**CHOICE BUILDING LOTS**  
IN VARIOUS GEORGETOWN LOCATIONS

**NONE LEFT LIKE IT!** If you want to build a quality home in old Georgetown, in a first class residential district, this lovely, wooded double lot is your answer. Situated at the corner of Edith and Maple, it is in the midst of a number of beautiful new homes, in a quiet neighbourhood, yet centrally located.

**A SPLIT LEVEL HOME** could be built on another wooded lot on Market Street, which has 90 foot frontage. It is beside a group of newly-built homes.

**SWIMMING POOL NEARBY.** One of the last lots in the Victoria Crescent subdivision. The community swimming pool is there for your family's enjoyment, schools are close and so is shopping.

**TWO BUILDING LOTS** on Water Street, backing the Main St. Shopping area. There are several new bungalows nearby, and little traffic to bother you.

**ONE BUILDING LOT** on John St. E., convenient to all Georgetown industries in one of the last un-built town residential sections.
