Name Peter Canham, Barbara Alcott Best High School Cadets

Lt.-Col. J. R. Barber is Parade Inspecting Officer

Cadet Capt. Peter Canham was officially named best cadet on Tuesday, May 28th when he was awarded Lt.-Col. J. R. Barber's Best Cadet Trophy at the annual Georgetown High School Cadet Inspection and march past held in the park.

The Pipe Band of the Lorne Scots played during the inspection of the ranks and led the parade past the reviewing stand. Lt.-Col. Barber and Lt. D. S. Morrison, CD, Oakville H.Q. made the inspection with instructors Captain A. C. Prouse, Lt. C. A. Teeter and Lt. G. B. Armstrong. Cdt. Majors Doug Wrigglesworth and Barbara Alcott accompanied them.

Major Alcott later commanded a Girls' Precision Squad in a drill exercise in front of the grandstand displaying drill movements in the slow and quick march. In the field demonstrations a cadet rifle group under Cdt. Lt. Tom Barber exemplified firing from lying, kneeling and standing positions. A Bren Gun crew under Cdt. Lt. Earl Little went through the operations of loading and firing. Blank cartridges were used in both demonstrations.

The basic use of these weapons was displayed in field craft exercise staged on the track infield. During the mock raid the Bren was used as cover fire for the rifle squad whose objective was an imaginary enemy position opposite the grandstand. Cdt. Sgt. Michael O'Brien commanded the mortar demonstration which perhaps attracted the most interest since it employed the mortar carrier tank-like device used to transport the heavy weapons. A signals crew under Cdt. Lt. Robert Hooper was in operation during the demonstrations.

Cdt. Capt. Canham received his trophy at a presentation ceremony in the armouries. Other awards and their recipients were General Proficiency Trophy (2), Cadet Lt. Tom Barber; General Proficiency Trophy (3) Cdt. Major Doug Wrigglesworth; Honourable Mention Medal, Cdt. Sgt. John Cummins and Cdt. Sgt. Roland Hancock. Plaque and Trophy for Best Girl Cadet, Cdt. AT LEGION HALL THURSDAY NIGHT

Just returned from speaking to a number of groups of the American Medical Association in the United States this week is Dr. Charles Best. The famous co-discoverer of insulin is shown in the above picture, relaxing at his son's home, on the outskirts of Georgetown, Greenock Farm.

Dr. Best spends much of the time he can spare away from his post as head of the world-famed Banting - Best Institute of Toronto, in various cities of this continent and in Europe, following a formidable lecturing and speaking tour to the various world medical associations.

In fact, he plans to leave soon to speak in front of the Osler Society, in England. This society was named after the world famous Sir

William Osler, who became famous as a clinician in Canada and the U.S., before settling in Great Britain. Sir William, too, was a Canadian, born at Bondhead, and spent a great deal of his life in the U.S.

He is remaining in Georgetown for the local wind-up of his son Sandy's campaign, on Thursday evening, June 6th, in the Georgetown Legion Hall, and hopes to renew many old acquaintances, with people he knew so well when he lived at the golf course, working his way through medical school in the summers after his return from the war of 1914-1918. He was a member of the theical ball team of that era, playing with such well known Georgetown district people as Bob McMenemy, Mike McGill, George Arnold and the late P. F. Blackburn.
