Could you and your family live out of a suit case?

Not a bright prospect. But many families have to. For they discover too late that their fire insurance isn't enough to cover today's cost of rebuilding and refurnishing a burned-out home. Now is the time to bring your fire insurance up to date. See us.

NOTICE

REGARDING "THE MOTOR VEHICLE FUEL TAX ACT" EFFECTIVE APRIL 1, 1957, IN THE PROVINCE OF ONTARIO

On April 1, 1957, The Motor Vehicle Fuel Tax Act came into effect in Ontario. The Act provides for a tax of 20¢ per gallon on fuel oils, other than gasoline, such as diesel, domestic, furnace, light, medium and heavy (except bunker), used to drive a motor vehicle OR used in any manner in connection with the construction and maintenance of any public thoroughfare.

Fuel oils commonly known as STOVE OIL, KEROSENE, COAL OIL AND DISTILLATE ARE EXEMPT FROM TAX, unless they are placed in the fuel tank of a motor vehicle r used in any manner in connection with the construction and maintenance of any public thoroughfare.

CONSUMERS—Please note

A tax of 20¢ per gallon is payable by: Every person who receives fuel oil in the fuel tank of a motor vehicle.

2. Every person who receives fuel oil that is not exempt from tax in a receptacle of less than 40 gallons capacity, unless such receptacle is directly connected with a machine that is not a motor vehicle.

Example—The person will not be required to pay the tax on the fuel received in a tank which is directly connected to the furnace for heating his home; or, similarly, a manufacturer may receive the fuel, less tax, if it is placed in a tank directly connected to his manufacturing equipment.

3. Every person who is not a registrant (see Registration Certificates below) and who receives fuel oil in a receptacle having a capacity of 40 or more gallons, unless such receptacle is directly connected with a machine that is not a motor vehicle.

SUPPLIERS—Please note All suppliers of fuel oil must become registrants (see Registration Certificates below). Fuel oil may be purchased "less tax" by: 1. Any registrant who receives fuel oil in a receptacle having a capacity of 40 or more

gallons. Such a receptacle must not be the fuel tank of a motor vehicle. Any person who receives fuel oil in a receptacle directly connected with a machine that is not a motor vehicle.

Examples-Furnaces, manufacturing units, etc. Such a person is not required to become a registrant.

REGISTRATION CERTIFICATES Application forms for Registration Certificates may be obtained from the Comptroller of Revenue, Parliament Buildings, Toronto 2. A \$1.00 fee must accompany each com-

pleted application form. Every registrant must forward on or before the 25th day of each month to the Comptroller a return containing a complete record of purchases, sales, consumption and inventory of fuel oil for the preceding month, tegether with payment of the amount of tax shown therein to be payable. Forms for this purpose may be obtained from the Comptroller of Revenue, Parliament Buildings, Toronto 2.

REFUNDS

Persons who have paid tax on fuel oil that is not used to drive a motor vehicle or in connection with the construction and maintenance of any public thoroughfare may apply for refund of such tax. Application forms for this purpose may be obtained from the Comptroller of Revenue, Parliament Buildings, Toronto 2.

PENALTIES (IN PART) FOR CONTRAVENTION OF THE ACT

If any person not holding a Registration Certificate in good standing supplies fuel to anyone he will be required to pay a penalty of \$100.00 for each violation.

2. Every parson who falls to pay the tax in accordance with the Act shall pay a penalty equal to the amount of tax and \$50.00.

3. Every registrant who refuses or neglects to collect the tax in accordance with this Act shall pay a penalty equal to the amount of the tax that he refused or neglected

Every simployee of a registrant why supplies fuel to a purchaser without collecting from the purchaser the tax imposed by the Act shall pay a penalty equal to the amount of the tax and \$60.00.
