### THE GARDEN FARM OF HALTON COUNTY

\$28,500 - 100 ACRES, located less than 4 miles from Georgetown on a paved road, just north of No. 7 highway. This particular farm has with-out a doubt a soil that is comparable with anything that people in the Lakeshore area have been forced to dispose of for one reason. In other words we are suggesting this property from the standpoint of market gardening is just as productive as anything that may be sold under pressure. The 9-room home is in reasonably good condition also the 75x40 bank barn is equipped with water on pressure. This we suggest is one of the better type properties that is still within a reasonable commuting distance of the metropolitan area. For further information and appointment contact our new office in Georgetown. TRIangle 7-2224.

\$4,000  
THIS PROPERTY is located quite close to Georgetown on a paved road just off No. 7 Highway. The house requires finishing off but for a carpenter or handyman we feel that this is a golden opportunity. Why not give us a call for further details.

### BRICK BUNGALOW, CLOVERDALE SUBDIVISION

\$2,000 DOWN - \$12,800 FULL PRICE  
THIS BUNGALOW is only 2 years old and is well located close to downtown, has three bedrooms, large living room, kitchen and dining area on main floor, full basement equipped with forced air oil heating unit, laundry tubs, etc. Driveway has just recently been paved. House is newly decorated throughout. A real buy in a good district.

### HOUSES, FARMS WANTED

WE HAVE waiting clients for houses and farms in the Georgetown area. If you have property to sell we invite you to call us or better still drop in and our salesmen will be glad to assist you in any way possible regarding the promotion and sale of your property.
