**Large Turnout Expected
Conservative Meeting**

It is expected that the meeting to be held in Milton on Friday evening will tax the capacity of the Town Hall in the county town to its utmost. The occasion is the annual meeting of the Halton Progressive Conservative Association, where officers will be chosen for the coming year, one that is likely to be most important in the fortunes of the Conservative party in this country, as it is held a distinct possibility that a general election in the country next year.

Present as the guest speaker for the night will be a famous Canadian, as well as a top advisor to the prime minister as well as a close personal friend of his in the person of the Hon. George Peakes, V.C., M.P., the minister of National Defence for Canada. Long time military critic for the Conservatives, he is now in charge of that department which spends the greatest part of the country's tax revenue, and a post for which he is eminently suited, by his military background.

Many readers will recall that Mr. Peakes was present at a membership night held by the Canadian Legion Branch here last March. He is an active Legion member having helped Earl Haig organize it in this country. He had served with a number of men from this area in the first war, many of

**Rotarians, Wives
Attend Toronto
District Affair**

A large number of the local Rotary Club of Georgetown attended the District Conference held last Friday and Saturday at the King Edward Hotel in Toronto. Among

whom were amazed that he recognized them, after so many years. He was a long time soldier, serving in Canada's armed forces from 1914 until his retirement in 1945. During this space of time he rose from private, commissioned in the field in France, until his retirement as a general. He also received many decorations, including the Victoria Cross. Upon his acceptance of a cabinet post, his first order as a minister of the crown, was that he no longer be addressed as general and cancellation of his long service pension from the Canadian army.

Present also will be Halton's new M.P., Sandy Best, with a report of the first session of Canada's parliament, including no doubt, his observations on the Queen's opening of parliament and legislation that has been introduced. Stanley Hall, long time provincial member, will be present and will also speak. Mr. Hall has represented this county continually since 1943.

The meeting will be conducted by Milton's lawyer, George Elliott, Q.C., president of the association. Refreshments will be served. The meeting takes place at 8.30 p.m., Friday evening, November 1st, in the Town Hall, Milton.

those attending were Mr. and Mrs. Bill Carr, club president, Mr. and Mrs. Dick Shearley, Mr. and Mrs. Jim Ritchie, Mr. and Mrs. Bud James, Mr. and Mrs. Bob McCoigan, Mr. and Mrs. Ralph Urrel, Mr. and Mrs. John Gunn, Mr. and Mrs. Leslie Clark, Mr. and Mrs. John Ord.

The above group were all present for the governor's ball and the banquet, preceding it, while Messrs. Ritchie, Carr and Shearley had attended the full two-day session. Also present were other district Rotarians, Jim Ledger, Bill Maddox and Franklin Prouse of Acton, and Mr. and Mrs. Tony Mendell of Streetsville and Mr. and Mrs. Don Brill of Toronto, a former Georgetown, when his father operated a business here, where Colton Brothers is now located.

**Albino Deer Drawing
Interest in District**

A large white buck deer has been spotted by hunters in various parts of Halton and Peel counties recently and was last seen in the Streetsville district about three weeks ago.

The deer in this area are of course protected by the game laws, and this big albino will probably never see the inside of a trophy room from over the fireplace unless of course an open season is declared here within the next few years. Even then the sight of the snow white stag charging out of the bush is liable to make a hunter forget all about sights and triggers long enough for the animal to disappear into the next thicket.

**Initiate Plans For
December Blood Clinic**

For the first time in many years a Blood Donors Clinic will be held in Georgetown on Thursday, December 12th. It was announced that the clinic will be sponsored by the Georgetown Red Cross. A mobile clinic will be here on that date from Hamilton and it is hoped that there will be an excellent response by the general public.

It is a well known fact that at present the hospitals generally are faced with a blood shortage, and action must be taken immediately to supplement existing supplies.

Not so generally known is the fact that no longer must a patient either pay for the blood being used in a transfusion or find donors to replace it. Under the new arrangement blood is supplied without question to patients in district hospitals to Georgetown patients, and at the first of the year, such will be the case in the Toronto hospitals as well. Such being the case it becomes obvious replacement must be made in a systematic manner.

Knox Presbyterian Hall is where the clinic will be held.

To this end, arrangements will be made and a committee set up at a meeting to be held in the Georgetown Public Library on Monday evening, November 4th at 8.45 p.m. It is hoped there will be a good attendance from local interested people, and from representatives of all Georgetown organizations.

BALLINAFAD

**INSTITUTE GROUP HAS
TOUR OF FORD PLANT**

Mr. and Mrs. Gerald Holmes of London spent the week-end at the home of Mr. and Mrs. Alan Neelon. Mr. and Mrs. Smellie from Fergus visited last week with Mr. and Mrs. John Black and family.

Mr. and Mrs. Lloyd Rennie and family from Orangeville were Sunday visitors with Mr. and Mrs. Floyd Shortill.

Mr. and Mrs. John Black attended the annual sale of Shorthorn cattle at Klaymor farm, Unionville last Tuesday.

The ladies of the Institute, accompanied by their husbands enjoyed a very interesting outing on Wednesday evening. They went to Oakville by special bus and were conducted on a tour through the Ford plant. Following the sight seeing expedition, they enjoyed a social time together at a restaurant.

The flu bug has caught up with many of our folk around the community but we are glad to report that Dr. Clifford Reid is able to be back in his office. Mrs. Robert Crumb has returned home following an operation in a Toronto hospital and Mrs. May Swindlehurst is also around among us again after spending some time with her daughter in Dunnville.

Mr. Bert Rogers is feeling much better after his illness and is at the home of Mrs. Smith in Acton.

We are sorry to report that Mr. Thomas Mack has also been confined to his home, but hope that he will be around again real soon. The fall thankoffering of the Missionary groups of Ballinafad Church was held on Sunday evening. The highlight of this service was the speaker, padre W. A. Young from the OAC. Quite a large number of people who had heard

him speak on other occasions were out again and he gave a wonderful message on "building our house upon a rock" and his text was taken from the sermon on the Mount. Members of the Mission Band, CGIT and afternoon auxiliaries each had a part in the program with Mrs. E. McEnery, president of the Evening Auxiliary conducting the service and Mrs. M. McLaughlin was the pianist.

The best known safety device is about nine inches above your shoulders.—DRIVE SAFELY.
