NINE TABLES PLAY  
AT FIREMEN'S W.A. EUCHRE

A euchre party under the auspices of the Firemen's Ladies' Auxiliary was held in the fire hall on Tuesday, April 30th with nine tables in play.

First prize winner was Bill Hyde, 2nd Mrs. Norm Snyder and 3rd Mrs. Hayward. The consolation prize went to Mrs. Cliff Stacey while Mrs. Sol Dewhurst won the door prize.

After cards a delicious lunch was served by the Auxiliary.

SENATOR ROSS MACDONALD was an honoured guest at the reception held Saturday for Halton's Liberal candidate Kenneth Y. Dick in Milton. Here the Senator is being welcomed by hostess Mrs. F. S. McQuat.

### Soil, Crop Association Sets Projects for 1957

During the past two weeks the 1957 programme of the Halton Soil and Crop Improvement Association, got off to a good start.

Those initiated included the following:

1. Photostated manure test on silage corn — farm of R. C. Alexander at Ashgrove.
2. Replicated variety test with six varieties of oats; six varieties of barley plus two of mixtures; i.e. Garry Oats and Brandt Barley and the other Rodney Oats and Herta barley. This involved a total of 56 small plots on the farm of John Muth near Ash.
3. Variety test of 1/4 acre blocks each of Garry; Rodney, Simcoe, Beaver, Erban and Clintland — farms of W. H. Biggar and Son, Oakville; Mac Alexander, Norval; E. R. Segsworth, Burlington and H. Craig Reid, near Lowville.
4. Variety test with Alfalfa, farm of Fred Nurse, Ashgrove.
5. Variety test with red clover, farm of E. R. Segsworth, Burlington.
6. Long term pasture demonstration, farm of Edgar Everett, near Ashgrove.
7. Sponsorship of two 4-H Clubs — one with Sebago potatoes and

the other with Garry Oats. In connection with the 4-H Potato Club, each of the 14 members has been assisted in securing one bag of Foundation A. Sebago seed potatoes. In addition each club member is being provided with a bag of 4-12-10 commercial fertilizer by the Halton Soil and Crop Improvement Association.

### Amb. Vol. Hear Talk By Defence Coordinator

An address on the civil defence of Halton County by Lt. Col. John R. Barber highlighted the regular monthly meeting of the Georgetown Volunteer Ambulance Service held in the Harrison Public School last Thursday, May 2nd. Lt. Col. Barber was the guest speaker at the meeting and mentioned the possibility of G.V.A.S. being intricately tied to the civil defence program. Due to the resignation of the service captain, Ed Hall was elected to the position of lieutenant. Three new lieutenants, Gene Green, Keith Macdonald and Gord Graham were also named. Two films donated by the John Labatt company were shown before the meeting was adjourned. The next meeting will be held at the school June 6th.

"I'm switching to to GAS heat now when fall comes I'll Be All Set!"

## THIS IS A GOOD TIME TO CHANGE TO CLEAN GAS HEAT

NOW IS A GOOD TIME FOR YOU TO SWITCH TO AUTOMATIC GAS HEAT. YOU CAN HAVE A WINTER AIR CONDITIONING UNIT OR YOUR PRESENT FURNACE CAN BE CONVERTED QUICKLY TO THE USE OF GAS.

### JOIN THE SWING TO GAS HEAT

DON'T WAIT . . . JOIN THE BIG SWING TO CLEANER GAS HEAT NOW AND ENJOY THE BEST-FOR-LESS. WITH GAS HEAT YOU NEVER PAY ANY HIDDEN COSTS. NO EXPENSIVE SERVICE CONTRACTS! NO COSTLY REPAIRS!

# More muscle...

Bring on the hills! An easy, easy pressure of the toe, and up you go... the grade just doesn't exist that can make a '57 Chevrolet falter. Come on in and sample the lift, the incredible liveliness, the big reserve of safety power that Chevy's super-efficient V8's and 6 deliver! It's a wonderful feeling! But, then, nobody in the low-priced field builds such tireless and resourceful engines.

A GENERAL MOTORS VALUE

# more hustle...

Try this. When that light flashes green, open that Chevy up a little. There's astonishing zip to the get-away of this most spirited of all Chevrolets! See how many higher-powered cars get that familiar view of Chevrolet gliding sassily away from them! You'll love it — the quiet, velvety eagerness of the '57 Chevrolet. Vim, vigour... famous easy handling... and the lustrous beauty and good taste of a genuine Body by Fisher masterpiece! That's Chevrolet for '57, the big best-seller! See your nearest Chevrolet dealer.

### Scout News

By T. Forgrave  
The annual variety concert was held in the St. John's church hall on Thursday and was as usual a big success. This year the boys put more work on the program than in former years and a good deal of credit goes to Steamer Emerson and Mr. and Mrs. Geo. Glassford who contributed greatly with work and time.

Milton were the winners of a Scout hockey tournament which was played off in town on April 13th. Georgetown were put out by Acton in the first meeting on goals by Ridley (2) and Lindsay (2). Pruneau scored twice for Georgetown.  
Milton 'A' beat Milton 'B' 5 to 2 in the second game and in the third encounter Acton had little trouble in downing Erin 7 - 1. Lindsay paced the scorers with three and McDonald, Lawson, Ridley and Marks also found the target. Erin's lone tally came off the stick of Barber.  
Milton blanked Acton in the final 4 - 0 to take the championship. Currie with 2 and Dewhurst and Slessor were the Milton scorers. Many thanks to Bill James, Roy Ward, Doug Norton, Joe Dwyer, Frank Connelly and Ed Pries for their help during the morning. Also thanks to the Ladies' Auxiliary for supplying hot dogs, etc. after the games at the church hall.

Congratulations to (1) Rex Heppel who has been promoted to Senior Sixer in the "B" pack and received his second star; (2) Tom Forgrave who passed his Queen's

**Gold Watches Donated Pasture, Grain Corn**  
— J. E. W.

In order to focus attention on the importance of pasture on Halton Live Stock Farms and corn as a grain crop, two Halton firms are cooperating with the Halton Soil and Crop Improvement Association in sponsoring a competition with each of these two important crops.

For the third consecutive year the Milton Milling Company will award a gold watch to the Halton farm operator who can come up with the top yield of Grain Corn. Certainly on the lighter, more loamy soils in the county, where fall plowing is not essential, grain corn is worthy of consideration. Even in 1956, when weather conditions were adverse to getting the required maturity, the 19 competitors averaged over 70 bushels of shelled corn on a 15 per cent moisture basis. From the standpoint of digestive nutrients to the acre, there is little comparison between grain corn and either oats or barley. Furthermore, the crop can be utilized either for live stock feed or as a cash crop.

In the pasture competition, the first prize award of a gold watch is being offered by the Halton Co-operative Supplies. The importance

of plenty of good pasture can not be over emphasized on a live stock farm. Whether a beef or dairy operation, it is the production made on grass which makes the profit. In the case of the pasture competition, the competitors entire pasture program will be considered and this will necessitate three inspection visits during the season. Announcements and entry forms for both competitions will go out to all members of the Halton Soil and Crop Association during the next two weeks.
