Harry Savings, secretary of the cemetery board says no immediate plans are being made to formally incorporate the new land in the cemetery proper and the former owner will be allowed use of it for garden. When it is eventually absorbed into the cemetery, the land will be landscaped similar fashion to the rest of the cemetery. A portion of the new land will be allotted to the Roman Catholic burial ground as an extension of this division of the cemetery.

Ernie Currie President Georgetown Curling Club

Last Thursday evening the Men's Division of the Georgetown Curling Club held their annual banquet and election of officers, in the Odd Fellows Hall on Westman Street. The ladies' division catered to the delicious and hearty roast beef dinner for the fifty men and their guests. Officers elected for the 1957-1958 season are: President, Ernest Currie; vice-president, Clifford Burt; secretary, Don Wingrove; treasurer, Dick Licata. The chairman of the games committee is Ted Bludd and Sam Mackenzie will do the honours as chairman of the reception committee.

During the business portion of the meeting it was also decided by the both clubs to purchase jointly with the Arena Board an ice-planer for the arena. This planer will be much appreciated by everyone using the ice surface at the arena since it will eliminate all the small bumps and bits of roughness on the surface of the ice.

Urges Consideration Training School Boys

Speaking at the morning service in St. George's Anglican Church on Sunday, Victor Gunn, who is probation officer at the Brampton Training School asked for kindness and consideration for young men who had paid their penalty for law infractions.

Successful re-establishment depends not only on the man himself, he said, but on the home surroundings and the job which he secures. He asked his listeners to examine themselves as professing Christians, and not to turn their back to a person who has made one error, lest they push him into others by forcing him to associate with bad companions.

The service was the annual one which the men of the church conduct as a feature of St. George's Day. Also taking part in the service were several members of the Brotherhood of Anglican Churchmen including president Ken Robertson, Clare Francis, Bruce Harding, Logan MacDonald and Jack Woodes.

At 8:00 a.m. the men attended their monthly corporate communion and breakfast meeting.
