WHAT COUNCIL DID

Another Public Meeting Before **Zoning Finalized**

say before final action is taken by council on a zoning plan for town. On Monday, the Planning Board met with council to present a re- Rand. vised zoning map which appeared Some changes have been made in her brother and family, Mr. and Mrs. George Hanna. zoning disputed areas, with some Mrs. Bert Crone and their sons now roned as agricultural land. end. The future of these areas will be guided by growth of the town.

The meeting was marked by criticism by Cr. Alfred Sykes, who said council's town planning committee should have been first consulted before any general discussion was held council. As a member of that committee, he said he was critical of Deputy Reeve Doug Sargent, who is committee chairman, for not consulting his committee.

Planning Board had been appoint- home with them. ed to do the job and had quite properly brought its report to hamer and son Jimmy were here council without prior consultation for Easter from Ottawa, visiting ane, Market Street, are visiting with a committee. He likened the with his parents, Mr. and Mrs. E. board to such bodies as the parks, B. Council on Monday accepted a \$2172 tender for constructing chlorinator building and retention tank at the sewage disposal plant. Awarding of the tender, lowest

Young Baptists from several of three received, was disputed by Cr. Fred Harrison, who said quite a proportion of the town's business has gone to the Rex Heslop Homes Ltd. tendering firm. His suggestion that the next tenderer, who was some \$200 higher be given the business session, films, play and job found no support among the other councillors.

Brampton YPU conducted the Mayor Armstrong said that council tries to distribute business various businessmen, but he could recall no case where a tender has not gone to the lowest bona fide local tenderer. Cr. Harrison's argument that

> because of the size of the Heslop firm, they can underbid on small jobs was criticized by Reeve Al-"The biggest firm can't always

> give the lowest price" he said. The reeve also pointed out that in the interests of all ratepayers, when a tender is called it must be awarded to the lowest bidder, providing his reputation is satisfactory.

> Council ordered a radio tower installed by Hosek TV at the fire hall. The \$225 tower will transmit for the planned 2-way police radio system.

Receiving a letter from Crown Attorney Lloyd Dingle that henceforth the town will pay a fee for each case in which he appears, Mayor Armstrong suggested that the town investigate the possibility at the same time of charging his province for use of the council chambers as a court room.

"I don't think we will have much luck" was Reeve Allen's opinion. He said Oakville had asked a fee and was told that
