

ST. ALBAN'S PLEDGES TOTAL OVER \$20,000

A successful stewardship drive among members of St. Alban's Anglican Church, Glen Williams, has resulted in pledges totalling \$20,237 for the building fund.

The drive was aimed at strengthening the parish budget, which was considerably below the pre-war level and had not risen with the cost of living, to create a greater sense of stewardship within the congregation; and to prepare for the time approaching when Glen Williams will be separated from the present St. George's parish with which it has been associated since its establishment. It is a major step in the history of the 58-year-old parish.

Pledging of over \$20,000 exceeded the original goal for the building fund and it has been agreed that the future building goal objective will be \$25,000. Pledges, which run for a 3-year period, for building fund and parish budget received to date total \$20,117.

In 1954, total receipts of the church were \$1,850 and the church had an indebtedness of over \$700.

The campaign was sparked by an enthusiastic group of men who worked on canvass teams and organization, with the church ladies acting as hostesses and lending to other arrangements. Roland Haines was general chair-

man; team captains, H. F. Beaumont and Thomas Hill. Members of the teams were R. Haines, J. Lucas, J. Haines, W. Korzak, and H. Tracey, A. Beaumont, D. Townsend and H. Lorrman.

A loyalty dinner, held in Esqueving Township Hall, Stewartstown, with turkey dinner served by the Ladies' Guild of St. John's Anglican, launched the campaign. Sixty-three members of the church attended. Arthur Beaumont presided and made some interesting remarks regarding the campaign.

H. F. Beaumont gave a history of the church, tracing its development from the time the congregation worshipped in the public school, the town hall, and the parish hall to the present church when the cornerstone was laid by the grand master of the masonic order. He dealt with other historical matters up to the present day.

William Korzak spoke on the present needs of the church and the general canvass plan was detailed by Roland Haines while Henry Lorrman outlined the method of pledging to the budget and building fund.

Rev. Kenneth Richardson summed up the program, pointing out that any operation must be one of spiritual emphasis and in the faith of God. A number of special services were held, morning and evening in the church during the intensive part of the campaign.

Circus Parade Route Set Big Top Comes June 13

Visit of Garden Bros. circus next Thursday, June 13th is an eagerly anticipated event among children of all ages — and when it comes to circuses there is no age limit when childhood ends.

The Lions Club is sponsoring the first appearance of a circus in Georgetown for over a quarter of a century. Organized twenty years ago as an indoor circus, it is touring under the big top for the first time this year. Georgetown is one of its 100 dates in Ontario and Quebec, after returning from showing in Bermuda.

Garden Bros. is featuring the Royal Inca Performing Llamas, a herd of elephants, as well as the clowns, aerialists and 20 other exciting displays.

A feature of the day will be a big parade, which will start from downtown promptly at 12.30. It will proceed up Main Street hill to the cenotaph corner, then down No. 7 Highway to the circus location on the 9th line two blocks south of the highway. There will be two performances, at 2.30 p.m. and 8.30 p.m.

The Lions Club gets a share of all advance ticket sales and is conducting a selling "blitz" Monday night.

Liberal Candidate Piped to Meeting by Girls Pipe Band

Kenneth Y. Dick, Halton's Liberal candidate in the coming federal election, was given an wonderful ovation on Monday evening when he and Mrs. Dick made an official visit to Georgetown. The candidate and his wife were met at the high school grounds and piped to the Legion Hall by the Georgetown Girls Pipe Band, where a large crowd was on hand to greet him. Mr. Dick rode in an open car and greeted his many friends along the way.

At the Legion Hall a large gathering had assembled for the eucbre party and dance. Maurice Manderson acted as chairman for the evening. Prize winners in the eucbre were Mrs. Jim Cunningham, J. J. Atchinson, Mrs. S. Robin, Starret Leslie, Mrs. Roy Wiggins and Fred Helson.

A delicious lunch was served by the ladies of the Legion Auxiliary, after which W. G. Marshall introduced the candidate. Mr. Marshall outlined many of the fine qualities of Mr. Dick, and gave a resume of the many years of public service he had rendered to his home town of Milton, the county and his country. He said Mr. Dick was no stranger to Georgetown for he attended school here in his younger years, and had visited his aunt, Miss Georgina Young when she taught at the public school. His father, W. I. Dick had been crown attorney for this county for many years and was well and favourably known.

In a short address, the candidate said he was campaigning in this election on the record of the Liberal party over the past twenty years, and on his own experience as a public servant in this county. He had served on the town council of Milton, the county council as warden, chairman of the school board and other various bodies, and that his work entailed considerable work through government channels which gave him the insight into the higher service for this county. He promised that if he was sent to Ottawa on June 10th that he would endeavour to be the best representative this county ever had. He felt certain that the Liberal administration — who had given Canada the finest government they have ever had — would be returned on June 10th, and hoped Halton would have a representative on the gov-

ernment side of the house this time.

Dancing concluded the evening with music supplied by Doris Hulls Orchestra. Howson Ruddell was floor manager.
