Bible School Great Success 105 Children in Attendance

General feeling in the community is that the first Norval and area vacation bible school was a great success. There were 105 children enrolled at the school which ran for ten days. The children were departmentalized as to age: 3-5 year olds making up the kindergarten group; 6-8 year olds coming under the heading of the Primary Department; and, 9-11 year olds, making up the older section, or Junior. For the first week all the children met in the public school which was very convenient and comfortable. For the second week the Kindergarten Department met in the Anglican Church; the Primary group in the Presbyterian Church, and the junior children in the United Church. The school opened at 9:00 o'clock each morning Monday to Friday and was dismissed at 11:30 a.m.

Each morning opened with the National Anthem "God Save the Queen," followed by The Lord's Prayer, a Scripture Lesson and a General Prayer. After the devotional period choruses were sung followed by the Story Hour. The children then went outside for a Games Period, and then returned to the building for their craft period. Crafts this year included, International Time Clocks, Wordless Books, Beanie's, Book Marks, Stain Glass Windows, Church Buildings, and Canoes.

The workers were drawn from the three denominations represented in the village. The Anglican Church was in charge of the Kindergarten group and the leader here was Mrs. Cameron Barker, assisted by Miss Joyce McLean, Miss Judy Hvedehave and Miss A. M. Young. The primary department was guided by the workers from the Presbyterian Church under the leadership of Mrs. Sam McClure. Assisted by Mrs. J. M. Archdekin, Miss Joan Crawford and Miss Anne Davis. The United Church took charge of the Junior Department with Miss Anna May Hutchinson as the leader, assisted by Miss Elaine Laird, Mrs. Robert Garden and Miss Bonnie June McMeekin. The overseer of all the work was the Rev. G. L. Royal, and the editor of the Rev. J. E. Maxwell.

The final evening, Friday, July 19, saw a giant rally of parents and pupils in the Anglican parish hall. The chairman of the meeting was the Rev. G. L. Royal assisted by the various workers in all departments. Skits and singing were put on for the benefit of the parents who applauded heartily. Certificates of Recognition were presented to the children for their participation in the Vacation Bible School.

The general work of the Bible School comes under the administration of the Credit Valley Ministerial Association and its Norval Committee. The convener of this committee is the Rev. J. E. Maxwell, and its members, the Rev. W. E. Gill and the Rev. G. L. Royal. Plans are to be laid this fall for a bigger and better vacation school in 1958. The heartiest thanks of the committee goes out to all those who in any way aided in the successful completion of this year's V.B.S.

FARM NEWS
4-H CLUB MEMBERS TOUR STEEL PLANT
J. E. W.
Hamilton district was the centre of a bus tour held by the Halton 4-H agricultural clubs last Thursday, July 18th. Eighty-three club members and leaders took part in the trip.

The first visit was to the Steel Company of Canada plant in Hamilton. Here the club members followed the various processes involved in making steel. At noon the group had lunch aboard the S.S. Macassa, while touring Hamilton Bay.

In the afternoon a visit was made to the Hamilton Sanitarium and the Sanitarium Farm. The final stop was at the Jerome Brothers Farm at Annapeter. The main enterprises on the Jerome farm are rad-

Defence Minister Unveils New Iroquois Jet Engine

Of more than passing interest to local residents was the unveiling of the "Iroquois" jet engine, developed by Orenda Engines, at Malton where a large number of Georgetowners are employed. Described as the most powerful engine in the world, uncommon interest has been shown both the British Air Ministry officials, and by a U.S. engine manufacturer, who is negotiating to produce it under license in the United States.

Developed to power the CF 105, it has a jet thrust of some 23,000 pounds, triple that of the engine powering the CF-100.

Officiating at the unveiling was a man who visited Georgetown some months ago. He was none other than Canada's latest minister of national defence, Hon. George R. Pearkes, V.C. Mr. Pearkes spoke at a Legion dinner locally in March.

In aid of the membership drive in this country. He is a charter member of that group, having helped the late Earl Haig form it through the amalgamation of a number of veterans' groups.

While in the district he stayed with a long time friend, Sandy Best, MP for Halton and met many local people, including many in the business section and quite a number of those who had served with him during the first war. In the latter group were Harry Goldham and Orby Herrington, who both served under him during the first war, when he was colonel of their regiment.

In speaking of the new engine, he said that it was a courageous step for Canada as it involved many intricate problems inherent in such advanced design. "It is remarkable that a country so new to this exacting and complex scientific engineering field could produce an engine of such advanced design and performance in such a short time. The development of Canada's technology is significant because a country's defence capabilities are becoming increasingly and inescapably dependant on the industrial capacity which it possesses."

The Hon. George Pearkes is a career soldier who served up to and including the rank of major general (his last command) in Canada's forces. When assuming the portfolio of national defence, he asked that he no longer be called general, but "Mr." to accent the civilian status of his position, and his first order was that cutting off his army pension for his long service in the Canadian army.

Notice to Creditors

IN THE ESTATE OF Alfred Morrison, retired farmer, deceased.
All persons having claims against the estate of Alfred Morrison, late of the Township of Esqueping, retired farmer, who died on or about the 27th day of May, A.D. 1957, are hereby notified to send particulars of same to the undersigned on or before the 31st day of August, A.D. 1957, after which date the estate will be distributed with regard only to the claims of which the undersigned shall then have notice, and the undersigned will not be liable to any person of whose claim they shall not then have notice.

Dated at Georgetown, this 30th day of July, A.D. 1957.
Ruth Elizabeth Cox and Frank Wilson, executors of the estate of Alfred Morrison, by their solicitors, Dale and Bennett, Georgetown, Ont. 8-14

ishes and potatoes.
The tour was under the leadership of A. T. Woodley, chairman of the Halton 4-H Club Leaders' Council and J. Allen Francis, associate agricultural representative for Halton County.

Grandson Chosen to Attend Scout Jamboree

Paul McCumber, son of Mr. and Mrs. Earl McCumber of Toronto, and grandson of Mr. and Mrs. Alex McCumber of town left for England by plane Friday. Paul is one of 1,364 Canadian boy scouts going to the World Jubilee, a gathering of scouts, scout leaders and Rover scouts from every corner of the globe.

The Jubilee, held at Sutton Coldfield, Warwickshire, marks the fiftieth anniversary of the Boy Scout movement and the centenary of its founder Lord Baden Powell. Thirty-five thousand scouts from over eight countries will attend.

The Canadian scouts are to be the guests of the scouts of Surrey County prior to and following the assembly which begins officially August 1st.

The headquarters area of the Canadian Contingent to J-M will have some distinctive Canadian features in that it will include a large styrofoam igloo, loaned by the Canadian Government's Department of Northern Affairs and fully equipped with furs, eskimo utensils and other items loaned by friends of Scouting, two 16 foot tepees and eight totem poles made by London, Ontario, scouts; two 8-foot grizzly bear totem poles loaned by the British Columbia provincial museum and a large sign of carved wood bearing the word "Canada," with maple leaves at either end.

Through the cooperation of Commissioner L. H. Nicholson, the famed musical ride of the Royal Canadian Mounted Police will appear on August 5th and 6th as part of the Canadian Scout contingent programme.

Her majesty, Queen Elizabeth, accompanied by Prince Philip, will visit the Jamboree on August 3rd. HRH the Duke of Gloucester, the president of the British Boy Scouts Association, will officially open the Jamboree on August 1st.

It is estimated that Jamboree Scouts will need daily 20,000 loaves of bread, 10,000 gallons of milk and about 50,000 gallons of water. Here are a few of the items needed for the 12-day Jamboree: 16 tons of butter, 14 tons of coffee, 40 tons of fresh meat, 48 tons of sugar, 228 tons of fresh vegetables.

GRAND UNION 1ST QUARTER SALES TOP \$100,000,000

Sales exceeding \$100,000,000 by The Grand Union Company during the first quarter of the Eastern food chain's 1957 fiscal year which ended June 1st are the highest ever recorded in a single quarter during the company's 85-year history, it was reported by Lansing F. Shield, President.

During the 13-week period ending June 1, Grand Union sales totaled \$102,141,177, an increase of 17.7 per cent over sales of \$86,780,557 during the corresponding period a year ago.

Indicative of the rapid growth of Grand Union in recent years, the sales of the first quarter during 1957 were greater than total

IT'S FUN TO SPRAY
ROXATONE
plastic decorator finish
the big news for home decorators

Beautiful ROXATONE
... gives a loose-on-loose pattern in two, three or four colours (just one coat) Has a rich, textured effect you can feel with your fingertips. So truly modern colours and patterns to choose from.

Durable ROXATONE
... consists of tough plastic particles. Stands up to repeated washing. Resists scratches and scrapes. Lasts up to three times as long as conventional paintwork.

Versatile ROXATONE
... can be sprayed on any properly prepared surface - wood, paper, pressed board, masonry, plaster, brick, block, concrete or metal. Ideal for walls, ceilings and furniture!

Write for free folder that shows new colours and styles for your home - please send by Durb Love, local colour consultant.

ed June 1, Grand Union sales totaled \$102,141,177, an increase of 17.7 per cent over sales of \$86,780,557 during the corresponding period a year ago. Indicative of the rapid growth of Grand Union in recent years, the sales of the first quarter during 1957 were greater than total sales of \$99,818,829 recorded by the chain during the fiscal year 1947. For the five-week period ended June 1, 1957, Grand Union had sales of \$40,202,546. This represents an increase of 10.7 per cent over sales of \$36,318,155 during the comparable period of 1956.

"Dad, did you pick up my dress?"

That young voice hits Dad where it hurts. He was so sure he'd remembered everything. And here is Amelia, with a heavy date, demanding her dress which he forgot to pick up at the cleaners. Why, grumbles Dad, don't women do their own shopping?

ments—the things you buy regularly. And the rest of the money was spent for equipment, wages, feed, seed, fertilisers—everything that farmers need to produce food in abundance.

The answer is that farm women usually do. In fact, their shopping, in person and by mail, adds up to a lot of money. How much? Well, last year, farm families put about 2 1/2 billion dollars into circulation. That's over twice the amount spent for all the new housing in Canada. About 1,000 million dollars went for household require-

All this farm spending for consumer goods and services helps to keep a great many Canadians employed in a wide variety of businesses and is a powerful stimulant to progress and prosperity. This is made possible by good farm management, efficient practices which include the use of modern farm machinery.
