JACK REED, INA WEBB WED AT NORVAL UNITED

Norval United Church on May 25th was decorated with standards of white cloth and music for the wedding of Mr. and Mrs. Jack Reed, daughter of Mr. and Mrs. Keith F. Webb, Norval and Robert William Jackson Reed, son of Mr. and Mrs. J. A. Reed, R.R. 4, Brantford, Ont. The bride's cousin, Eddie Leibel, was organist and soloist before the wedding. The bride and groom were accompanied by the bride's father, the groom's father, and the bride's brother, the groom's brother. The bride's father gave her in marriage. It was a double-ring ceremony.

Mr. and Mrs. Reed are living in Georgetown where he is associated in operating Norval Floral. His bride is employed in the Aero office at Milton.

The bride wore a full length wedding gown of satin tulle over tulle, with rounded neckline, short sleeves and a small train. A pearl necklace and earrings complemented her gown and she carried a bouquet of white roses. Her sister Louise, Mrs. Harry Lowther, was matron of honour and wore a turquoise street-length gown, similarly styled to the bride's. The groom's sister Alma Reed and the bride's sister Gwen Webb, as bridesmaid and flower girl wore coral street-length gowns. The bride's father gave her in marriage. It was a double-ring ceremony.

Harold Reed was his brother's groomsmen. Another brother, Tom Reed and Harry Lowther, were ushers.

Mothers of bride and groom received afterwards when a reception was held in the church basement. Mrs. Webb wore a light blue lace dress with pink accessories and a corsage of pink sweet-heart roses. Mrs. Reed wore a beige princess style dress, beige accessories and a yellow rose corsage.

For a honeymoon trip to Prince Edward Island, the bride wore a beige sheath dress, avocado green accessories, a matching duster coat and a yellow rose corsage.

Guests attended the wedding and reception from Norval, Georgetown, Guelph, Brantford, Kingston, Perth and Ottawa. As the bridal couple left the church after the ceremony, 1st Norval-Cub Pack formed a guard of honour.

Don't be an easy mark for burglars!

Burglars are always on the watch for tell-tale signs that you're away. Suppose they break in?

Furs... clothing... jewelry... typewriter... radio... appliances and other belongings (your belongings!) would soon have other owners.

Take common sense precautions when you go away. Most important, make sure your personal belongings are well protected with insurance... at home and away.

Second Prize to Lions Float at Peterborough

The Lions Club of Georgetown held their first meeting in their new location on Tuesday, June 11 with a dinner meeting in the Legion Hall. Growth in membership forced the club to move from the McGibbon House last month.

Chairman of the circus committee Clarence Heslop reported that plans were finalized for the Garden Bros. Circus to be held the following Thursday afternoon and evening. A ticket selling blitz prior to circus day netted the Lions a profit of \$455.25. The club will now direct its attention to sale of peanuts since peanut day is to be held in town on Saturday, June 29.

Dick Riddall, vice president of the club and delegate to the recent District Convention in Peterborough reviewed the four-day assembly for the other members, reporting that Georgetown's float in the giant opening-parade had won consolation prize. The float, created by the Provincial Mill for the Santa Claus parade poked fun at the local dairies with ostrich, cow, horse and wagon and clown milkman. A float from Norwood captured the first prize. It was decorated at Peterborough that the 1958 convention would be held in North Bay.

Arrangements are presently being made for a good program at the official opening of the Community Swimming Pool in the near future. The next Lions meeting which is scheduled for June 25th will be the last for the fiscal year and has been proclaimed Ladies' Night.

Milton OPP Officer Shot Averting Holdup

OPP Officer Ronald Rupert, age 28 of Milton, was taken to Hamilton General Hospital in only fair condition Sunday night following a scuffle near his home in which he was shot in the abdomen. Constable Rupert, who lives with his family over the Milton branch of Simpson-Sears Ltd. investigated when awakened by noises in the store downstairs.

PAYS TRIBUTE TO LATE MR. ROGERS

Georgetown, Ontario
June 9, 1957.

Dear Editor:
Gone But Not Forgotten

As the late Mr. Rogers was a close neighbour and a good friend of mine I feel that no respect on my part would be too great. Speaking from experience he was very willing to lend a hand in anything that he thought was essential and just. As I called upon him on two occasions I was met with wholehearted cooperation. On June the 12th, 1956, he took time off to drive from Stewartton to Milton at my request to attend a council meeting where I tried to get something done about the level crossing on number seven highway. I am sorry to say that action is dormant on this matter and that he did not live to see its fruits.

Nevertheless, men such as him cannot be forgotten over night, so I would like to express my deepest sympathy to his family at home and abroad and trust that the Lord will reward him a hundred fold for his desire to benefit mankind.

Yours sincerely,
G. Graham.

LIMEHOUSE

GIVE MEETING REPORTS WHEN INSTITUTE MEETS

Reports of several meetings of interest were given when members of Limehouse Women's Institute held their June meeting in the Memorial Hall.

Mrs. H. Brown, convener of agriculture and Canadian industries was in charge of the meeting and asked members to answer roll call with a Canadian mineral and its location. Current events were given by Mrs. Sam Gisy and reports from the Halton TB & Health association meeting at Trafalgar and the Retarded Children association meeting in Milton were given, as well as reports by delegates to the District Annual at Ballinfad.

Mrs. Frank Brown gave a detailed report of the officers' conference at Guelph. After the meeting tea was served by the social committee of the month.

Wool Combing Closing Acton Industry Loss

A sad blow to Acton's industrial scene was the announcement last week that Wool Combing Corporation of Canada is closing permanently.

The announcement, made by the Canadian Woolen and Knit Goods Manufacturers association, gave reason for the closing that due to lower wage rates raw wool can be combed in Great Britain and shipped to Canada for sale at less cost than the combing operation can be undertaken in this country.

In announcing the closing to employees, Robert Healey, manager of the Acton plant, said night shifts would be discontinued Friday, June 14th and that other employees would be laid off as materials on hand are used up.

Among the 200 people affected by the closing is a local man, Vance Kentner, 23 King St. West who has been employed there since the business was opened in 1940. Wool Combing was opened to provide mills with a domestic source of clean, combed wool. For some time the company has been losing money.

Golf Club Sports Day For Life Underwriters

It was annual sports day for the Life Underwriters Association last Wednesday as members from all over Ontario met at the North Halton Golf & Country Club for luncheon and an afternoon of golf and other sports.

Winning prizes on the afternoon's golf competition were Norm Greensides of Newmarket, who received a stapler for first and Joe Racine of Brampton who topped second prize of a wallet.

Harold Long of Brampton and Vince Casey of Aurora won prizes for horseshoes.

A committee comprised of local underwriters Jack Armstrong, Jack Runham, Don Laird, Harv Lee, and Jack Gudgeon were in charge of the day.
