BALLINAFAD RALLY DAY SERVICE SUNDAY AT CHURCH
The C.G.I.T. met in the church on Wednesday evening of last week with 15 girls present. The president, Donna Smith was in the chair for the opening ceremony which included the repeating of the purpose and the singing of the C.G.I.T. hymn. Mrs. Black led the girls in a 20 minute period of recreation and singing and a short worship service was taken by Eva Hansen. Programs were planned for meetings up until Christmas and a committee was named to prepare a hallowe'en party. The girls were given a brief talk on the C.G.I.T. organization and the evening came to a close with the singing of Taps. There has been a lot of sickness around. Quite a number of school children have had the flu and Mr. Bert Rogers was removed to the Guelph hospital and his condition is reported as favourable. We are very pleased to report also that Mrs. Lloyd Marshall was able to return home last week end. It was Rally Day at Ballinafad church on Sunday, and in the absence of Mr. Neelon through illness, Mrs. N. Sinclair on behalf of the Sunday School conducted the service and she was assisted by Mrs. Neelon who gave a very interesting flannelgraph talk to the children. She illustrated the meaning of Thanksgiving and also related the parable of the wedding feast. Mrs. T. Gibson and Mrs. J. Black are attending the night school classes at Erin.

SWANS TAKE OFF FOR WINTER SEASON
If you suddenly hear a great whirring in the sky don't be alarmed — it isn't Superman, neither is it the Russian Satellite. If you look up you will see one of the most beautiful sights you have ever seen. Mr. and Mrs. Art Scott won't agree with you of course, in view of the fact that the whirring will be caused by the three remaining white swans from their pond.

Mr. and Mrs. Scott had seven of these beautiful creatures on their pond, but with the frosty weather their inherent nature was stronger than their love of their lovely surroundings and they have been flying away. They have been seen in various spots, Norval Cheltenham, Stewarttown and the Russ Woods farm on R. R. 1. Two of the birds have been electrocuted. It is thought they flew into high tension wires. One of the dead birds had a wing span of seven and a half feet and weighed twenty-five pounds.
