## DEAL WITH A MEMBER OF THE BRAMPTON REAL ESTATE BOARD

In January, 1955 a group of progress minded Realtors formed  
the Brampton Real Estate Board. There were two main  
reasons why these men met to organize.

1. They wished to promote the real estate business to a  
professional level. They meet monthly and design standards  
and proper regulations using the Ontario and Canadian As-  
sociations of Real Estate Boards' experience and advisors for  
the basic procedures.

2. They wished to provide the highest possible service  
to the home owners and purchasers. From this the Co-Oper-  
ative Listing Service was adopted. This service is now func-  
tioning well and is receiving greater appeal with home  
owners every day. These realtors are always educating  
themselves on new policies governing mortgages, financing,  
appraisal of property, advertising and other aspects of the  
real estate business. These men have pledged themselves to  
the highest standards of ethics and honesty.

They know that through their regular discussions of the  
home owners, purchasers and realtors problems they are  
able to provide a better all around service.

Deal with one of the following members of the  
Brampton Real Estate Board, he proudly advertises his mem-  
bership.
