CAR, TRANSPORT MEET AT TOP OF NORVAL HILL

A Richmond Hill resident, was fortunate to be able to walk away from the scene of a collision Friday night involving his small foreign made car and a heavy laden transport at the top of Norval Hill.

Joseph Machnik of Richmond Hill was driving east on the highway when he pulled out to pass a transport on the wide sweeping curve at the start of the incline. An oncoming westbound vehicle forced Mr. Machnik to accelerate in order to get by the tractor-trailer and resulted in his losing control in attempting to cut back into the eastbound lane.

The car went into a spin in the path of the transport. The truck driver was unable to halt his vehicle in time to avoid the collision and they both ended up in the south ditch. Damage amounting to over \$500 was sustained by the car, a 1955 Volkswagen, while the damage to the tractor-trailer did not exceed \$15. Cst. George Moore, Milton detachment OPP investigated the accident.

CARDS OF THANKS KEELER—I would like to thank friends, neighbours, relatives for their cards, flowers, telephone calls while I was a patient in Guelph General Hospital and since returning home—Mrs. Bob Keeler.

HAIRCUTTING

By Appointment To the editor: This appointment only, for hair-cutting is the result of many of my customers of the last 25 years requesting something of this sort to relieve the long delays in the barber shops. Therefore I have fully equipped a barber shop in the basement, side door and downstairs, not in any way in the house proper. Elderly people can enter by way of garage door entrance.

Appointments can be made for Fridays and Saturday by phoning TR. 7-3514, then be prompt to the set time, and you will have no waiting. Regular prices. Park Street is the street from Main to the Park gate.

Roy Magloughlen 29 Park Ave. Please note no "Mac" in my name. Look under "Mag" (Irish).
