Conservatives Criticize Polling Booth Location

Last Thursday evening the Progressive Conservative party gathered at their committee rooms, to finalize plans for election day and to discuss the campaign waged by their candidate Sandy Best in this county.

Scrutinizers and other workers for June 10th were appointed and the envelopes with the candidate's brochures and party platform were filled for mailing in town.

In reviewing the local situation, the president, Les Clark said he felt that in practically all cases, the enumerators of both parties were to be congratulated on a pretty fair job. They had conscientiously tried to get every name and there had been very few complaints from people missed. However, he did feel that the local Liberal organization had shown a callous indifference to the general public in their location of some polling booths. Mr. Clark cited one case in particular, where the residents of Normandy Boulevard and district were being forced to come the mile and a half to Main Street to vote at a polling subdivision only a couple of yards from the cenotaph, which marks the absolute north western boundary of the polling division. He felt that at the very least, the division could have been divided, with a booth in the eastern end of the town.

There had been at least half a dozen other suitable sites available in a central spot and quite a number had mentioned their willingness to him to use their homes for a polling station. He went on to say that however

HOLD OPEN HOUSE FOR NEWLYWEDS

Our community extends their sympathy to the Currie family.

Lynda and Susan Leslie, daughters of Mr. and Mrs. Hugh Leslie visited over the week end with Mr. and Mrs. Spencer Wilson and family.

On Wednesday evening the Swine Club held their meeting at the home of the club leader, Mac Alexander.

On Wednesday afternoon and evening Mrs. Harold Smellie held Open House in honour of Ina Webb who married Jackson Reed on May 25th.

On Saturday the Alexanders took a load of goats to the field day at the O.A.C., Guelph for judging. Lynn and Bruce Brown of Piengrove motored with them, also Mrs. Pierson of Silvercreek.

Mr. Oral Evans of Montreal had dinner with the Alexanders on Sunday.

DON'T FORGET to vote for the candidate of your choice in the federal elections next Monday, June 10th. Voting is one of the most precious privileges of democracy.

The Conservative association would do their best to see that voters got to the polls and would have cars at the public's disposal. Anyone wishing a ride had only to dial TR. 7-2238 or 7-2239 and they would be picked up regardless of party affiliation.

In conclusion, all those who had helped, and offered help in the campaign "to keep Halton Conservative" were thanked for their assistance.

GLAMOROUS AERIAL performers and uproarious clowns are all part of the circus tradition, and they will be here in plenty when Garden Bros. big show comes to town June 13th. The Lions Club is sponsoring this first visit of a circus in most residents' memories and it promises to be one of the biggest attractions in local history.

Pipe Passengers Aboard First Vancouver Flight

The first non-stop flight of the DCA 63 passenger "Pacific Mercury Super Constellation" got off to a flying start on Sunday, June 2nd, when the Georgetown Girls Pipe Band piped the passengers on board the plane. Just eight hours and 2300 miles later the pride of the TCA swished down on the tarmac of Vancouver's International Airport.

Mrs. Jean Newman in her capacity as president of the Toronto Council signed a giant poster reading "Greetings from Toronto to Vancouver, first non-stop flight—eight hours." This was presented to the Mayor of Vancouver, Fred Hume, as well as a cigar and lighter, the gift of the City of Toronto, by the Pacific Mercury's Captain Ray Cartwright.

This inaugurated a daily schedule flight non-stop Vancouver to Toronto and on to Montreal. The first flight in 1939 took 16 hours and 5 minutes. After eight ceremonies were completed the Pipe Band Girls were entertained at luncheon in the Airport dining room.

GUIDES HAVE SELL-OUT SUCCESSFUL COOKIE DAY

Can you imagine nine thousand, three hundred and sixty cookies together, or in other words seven hundred and eighty dozen of them? Can you imagine the effort it would take to dispose of that many? It was indeed a major project undertaken by the Guides and Brownies in the district comprising Georgetown, Glen Williams and Norval.

The girls were divided into groups comprising a Guide and four Brownies each and they canvassed the district on Friday evening and Saturday of last week. The young ladies were well received everywhere and could have sold many more dozen cookies had they been available. They hope to repeat their effort at a later date.
