

### Shell-Out for Others Is Idea Of Explorers

The Explorers, a group of girls in the 9-12 age group who form a junior branch of the Women's Missionary Societies in First Baptist, St. John's United and Knox Presbyterian churches, have decided that they will shell-out for others, rather than themselves this Hallowe'en.

Realizing that there are places in other lands where little necessities of life are badly needed, the Explorers have adopted the slogan "It's a neat trick to collect a fine treat for friends overseas." The girls have made posters which they are placing in stores around town. The items they are asking for are: soap, pins, needles, thread, thimbles, darning cotton in all sizes and colors.

They will wear a ticket with the word Explorer on it, so you will know them when they make their rounds on Hallowe'en.

The girls will not be asking for anything for themselves. They are very interested in the project, or "Expedition" as it is called by them, and friends are asked to back them up 100% on Hallowe'en night.

After their shell-out they will be entertained at a party in Knox Church hall. Articles received will be sent through the Canadian Friends Committee to children's shelters overseas. For any information, call Mrs. Townend at TR. 7-2758.

### Sinusitis

A great many persons suffer with this condition, with varied symptoms, from very mild to extremely severe. The common symptoms are: 1. headaches, 2. the nose drips all the time, 3. hacking and spitting to clear the throat every morning, 4. breathing is blocked on one or both sides, 5. lying on left side blocks the left nostril and oppositely. Under treatment all cases can be either greatly improved or completely corrected. This is done by getting at the cause.

## Did You Know?

Hard water can plague baby in the same ways that it plagues adults?

When baby's bottles are boiled day after day in hard water, they soon have the same cloudy appearance as glass-ware washed that way and they can be just as unsanitary.

Diapers washed constantly in hard water soon lose their softness and feel harsh to baby's tender skin. The soap curd that is left in the diaper after causes "diaper rash" and all those pretty little sweaters that baby wears will soon be coarse and out of shape.

Even baby's bath can be a pretty uncomfortable proposition if it leaves the slightest touch of soap film on his (or her) delicate skin.

### MEMORIALS

GORDON—In loving memory of a dearly loved mother, Lottie Gordon, who passed away October 24th, 1955.

Safe in the arms of Jesus,  
Safe on his gentle breast,  
There by his love overshadowed  
Sweetly her soul shall rest.  
Hark 'tis the voice of the angels,  
Bourne in song to her,  
Over the fields of glory there above,  
Over that wondrous sea.

—Always tenderly remembered by her son Jimmy and daughter-in-law Olga.

HARLEY—In loving memory of a dear father and grandfather, Dean Stanley Harley, who passed away October 20th, 1955. I shall wear laughter on my lips, Though in my heart is pain. God's sun is always shining brightest after rain. —Ever remembered by Jean, Don and family.

HARLEY—In loving memory of a dear father, Dean S. Harley, who passed away October 20th, 1955.

Your last parting wish,  
We would like to have heard,  
And breathed in your ear  
Our last parting word,  
Only those who have lost  
Are able to tell,  
The pain in the heart  
At not saying farewell.  
—Ever remembered by Bessie, Don and children.

HARLEY—In loving memory of a dear husband and father, Dean Stanley Harley, who departed this life, Oct. 20th, 1955.

Along the road to yesterday,  
That leads us straight to you,  
Are memories of the happy days  
Together we once knew,  
And always every evening,  
We seem to have a way,  
Of wandering back to meet you  
On the road to yesterday.  
—Ever remembered by Wife and family.

HARLEY — In loving memory of a dear father, Dean S., who passed away October 20th, 1955. So many things have happened, Since you were called away Things that you would have enjoyed,  
Had you been left to stay,  
So many things to share with you  
In just the usual way,  
Things that could be so much nicer,  
If you were here today.  
We cannot bring the old days back  
Your hand we cannot touch,  
But God has given us beautiful memories,  
Of a father we loved so much.  
—Ever remembered by son Bruce, daughter in law Mae, and grandchildren.

McMURPHY—In loving memory of my dear sister, Katharine McMurphy, who passed away suddenly at 21 Main Street, Georgetown on October 23rd, 1955. There is a sister who misses you sadly  
And thinks the time long since you went,  
I think of you hourly and daily,  
But try to be brave and content,  
You slipped away quietly, your thoughts unknown,  
But you left me memories I'm proud to own.  
—Saddy missed by her sister Joan Edg.
