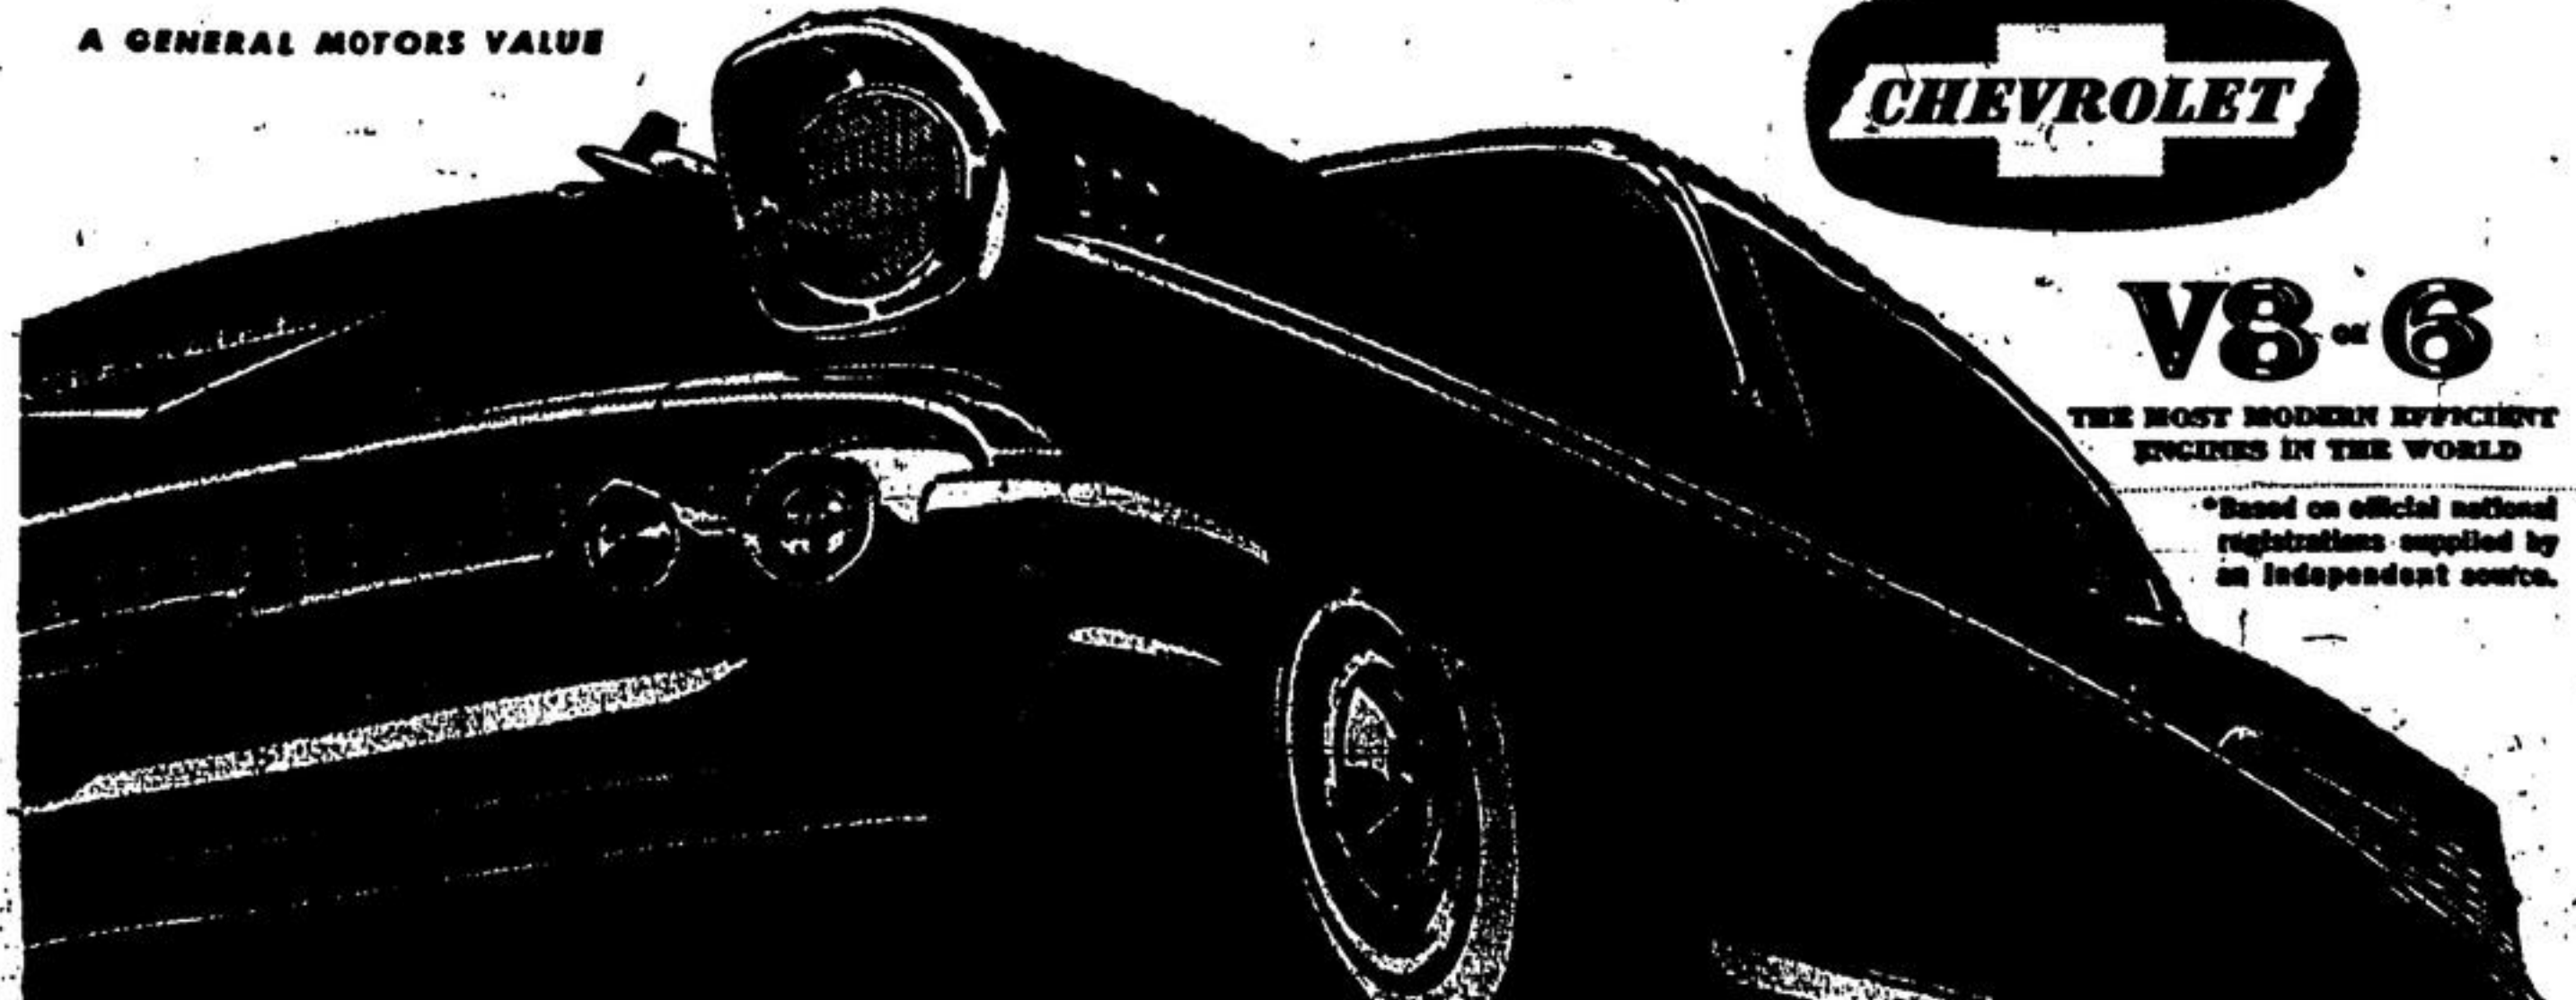

Again in '57 Chevrolet outclasses them all! Here's a car that loves to go and looks it! From bumper to bumper it has the sweet good looks and the fine-car luxuries of Body-by-Fisher that put fashion and function beautifully together!

Try it on the road! See how Chevrolet outsteps them all! Try

the smoothest, liveliest V8 or 6 you ever put a toe to. Try the most copied ride and handling on the road! (Glide-Ride suspension, Outrigger rear springs!). Far from resting on their laurels, Chevrolet engineers have made this beautiful ride even better for 1957!

Small wonder Chevrolet outsells* them all! More and more people are taking to Chevy's winning ways because they're finding that Chevy's value can't be beat! See your Chevrolet dealer now... see why Chevrolet outstiles, outsteps, outsells them all!
