Herbert Spitzer, Marie Armstrong Marriage Vows at Holy Cross Church

Rev. Father T. H. Van Laer officiated at the marriage ceremony on Saturday, August 31st at ten o'clock in Holy Cross Roman Catholic Church, when Marie Therese Armstrong, daughter of Mr. and Mrs. Bernard Armstrong, 16 Murdoch Street, became the bride of Herbert R. Spitzer, son of Mr. and Mrs. Paul Spitzer, Limehouse. Joan Cummins was the organist and Mrs. Frank Carmichael was the soloist. The church was beautifully decorated with white gladioli in large standards.

The bride, given in marriage by her father, chose a gown of nylon tulle over taffeta, styled with a shirred bodice and sleeves, scooped illusion neckline decorated with embroidered organdy daisy appliques, nipped in bodice, with a chapel train falling from the waist in a cascade of shirring, her imported illusion handrolled fingertip veil from a headpiece of Chantilly lace embroidered and outlined in pearls, her mittens matched her gown. She carried a prayer book, finished with a shower of white satin ribbon, red rosettes, roses and Stephanotis.

Eveline Fenn of Willowdale was maid of honour, Mrs. Ron Moore and Miss Mary Barber were bridesmaids. They were gowned alike in bouffant gowns of beige and copperglow brocade taffeta. The brides featured short sleeves and a sabrina neckline, dipping to a "V" at the back, the Grecian style sash of copperglow taffeta swathed the front bodice and fell in floating panels at the back. They wore matching bandeaux of flowers and net. Their flowers were semi-cascades of Joanna Hill roses and variegated ivy leaves, interspersed with pale green net.

Benno Spitzer was groomsman for his brother, Philip Carney and Robert Spitzer were ushers.

The wedding reception was held in Holy Cross hall where the bride's mother received for her wearing Ocean Blue lace over satin with matching hat and wheat-tan accessories and a corsage of buff sweetheart roses. The groom's mother assisted in a gown of rosewood chiffon over taffeta with navy accessories. Her corsage was white butterfly roses. Glamias and Pinocchio pompon mums decorated the tables.

For travelling on their honeymoon to northern Ontario the bride chose an imported off-white basket weave wool suit with navy accessories. Her flowers were a corsage of rosette roses and Stephanotis. Mr. and Mrs. Spitzer will live in their newly built home in Limehouse.

Following the ceremony and reception in the church hall, the groom's parents held a reception in the afternoon and evening at their home in Limehouse for guests and friends.

Out of town guests attending were from Brantford, Toronto, Willowdale, Brampton, Hamilton, Guelph, Breslau, Weston and Acton. Mr. Spitzer is employed at Orenda Engines and Mrs. Spitzer at Alliance Paper Mills.

26 Girls Enrolment At Cedarvale School

The Cedarvale School for Girls has started its new term with great plans formulated for the year. There are twenty-six girls enrolled and living at the school, one of them a pupil of Georgetown High School and the other twenty-five pupils ranging from grades three to eight. Mrs. Iva Margeson is teacher for these grades. The girls also study music under the direction of Mrs. H. J. Newman, sewing with Miss Paula Arthurs and it is hoped that Miss Margery Mackenzie will continue teaching household science again this year.

Girls also receive and enjoy a well planned physical training program. Mrs. Kay Armstrong is the supervisor. Mrs. O. M. Houston is superintendent of this very worthwhile school which is sponsored by the Board of Evangelism and Social Service of the United Church of Canada.

WHAT COUNCIL DID

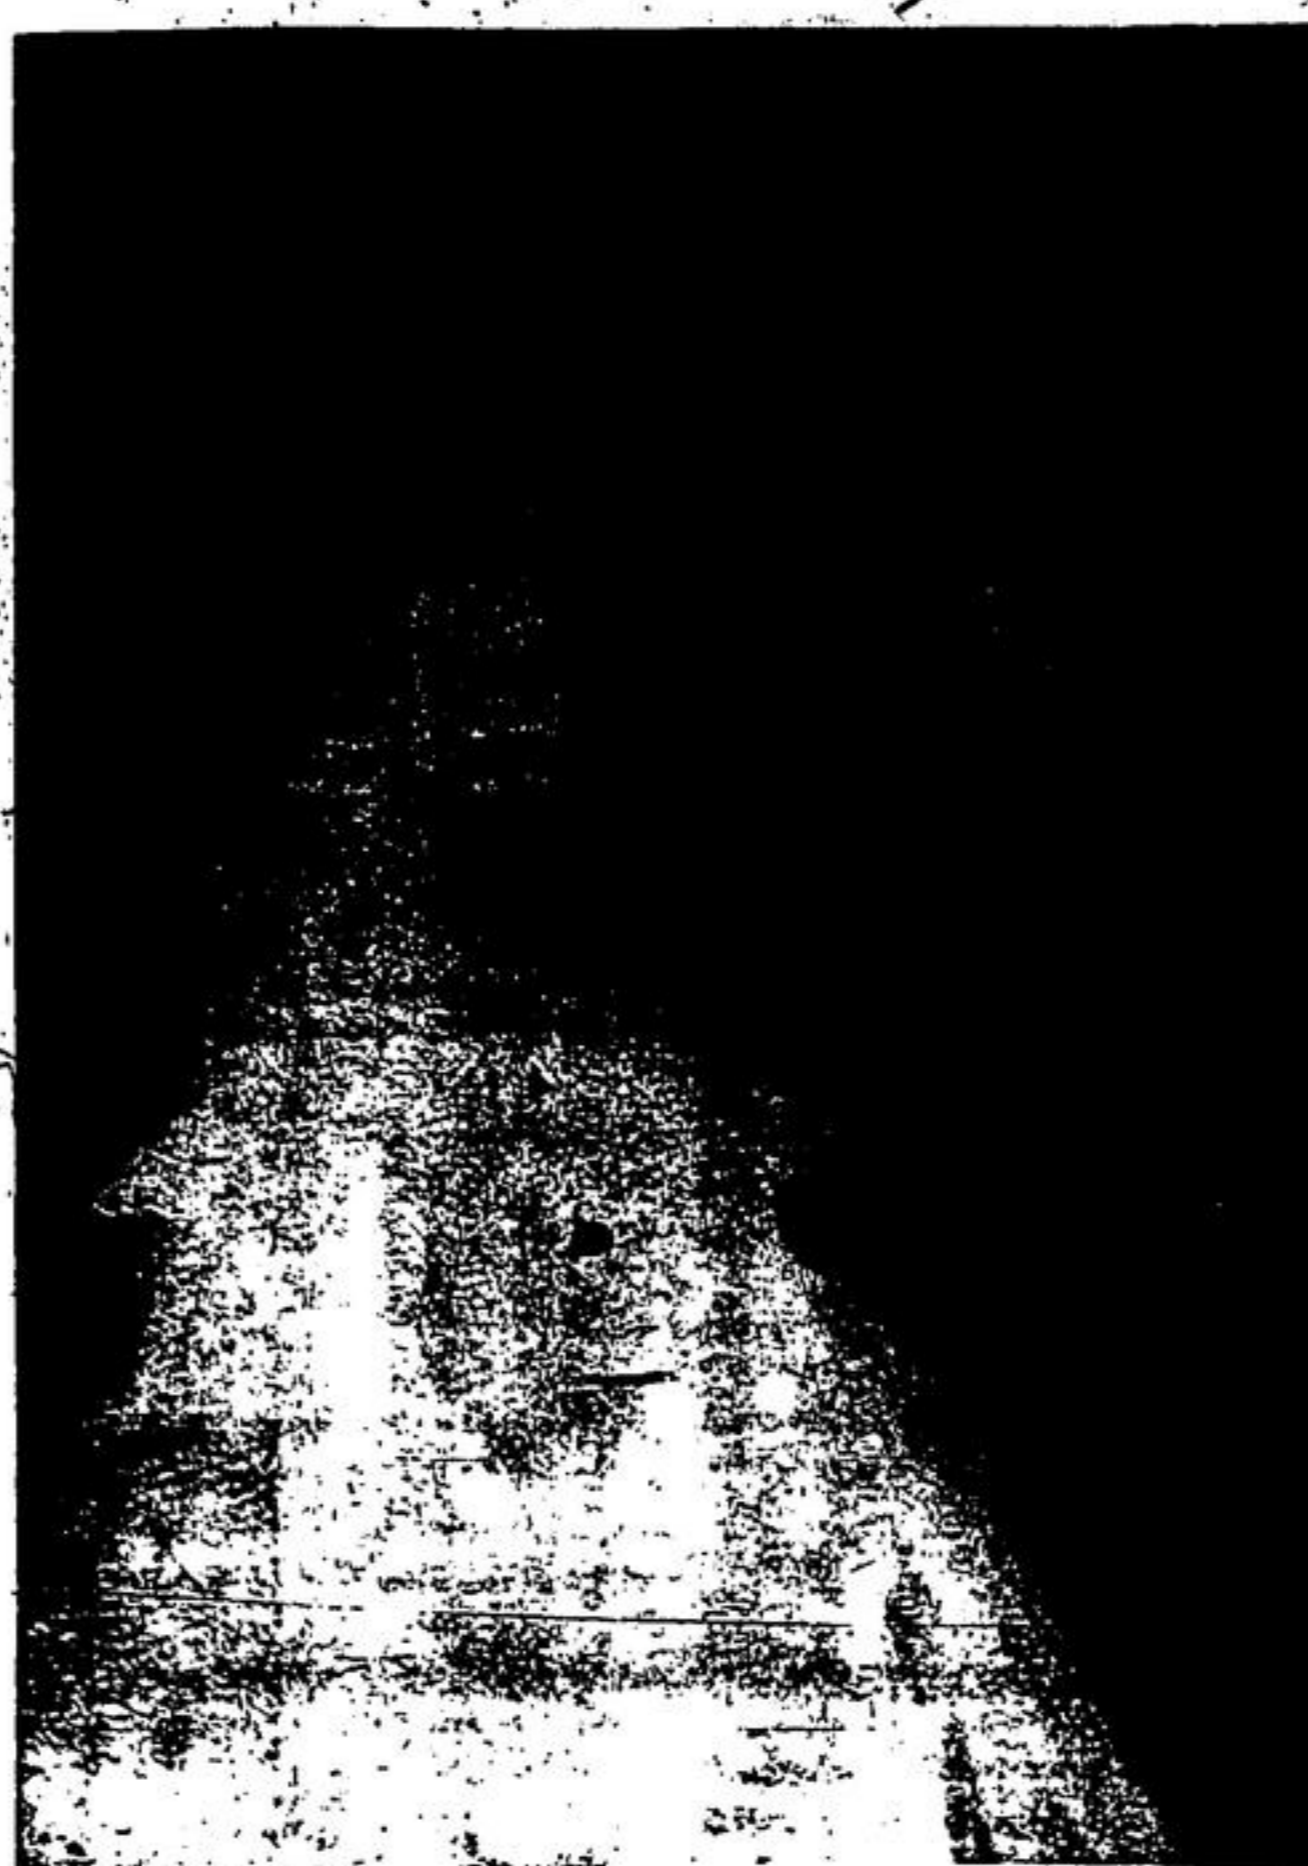

Noise Nuisance By-Law Confusing to Interpret

For the second time in recent weeks council dealt with the possibility of passing an anti-noise by-law. The subject was first brought up three weeks ago when a letter from police chief Roy Haley was read asking that an anti-noise by-law be brought into effect so that police would have some authority to take action in putting a stop to unnecessary noise. At that time the matter was left in the hands of the town solicitor for investigation.

It was the opinion of Cr. Hyde that such a by-law would never work since the police would have trouble in pinning down just what was noise. "It was my belief that we were trying to stop nuisances," he was reminded by the mayor that it would be no easier to define nuisances.

Cr. Harrison explained that the major reason for the police making the request was the many complaints of squealing wheels and noisy motor vehicles. An anti-noise by law would not include authority to halt a man working on his own home on Sunday, since such an allowance has already been made in the Lord's Day Act, however, if paid labour was being employed then the police could take action.

ST. ALBAN'S WEDDING

MR. AND MRS. GEORGE WEBSTER, residents of Mountainview Rd. and employees of Smith and Stone, Ltd. were married recently in St. Alban's Anglican Church, Glen Williams. Mr. Webster is the son of Mr. and Mrs. Raymond Webster, 88 Mountainview Rd. His bride, Marlene Cain, is the daughter of Mrs. Robert Cain, Glen Williams and the late Mr. Cain.

Inquiring what was to be done with money received from the new parking meters, Cr. Hyde said that he would like to see it kept separate and allocated for better parking. He suggested that in time council would have enough to pave the parking lot being made behind the business section. Mayor Armstrong explained that such a fund could not be formed without a by-law.

Mr. I. Abbs of 34 Henry Street reported that the last big rain had created a drainage problem around Mary Street where water was flowing down driveways of residences on the south side of Mary Street and settling in the backyards on Henry Street.

The matter was referred to Cr. Gray's road committee.

Harrison Wood, 28 Bairstow Cres., attended the meeting with several sharp criticisms of council for not taking action against builders who were continuing to build houses in the eastern subdivision even though the present schools already are overflowing. He charged that if the building continued the public schools would be forced back on staggered hours which, he said, was not a good system of education. He was thanked by the mayor who explained that the greatest amount of the problem comes under school board jurisdiction. Mayor Armstrong said that he was always glad to have citizens with something on their mind attend council meetings.

FARM NEWS

Halton Juniors Prominent Among C.N.E. Prizewinners

Farmers' Day at the CNE saw some 21 Halton Junior competing in the annual judging competitions. While no first prize awards came to Halton, Mary Lou Taylor of Appleby won second in the Junior Section (sheep); George Stull of Milton R. R. 5 was also in second spot in the Farm Machinery Junior Section. Then in the Senior Section (Swine) we find George Greenlees in third place. Here are some of the other prize winners:

Dairy Cattle, Juniors: Don Taylor 4th; Tom Leslie 5th; Lorna Woodley 7th; Mary-Lawrence 11th; Doreen Sinclair 12th.

Dairy Cattle, Seniors: Edward Segsworth 8th; Beef Cattle, Seniors: Ross Austin and Lynne Coulter tied for 13th; Tom Hunter 17th and Wm. C. Robinson 19th.

Beef Cattle, Juniors: Don Taylor 10th; Philip Shepherd 15th. Sheep, Juniors, Gay Lakin 4th. Grain & Roots, Seniors: Lynne Coulter 7th. Grain & Roots, Juniors: Philip Shepherd 5th; David Hume 6th. Don Taylor 9th.

We were also interested to note that in the Calf Scramble sponsored by the Ontario Aberdeen Angus Association, George Stull of Milton R. R. 5 was one of the top winners.

Rotary Sponsored September Interlude is Well Received

Last Monday night members of the Rotary Club of Georgetown, at their regular dinner meeting at Fairview Inn, heard a report on the band concert "September Interlude" held Sunday, September 8th on the beautiful grounds of Mr. and Mrs. Arthur Beaumont's Glen Williams home.

A beautiful day, with flawless weather, combined with wonderful surroundings, and a good-sized crowd, made the day a memorable one, for club members, band and music lovers alike. The band, under the leadership of Alf Ferrott, played many beautiful numbers, specially picked to reflect the theme found in the name of the affair, "September Interlude." Tea and cookies were served by ladies of the Legion W.A. The concert not only was a success as far as those taking part were concerned, but the funds raised should materially help the Georgetown and District musical organization.

It will be recalled that some time ago the group of musicians severed their connection with the Lorne Scots Regiment, and reorganized as the Georgetown Citizens' Brass and Reed Band. As musical director, they persuaded Alf Ferrott to return from retirement to once again lead a local band. Mr. Ferrott is one of Canada's best-known and finest handmasters, having repeatedly scored wins for his group at the CNE, and at Waterloo, Canada's two top band competitions.

At the dinner meeting the guest speaker was Mr. William Kinrade of Wrigglesworth School, who had the theme "Education" for his talk. Principal Kinrade gave a very interesting, as well as thought-provoking talk, one that will long be remembered by the members.

A visitor was present from the Acton Rotary, Dave Mains.

During general business special thanks was given to Ernie Pearce, who decorated the stage for the band, and to Bill Hamilton for supervising the building of it, and his helpers, as well as the Legion W.A.

JUST ABOUT everyone has heard of Juliette and quite a few know that one of her hobbies is cooking, but few people know who all the cooking is for, husband Tony Cavazzi. Here she makes one of her specialties, Curried Lobster a la Capetown. Juliette appears on CBC-TV productions.

and all those who helped to make the day such a success.

DON'T BE COLOR-BLIND WHEN YOU BUY COAL

Get 'blue coal' . . . and be sure!

Don't just order coal . . . insist on 'blue coal'! 'blue coal' is so good, it's trade-marked blue for your protection. This famous fuel is deep-mined, carefully graded and inspected from start to finish. 'blue coal' gives you the clear full flame that means better heat—thrifty heat—safe heat. Thousands of Canadian families rely on this high-grade anthracite for real heating economy with far less waste—far less attention to the furnace.

Remember, don't be color-blind when you buy coal. Get 'blue coal', the anthracite that's so all-fired good, it's tinted blue.

STEADY CONTROLLED HEAT FROM YOUR LIVING ROOM

The 'blue coal' TEMP-MASTER changes furnace controls automatically. Saves time—saves steps—soon pays for itself. Phone today for a free demonstration.
