

PROGRESSIVE CONSERVATIVES HAVE A GOOD PROGRAM

THE Progressive Conservatives base their platform on the welfare of the people. They firmly believe that a Government's FIRST consideration should be the well-being of all Canadians.

To achieve this they propose to lower taxation to the point where it pays for government business without piling up multi-million dollar surpluses in Ottawa.

The Progressive Conservatives also contend that tax relief of industry is essential to assure business expansion and increased employment; that tariff protection for Canadian farmers would prevent dumping of U.S. products in this country; that municipalities should be given Federal aid to help underwrite the cost of unusually rapid growth, and that Canada's senior citizens should receive Old Age Pensions large enough to guarantee a comfortable living.

Those who say the Progressive Conservatives have no platform are talking through their hats. The Progressive Conservatives have a very good program, some points of which are mentioned above. When you vote Progressive Conservative on June 10th, you can be sure of a well-planned program that will be beneficial to ALL Canadians.

Your Sincerely,

Sandy Best

Your Progressive Conservative Candidate

Bradshaw Flowers New Business on Highway

A new Georgetown business was opened on Friday, when Bradshaw Flowers joined the local business scene.

The store, which will be operated by Mr. and Mrs. Tony Bradshaw, is located in the new Hunter Real Estate building on the highway near Normandy Blvd.

Every lady visiting the store on opening day received a rose as a souvenir. There were also door prizes, and Jan Metzer, of the Hunter staff, made the winning draws on Saturday. Those receiving prizes were Diana Greenwood, Main St. N., George C. Brown, Norval, Alleen Bradley, Victoria St., Mrs. Peter Franden, Ontario St. and Mrs. Steen, Strathville.

The Bradshaws, who came to Canada three years ago from Leicester, England, have been employed since then with the Brampton Floral firm of Walter E. Carter. Both have had prior business experience in England. They make their home on Guelph St. East. Associated with them in business is a cousin, John Bradshaw of Willowdale, well-known for his radio talks and newspaper articles on horticulture.

ASHGROVE

SCHOOL CHOIR FIRST IN MUSIC FESTIVAL

Another terrible disaster has hit our community — we all sympathize deeply with Mrs. Ward Rudell and Fred in their great loss. At present Fred is in Hamilton Hospital with a recurrence of his leg trouble. We all hope for better things for him.

Mrs. George Nurse, Mrs. C. R. Dick, Mrs. Leslie Giffen, Mrs. Clayton Wilson, Mrs. Thos. Giffen, Mrs. Thomas Blackett, Mrs. Vern Pickett, Mrs. Frank Wilson, and Mrs. John Bellbody attended the twenty eighth annual meeting of Halton Presbyterial of the WMS in St. John's United Church in Georgetown on April 10th and enjoyed the address by Mrs. John McKillop, Dominion Board president, Toronto at the afternoon session.

Congratulations to our school choir who came first in the finals at the music festival last Friday.

Mr. and Mrs. Howard Bird and ther was anything but nice, but west are visiting Mr. and Mrs. Wilfrid Bird and family.

Mr. and Mrs. James Bird from out Mr. Len Coxie had a very successful sale last Saturday. The wedding was held in the afternoon. Surely once Easter gets over we will get spring weather.

Carol and Barbara Deforest of Georgetown spent the week-end with their cousin Nora Barnes.

STEWARTTOWN

SOLOIST AND TRIO ARE FESTIVAL WINNERS

The school music festival was held last Wednesday in the community hall here. Congratulations go to S. S. G for taking first place with their choir, also the double trio and to Chris Canham for first in boys' solo. In the finals on Friday Chris again came first and the double trio was again successful. There was so much good singing that it was often difficult to choose the best. We extend congratulations to the winners and to all those who competed for the pleasure it was to listen.

Junior W.A. was held last week at Mrs. Baily's home. Shirley Greenwood chose the hymn and conducted the worship service. The Friday pledge was remembered; the Japanese and Chinese in British Columbia. The busy period was occupied with work on a cot quilt.

Happy birthday to Susan Canham whose birthday was on the 15th, and to Carol Devereaux on April 23rd.

St. John's Guild meeting was at Mrs. Manley Densmore's home last Tuesday evening. Plans were made to hold a lilac tea in the hall on Thursday afternoon, May 23rd.

Easter services at St. John's Anglican are: a service Thursday at 8 p.m.; Good Friday afternoon at 3 p.m.; Easter Sunday, Holy Communion at 9 a.m. and a choral service at Norval with the combined choirs. After Easter the service time for St. John's will be changed to 9:30 a.m. Sunday mornings.

Jack Henry, Oakville Federal CCF Choice

Jack Henry, a resident of Halton for ten years, was nominated as federal candidate for the CCF Party, at a convention in Georgetown last Thursday. He will contest the June 10th election against at least two other nominees, Kenneth Y. Dick, Milton, who will carry the Liberal banner, and Sandy Best, Georgetown, Progressive Conservative nominee.

Mr. Henry is an executive member of the Halton CCF association, recording secretary of the Oakville Carpenters Union, a delegate to the Toronto and District Council of Carpenters, a leading member of the Oakville Toastmasters Club and vice president of Oakville and District Labour Council.

Others nominated at the meeting who declined in favour of Mr. Henry were Neave Stan Allen of Georgetown; Fred Hise, Georgetown; county organizer and Ron Whitlam. Neave Allen contested the seat in Halton at the last federal election.

In accepting the nomination, Mr. Henry said that if he is elected, he will, through CCF policy, try to provide a better way of life for the people throughout Canada. In his speech he dwelt briefly on the matters of old age pensions, education, automation and the effects of the tight money policy upon the workers.

LIMEHOUSE

Fred Ruddlel-Hospital After Farm Fire Injury

We all regret very much the loss by fire early Wednesday morning of the barns and livestock belonging to Mr. Fred Ruddlel. We hope that he makes a speedy recovery from a leg injury received during the fire. He was taken to hospital in Hamilton soon afterwards.

Mr. A. C. Patterson flew to Chicago on Saturday where he met his mother who has spent the winter with another son in Texas.

Mrs. Patterson and Joy visited at Weston over the week-end.

Communion services at Limehouse Presbyterian Church on Sunday were well attended. Miss Margaret Law of Brampton sang during the offering.

Mrs. Cameron of Kirkland Lake is visiting her daughter, Mrs. Quibell and family.

Jimmy Ruddlel is making satisfactory progress following an appendectomy in St. Joseph's Hospital, Guelph, on Friday.

Save Stump Fence In Glen Grass Fire

After making sure that no further damage would be done firemen had to let a grass fire atop the old school hill in Glen Williams burn itself out since soft ground made it impossible to take the truck anywhere near the blaze.

The fire broke out at the foot of the hill at about 3 p.m. Monday and raged towards the top in a matter of minutes, igniting two large old stump fences in the process.

Once the sections of the stump fences caught fire it looked like the whole length of fence would go, however a Glen Williams resident, George Inglis, used his tractor to pull the burning stumps away from the rest of the fence and managed to save a large portion of it.

Almost the entire south side of the hill was blackened by the blaze.

FIRST BAPTIST CHURCH
