### Future W.I. Meetings Will Be in Knox Hall

The regular monthly meeting of Georgetown Women's Institute was held on May 1st in St. John's Church ladies, parlour. Mrs. Dan Livingstone took the chair and con-ducted the installation of officers who are; honorary president Mrs. Frank Petch; president, Mrs. 'V. Rawson; first vice president, Mrs. Ernie Pearce; second vice president, Miss Jean Adams; district dir ector, Mrs. Frank Petch; pianist, Mrs. R. T. Paul; press reporter, Mrs. Albert Livingstone. Mrs. Livingstone also installed the conveners of other various committees.

Roll call was answered by the giving of receipts to those who had paid their dues. Carol McGil-vray, daughter of Mr. and Mrs. Garfield McGilvray, sang the solo which she had sung at the music festival. Minutes and correspondence were read and dealt with and the treasurer gave her report. A communication was read regarding the dinner and meeting to be hold in the Trafalgar Hall of the Halton County TB and Health Asso ciation, two members were appointed to attend.

The extension course was discussed but it was decided to leave it over for the June meeting. Mrs. Wm. Sinclair gave a report as Group Secretary of the Co-Operative Group Insurance and reported a meeting is to be held at Frank Wilson's, Ashgrove, on May 9th

Mrs. Howard Wrigglesworth sang the beautiful solo "Open the Gates of the Temple" accompanied by Mrs. Morgan McFarlane. Mrs. O. M. Brewster was the special speaker for the meeting and her talk on her stay in India was most interesting.

The president, Mrs. V. Rawson reported that the Sunday School room of Knox Church had been obtained for the regular Women's Institute meetings. Delegates to District Director Mrs. Frank Petch Mrs. V. ## Don't be an easy mark for burglars!

Burglars are always on the watch for tell-tale signs that you're away. Suppose they break in?

Furs . . . clothing . . . jewelry . . . typewriter . . . radio . . . appliances and other belongings (your belongings!) would soon have other owners.

Take common sense precautions when you go away. Most important, make sure your personal belongings are well protected with insurance . . . at home and away.

# THE NEW HOLLAND HAYLINER 68

## HERE AT L'AST IS BIG BALER CAPACITY AT SMALL BALER PRICES.

Bales like a dream, handles like a breeze. Gives you all the capacity you want, and more. Lets you make better bales of higher quality hay.

BIG 56-INCH WIDE PICKUP takes heavier windrows with ease. Sweeps your field clean. Twenty-four spring mounted teeth give you 20% more effective pickup area. Glides over ridges, dips into low spots without biting dirt.

FLOW ACTION FEED builds bales scientifically. Exclusive with New Holland, this all-new baling action measures hay into the bale chamber. Spring-loaded feeder times, mounted on a continuous roller chain, hardly disturb a leaf. Flow Action distributes material to form an engineered bale ... built for modern handling, storage and feeding.

2 Young Street

TENSION TYING assures precision packaging of your hay. Newly designed needles hold the hay tight while knot is tied. But the baling action never stops. New cam action precision releases twine at just the right instant for best tying. No tearing. No strain on the twine.

If you make hay the modern way YOU'LL DEMAND the HAYLINER 68 Be first to try the newest! ARRANGE AN EARLY BIRD DEMONSTRATION.
