TRUE BLUES AND ORANGE AT OAKVILLE CELEBRATION

Saturday, July 13th was the day the Orange and True Blue lodges commemorated the "Battle of the Boyne" with the "Orange Walk". Orangemen and True Blues all over the free world were out in force. Eighty lodges from this district met at Oakville for a giant parade.

The newly formed Georgetown Junior Fife and Drum Band made their first public appearance. They made quite a hit in their white shirts, blue trousers with their red, white and blue bands on their caps, and sashes.

There was an excellent turnout of both Orange and True Blue lodge members who left the lodge in cars for Oakville.

Rotary Picnic Monday At DeVries Farm

In place of the usual dinner meeting, members of the Rotary Club of Georgetown, held a picnic last Monday evening at the "Flats" on the Lykic DeVries Farm on the Check Line.

For the occasion regular business was dispensed with and the ladies were invited to enjoy the picnic supper, by the banks of the stream, flowing through the property. The evening was a perfect one and everyone enjoyed the unusual meeting.

A fire was built, and a sing-song held. Various races and contests were arranged by Ralph Arsel.

Directors please note, all committee chairmen were to have their reports in by last Monday; as if anyone has been tardy, they are reminded.

A "Strike Up the Band" committee has been formed to meet with the band executive and discuss ways and means that they might help this recently formed Georgetown cultural group.

Back from a holiday in the west and back at Rotary Club meetings is Bob Burke, who along with his family motored as far as Banff, Bob reports a wonderful trip and lots of interesting sight-seeing. Bob was the hard working treasurer of the club last year. Walter Pope reminds all members to make sure there is a gold star beside their names on the attendance sheet. By consulting his attendance board, you can see just how you stand attendance-wise.

OAKVILLE TAX APPEAL SET FOR SEPTEMBER 17

Appealing Halton's 1957, equalized assessment, Oakville will have a chance to state their case on September 17th.

A hearing has been set for Milton courthouse at 10 a.m. that morning, when the dissenting municipality will attempt to prove that their levy is not in accord with other municipalities' levies.

County council has protested against one member of the 3-man arbitration board which will sit at the hearing. The chairman, D'Arcy Lee of Dundas, is also solicitor for Wentworth County council, and members feel the hearing will enable him to gather facts and figures about Halton which may be used at a forthcoming annexation hearing when Wentworth will attempt to annex part of Halton.
