**COMPLETE REDECORATING
PROJECT, ST. JOHN'S CHURCH**

The setting for the Thanksgiving services at St. John's United Church was most beautiful on Sunday. The church had been re-decorated, the walls being frosted green with a deeper shade of green for trim. The floors had been sanded and varnished. The Women's Association of the church had the pulpit chairs re-upholstered and covered with wine

colored material which blends with the other colors in the sanctuary. Then on Saturday night the Young People's Union arrived with many of the season's produce and colored leaves and prepared the sanctuary for Harvest Thanksgiving services.

Mr. McFarlane stressed that praise and thanksgiving are not the voice of the lips but of the heart, and our praise to God is expressed through labor and our thanksgiving to God through commitment. A disobedient and disbelieving heart is not a thankful heart. He asked what the purpose was in our work and our getting things. Some people rejoice because they have so much for themselves and their own immediate family, but the Christian rejoices in the fact that he has that which he can share with others—he is the steward of God of the things of God, to use them in the finest and most effective way. So in Christian thanksgiving we must make sure that our motive is not that of grasping selfishly, but of getting that we might be more effective servants of God, sharing what he has shared with us in material things, in time, and in the use of our talents in personal service.

The choir under the direction of Norman Laird sang a lovely Thanksgiving anthem, and Mrs. Kelvin Brown sang, with beautiful voice, a Thanksgiving solo. At the evening service of worship Master David Shrubsole sang two solos and Mr. McFarlane spoke on "The Psalms" with special stress upon the 23rd Psalm. Besides having the sanctuary decorated, St. John's Church also had the choir room and minister's vestry decorated; the walls being plywood were finished in rubbed green color, then shellaced and varnished, with the trim a soft green. The ceilings are painted bone-white.

**Find Heart Pains
Come from
Spine**

Pain around the heart, even when agonizing and of a constricting nature and radiating down the left arm, may be caused by trouble in the spine instead of the heart disease, angina pectoris, which it resembles. A ruptured disc at the bottom of the spine should be suspected in all patients suspected of having coronary or angina, in whom the symptoms and physical signs and laboratory exams are not conclusive.

Sandy Mackenzie Sparks Ryerson Football Win

A standout football player with Georgetown High School for four years, Sandy Mackenzie, son of Mr. and Mrs. Sam Mackenzie, 50 Main St. south, has certainly been making his presence felt in the intermediate football league with the Ryerson Rams. In his sophomore year with the Rams, Sandy is already the leading ground gainer in the league, and last week in London scored the only two touchdowns of the game to lead Ryerson to a 18-0 win over the University of Western Ontario Colts. The loss for the Colts was their first in two years.

Social and Personal

Mrs. Edith Morris of Windsor, spent the holiday week-end visiting with Mrs. William Ostrander, 7 Emery St. and with friends in Belfontaine, also attending Erin Fair. Susan Canham, who moved to Cobourg with her parents last summer, was a Thanksgiving visitor with Miss Maureen Hepburn, Glen Williams.

Georgetown Veterans At 164th Bn Reunion

Georgetown veterans were prominent among those attending a reunion in Acton October 5 for veterans of the 164th Battalion, C.E.F. who served overseas in World War I. The men had a turkey dinner in Acton Legion Hall where a social time of fellowship was enjoyed, then paraded to the Acton cenotaph to place a wreath in
