HORNBY

MAKING IMPROVEMENTS TO HORNBY COMMUNITY PARK

The Hornby Community Park will be a busy place this week. It has been arranged to have the driveway and parking lot stoned and the flower beds planted. The new fence has been completed around the park and picnic tables are on the grounds. The board hopes to have the grounds suitable for picnics in the near future.

Mr. and Mrs. Robert Pettress celebrated their fiftieth wedding anniversary on June 5th.

Little Valerie Ella celebrated her second birthday on June 7th.

Miss Barbara Pick of Burlington visited with Mr. and Mrs. Carl Saunders over the week-end.

The white elephant sale that was held on the Hornby ball park grounds last Wednesday evening was very successful. The ladies of Hornby United Church had a good display of useful goods such as lamps, pictures, quilts, dishes, vases, stoves, lamp shades, etc.

Mr. George Elliott was the auctioneer with Mrs. Gear Sinclair and Mrs. Lew Sampson helping as clerks. The home-made baking on the bake table was all sold.

The Hornby boys' ball club played two home games this last week. On June 4th they won over Haltonville with a score of 28 - 0, and on June 7th they won over Lowville with a score of 16 - 0.

Mr. Howard Bradley came home from the hospital on the Thursday after his operation on the Monday, and is in good health again.

Council Ladies Meet National President

On May 29th the Local Council of Women were invited by the Weston group of the organization to meet Mrs. Rex Eaton, O.B.E., president of the National Council of Women. A group of local ladies attended, including Mrs. Florida Nodwell, Mrs. Jack Kerr, Miss Hettie Lawson, Mrs. R. T. Paul, Mrs. Florence Curtis and Mrs. Muriel Adams.

Mrs. Pink was hostess at her home, Chantilly Gardens where 100 ladies enjoyed a dessert tea, following which Mrs. Palmer welcomed the visitors. Mrs. Chisholm spoke of the harmony between local council groups which work on their own local problems and combine on national issues through the national council.

Since the start in 1888 of a small suffrage organization, the International Council of Women has grown to forty million members in 37 national councils around the world, she said.

Following a musical recital given by Weston council ladies, Mrs. Palmer introduced Mrs. Eaton who stated she was glad to be the emissary of good wishes from the ladies in Vancouver, B.C. During her address she emphasized that there is a wide area of subjects to be covered by all women's organizations, but before making a stand on any proposed subject it must be discussed carefully and thoroughly. Women have a strong influence on government and municipal affairs, she said, and they must make this influence grow stronger.

Mrs. Chisholm thanked Mrs. Eaton for coming to Weston and Mrs. Pink for opening her home for the meeting. The local group will next meet at the home of Mrs. H. J. Newman, Ballinafad on Friday, June 21st.
