WMS Cedarvale Picnic**

The Women's Association of the Halton Presbytery of the United Church held their annual picnic at Cedarvale School for Girls on Tuesday, June 18th. This association is comprised of the various women's associations throughout Halton County. There were about one hundred and twenty-five present for the gala occasion.

The president of the Association, Mrs. W. B. Fleuty of Cooksville was in charge of the picnic. Mrs. Leader of Applewood Acres was in charge of the games for the girls and she had some very novel ones for them. Mrs. Harold Cleave, Georgetown was in charge of the supper which had to be served inside due to the rain but the picnic was a complete success, much enjoyed by the girls of the school and their guests.

**Bake Sale, Auction  
Finances School Trip**

Last Tuesday, students of the Grade 7 and 8 classes at Harrison School had a trip to Niagara Falls which they financed themselves. Earlier in the term such activities as an auction sale and a bake sale provided most of the funds for the bus which took them on their day's educational trip.

Accompanied by Principal Harold Henry, Logan MacDonald, Kenneth R. Harrison and Mrs. Arthur McKean of the teaching staff, the group first stopped at the Royal Botanical Gardens, Hamilton, then on to the E. D. Smith canning factory at Winona where they watched strawberry jam being bottled.

Luncheon stop was at Queenston, and in the early afternoon they reached the Falls. Here the students divided into four groups, and while one took a trip to the American side, the others toured points of interest at Niagara.

**HALTON, PEEL FIELD DAY  
AT OAC, GUELPH**

Some four or five hundred Halton and Peelites attended the annual Field Day of the Halton and Peel Holstein Jersey and Guernsey Clubs, at the Ontario Agricultural College on Saturday, June 8th.

A panel discussion on bulk tanks and bulk handling of milk was the feature of the morning program. The members of the panel, namely Prof. F. W. Hamilton of the Dairy Science Department, Ross Milne, agricultural engineering extension specialist, and Robert Marshall of the Department of agricultural economics, did an excellent job judging by the comments of many of those in the audience. Following the noonday luncheon at which the group enjoyed the hospitality of the OAC, a programme of livestock judging, a live stock parade, and a sports programme was enjoyed.

In the judging contests the winners were:  
Holstein Class: Ladies section, Mrs. Gordon Laidlaw, Norval; Juniors' Section, Sandy Barnes; Men's Section, Clifford Cunningham, of Brampton; Jersey Class, Ladies, Mrs. Albert Peters, Oakville; Juniors, Mary Huston, Streetsville; Men, Jim Fraser, Streetsville.
