## Mrs. William Ostrander 91st Birthday Tuesday

A lovely lady was ninety-one years old yesterday, Mrs. William Ostrander of 7 Emery Street. When we use the word "old" we are certainly using it incorrectly because Mrs. Ostrander is very young at heart and in spirit. She still keeps her own home and enjoys life in every way.

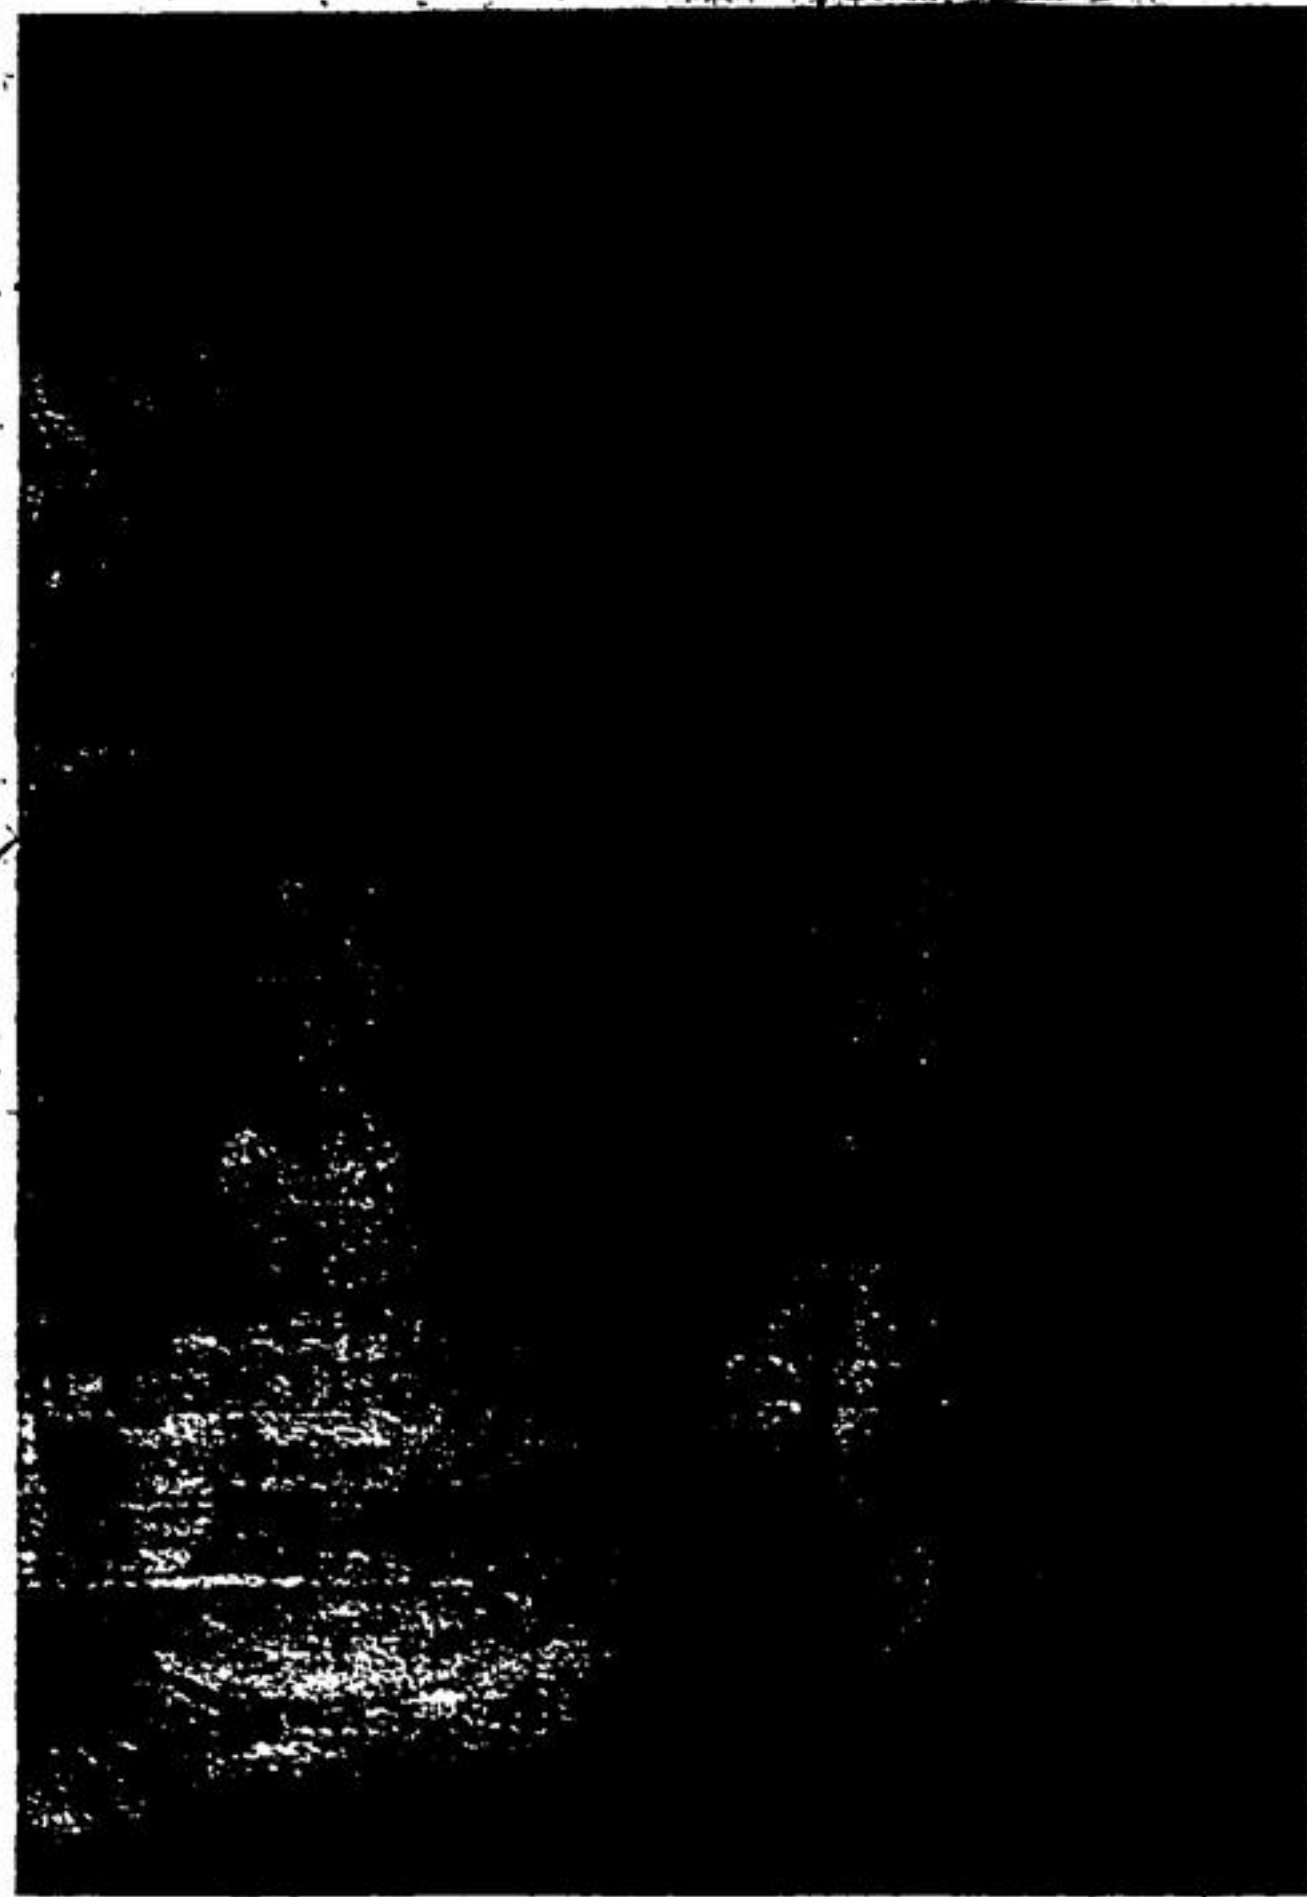

She was born at Springbrook and attended schools in the district. Her maiden name was Olive Jape Claridge and she was the daughter of Mr. and Mrs. George Claridge. She married William Ostrander over sixty years ago and they had five children, three boys and two girls, two of whom are living, Agar who lives on R. R. 4, Georgetown and Hilliard on Guelph Street.

All who know Mrs. Ostrander wish her many more years of health and happiness.

### THE WEATHER

Mr. Editor: To review the month of October, the averages were above and below normal. The maximum for the month was 60 degrees and is 3 degrees above normal, and the minimum of 34 was 4 degrees below normal. The highest registered any day was 77 and the lowest night was 18 degrees. We had rain on only 7 days in the month for a total of two inches and that amount is 3/4 inch short of the October normal average. Now here we are with half a week of November gone already, so winter may be just around the corner.

### FIREMEN, SILVER'S AT TOP OF BOWLING LADDER

Skill in ladder climbing was exemplified last week by the Firemen's bowling team when they won 7 points from Provincials to advance to a deadlock with Silver's for league leadership. The latter copped only five points from Legion's No. 2.

Davidson, winning three from Kay's hung on to third place with Kay's and Anderson's tied for fourth spot. Legion No. 1 with a clean sweep from Dutchmen moved into fifth position. Legion No. 2, Provincial, Kenner's, Barflies, Legion No. 3 and Dutchmen follow in that order.

It was another week of 300 games as Ace Bailey was the leader with a nice 340, followed by Geo. Bradford 333, Terry Bludd 333, Bob Esard 327, Frank Buchanan, 325, John Long, 315, Shel Lawr, 314 and Vic Gunn 311.

In triples, John Long led with 826, Bob Esard 804 and Andy Ritchie 808 were other good scores. High averages are very close. Terry Bludd 235, Nip Shipway 231, Harv Chappel 230, Ace Bailey 229, Bill Anderson 228, George Webster, 26, Gob Collier 222, Ken DeRose 221, Frank Anderson 219.

### Oldest InSTITUTE Member Unveils Park Gate Plaque

Tribute to the public service work of Georgetown Women's Institute and the Chamber of Commerce was expressed by Mayor Jack Armstrong Sunday afternoon when he spoke at a dedication service for the park gates. The handsome stone gates and ornamental ironwork were presented to the town at the ceremony by the two organizations.

The mayor spoke of a previous ceremony he had attended many years ago, when gates at the cemetery were presented by the Institute.

Harold Baird, president of the Chamber was chairman and Rev. Morgan McFarlane of St. John's United Church conducted the religious part of the ceremony. A combined group of senior and junior band members, directed by Alf Perrott, played for the singing of two hymns and the National Anthem.

Mrs. Verral Rawson, W.I. president presented the gates to the town. Mrs. Dan Livingstone, oldest member of the W.I. in years of service, unveiled a brass plaque which will perpetuate the memory of the gift.

### ENGAGEMENTS

The engagement is announced of Laura-Louise Treble, Silvercreek, daughter of the late Dr. and Mrs. Charles Edward Treble, Toronto to John Donald Tomlinson, Rockwood, son of Mr. and Mrs. Harry Tomlinson, Galt. The marriage will take place in St. George's Anglican Church, Georgetown on Friday evening, December the sixth at six-thirty o'clock.

Mr. and Mrs. J. T. Cascadden, Norval, announce the engagement of their youngest daughter, Kathleen Jean to Edward Keith King, son of Mr. and Mrs. Clarence King, 25 Byron Street. The marriage will take place on Saturday, November 30th in Knox Presbyterian Church at three o'clock.

Two local people have reported seeing Sputnik 11 last night.

Russia's latest scientific wonder, a satellite containing a space-travelling dog, passed over this part of Ontario shortly after 7 p.m. Alerted when listening to a news broadcast, two ladies saw it, Miss Dorothy Stone, R. R. 3, and Mrs. Harold Page, 8 Hewson Crescent.

Miss Stone says the satellite was clearly visible with binoculars for some 15 minutes as it traced an orb near the horizon from north to east. The size of a star, she said it was a reddish colour like stars. A contrast was provided when a plane from Malton passed in the sky, 3 minutes to disappear in the horizon.

She reported the facts to the David Dunlap Observatory and it appears to check with others received.

## Name Ed Hall New Chief for Ambulance Corps

Ed Hall, 16 Margaret Street was named acting chief of Georgetown Volunteer Ambulance Service at a meeting of officers on Sunday.

The meeting accepted the resignation of Ralph E. Hawes, the first chief of the service when it was formed in March, with expressions of regret that a new business position will make it impossible for him to carry on. Mr. Hawes, at present in Montreal, taking a sales training course, had submitted a letter of resignation in which he said that he would continue to serve as actively as possible as a member and would be available or call duty whenever he is home on a week-end.

Harold Gilmer was elevated to a captaincy at the meeting and will be co-captain with Jim Emerson. John Elliott was named as a new lieutenant, joining Jim Costigan, Gene Green, Gordon Graham, Keith Macdonald, and Ollie Barefoot in this rank. John Henley is secretary and publicity chief for the ambulance service and Don Wingrove is treasurer.

The regular monthly meeting of the ambulance service is slated for this Thursday evening in Wigglesworth auditorium.

## NICK FERRI NIGHT WHEN BRAMPTON REGENTS VISIT

A disappointing crowd of about 300 turned out to see the Raiders pay tribute to long time local favourite Nick Ferri at the arena last night when the Intermediate "A" Ontario champions played host to Nick's Brampton Regents. Jack Armstrong spoke for the fans in wishing Nick all the success in his coaching role with the Regents and a team-mate of Nick's for many years, Junior Beaumont, presented him with a Gladstone club bag and spoke on behalf of the club.

Georgetown rolled over the Regents 12-2 in the game but failed to impress many of the onlookers who expected to see the same finesse and sharp accurate passing displayed by the Raiders on April 29th, six months ago when they ousted Bertwick Tilsonburg 5-2 to skate off with the provincial honours. Last night was the Raiders first game of any kind this season and did promise another fine showing by its senior club. They did not use Files, White or Lawrence.

Irons led the scoring with a hat trick. Beaumont, Vary and Dixon picked up two apiece and Stevenson, Grady, and Dugan each tallied one. The loyalty of the fans

was ripped down the middle since our of last year's local junior 'C' entry were wearing Brampton weathers. Doug Richardson, Fred Harrison, Butch Hyde, and Norm Jochhurst didn't look at all out of place with the Junior B club.

The Raiders open the schedule in Brampton next Wednesday and are back here on November 15th to open against Meaford.

## School Naming Recognizes Family Service to Education

### MERRY PAYS \$4,000 FOR PETERBOROUGH SHORTHORN

Featuring the Louada Annual Shorthorn sale held at the farm of owner L. Cadesty, Peterborough, for the price of \$13,000, received for the ten-month bull calf, Burton Gordon. The purchaser was Mrs. T. C. Stuart, Arundel, Quebec. This constitutes a two-way record, in that this was the highest priced Shorthorn bull ever to sell at auction in Ontario; also, the highest priced Shorthorn bull ever to go into Quebec.

Second high price, \$6,000 was reached twice in this sale and in each case, on very young animals. W. H. Merry, Milton, paid this figure for the nine-month bull calf, Louada Battleship and Leonard Buck, Thomasville, Georgia, paid a similar price for the six-month bull calf, Louada Balmoral.

"Gordon" and "Balmoral" were sired by the \$45,000 Bapton Constructor, and "Battleship" by the \$27,000 Calrossie Armada. Purchases were made by breeders from three provinces; Quebec, Ontario and Alberta and from fourteen states; Georgia, Florida, Illinois, Nebraska, Indiana, Iowa, Ohio, Tennessee, Maryland, Wisconsin, Virginia, Missouri, Montana and Michigan.

Forty head, sold for \$79,476, an average of \$1,987. Twelve bulls made \$37,100, an average of \$3,091, and twenty eight females sold for \$42,376, averaging \$1,513. All of these averages constitute the highest on the North American continent.

Appropriate ceremonies marked the official opening of Harrison Public School Monday when a dedication ceremony was combined with an inspection tour of the building. The Home & School association served refreshments to conclude the evening.

Guests of honour at the affair were Mr. P. B. Harrison, Miss Hazel Harrison and Mrs. J. M. McKinlay, Toronto, children of the late R. E. Harrison who was public school principal here from 1882 to 1894. The family has a long association with Georgetown education. P. B. Harrison is present treasurer of the public school board, and a past secretary of it as well as of the high school board. Miss Harrison taught at Weston and Mount Dennis before joining the school staff here, where retirement ended a lengthy record of service a few years ago. Mrs. McKinlay was also a teacher, who taught at Zimmerman, where her father started his career, later at the Stone School and in Midland and Ft. William before her marriage. Her children Donald Harrison McKinlay and Mrs. John Whillans were also at the ceremony Monday.

Dedication of the building was performed by Rev. Alex Caldes representing the local ministerial association. Mr. Harrison spoke of the humble pride, felt by the family in having such an honour conferred on them and the school was officially opened when Miss Hazel Harrison cut a ribbon.

School principal Harold Henry introduced Edwin Wilson, a school board member who acted as chairman, explaining that board chairman Ray Salter was absent on a business trip and sent his regrets.

Several guests were introduced and spoke briefly including Mayor Jack Armstrong; Edmund Parkin of the firm of architects, J. B. Parkin Associates which designed the school; Inspector L. L. Skuce; and contractor Sam Mackenzie.

A competition had been held among senior students for the best story about the Harrison family, and Paul Kitchener was chosen to deliver his speech. Mr. Parkin, in his remarks, explained distinctive features of the building, pointing out the economy of a new type of beam construction and painted metal ceilings without destroying any beauty features of the building. Heat resistant windows and the boiler room on the roof are unique in school design, he said.

A large picture of R. E. Harrison occupies a place of honour in the main corridor of the school.

Four retired members of the school staff who had been associates of Miss Harrison attended — Misses Georgina Young and Laura Scott of Milton, and Misses May Langan and Beatrice Hume of town.

Mr. and Mrs. Dick Welton, 34 Queen Street, have as their guests this week her mother, Mrs. E. J. McAdam, 100 Main Street.

## LIONS JAMBOREE, 555 CAR DRAW RAISES \$3000 FOR SWIM POOL

Three thousand dollars will be turned over to the Community Swimming Pool by the Lions Club of Georgetown after a successful car draw and jamboree last week. The donation brings the pool debt within \$4700 of being completely liquidated.

The Jamboree was presented in the armory at the park for two nights, Thursday and Friday, and while attendance was not as heavy in numbers as was anticipated, those attending were generous in their patronage of the various gam-

es of chance. The usual numeral wheels, with prizes of fowl, hams and blankets were there. A monster bingo took the interest of a large number of attendees. And here were such novelties as a balloon bursting booth and a "toss a penny into a floating cup."

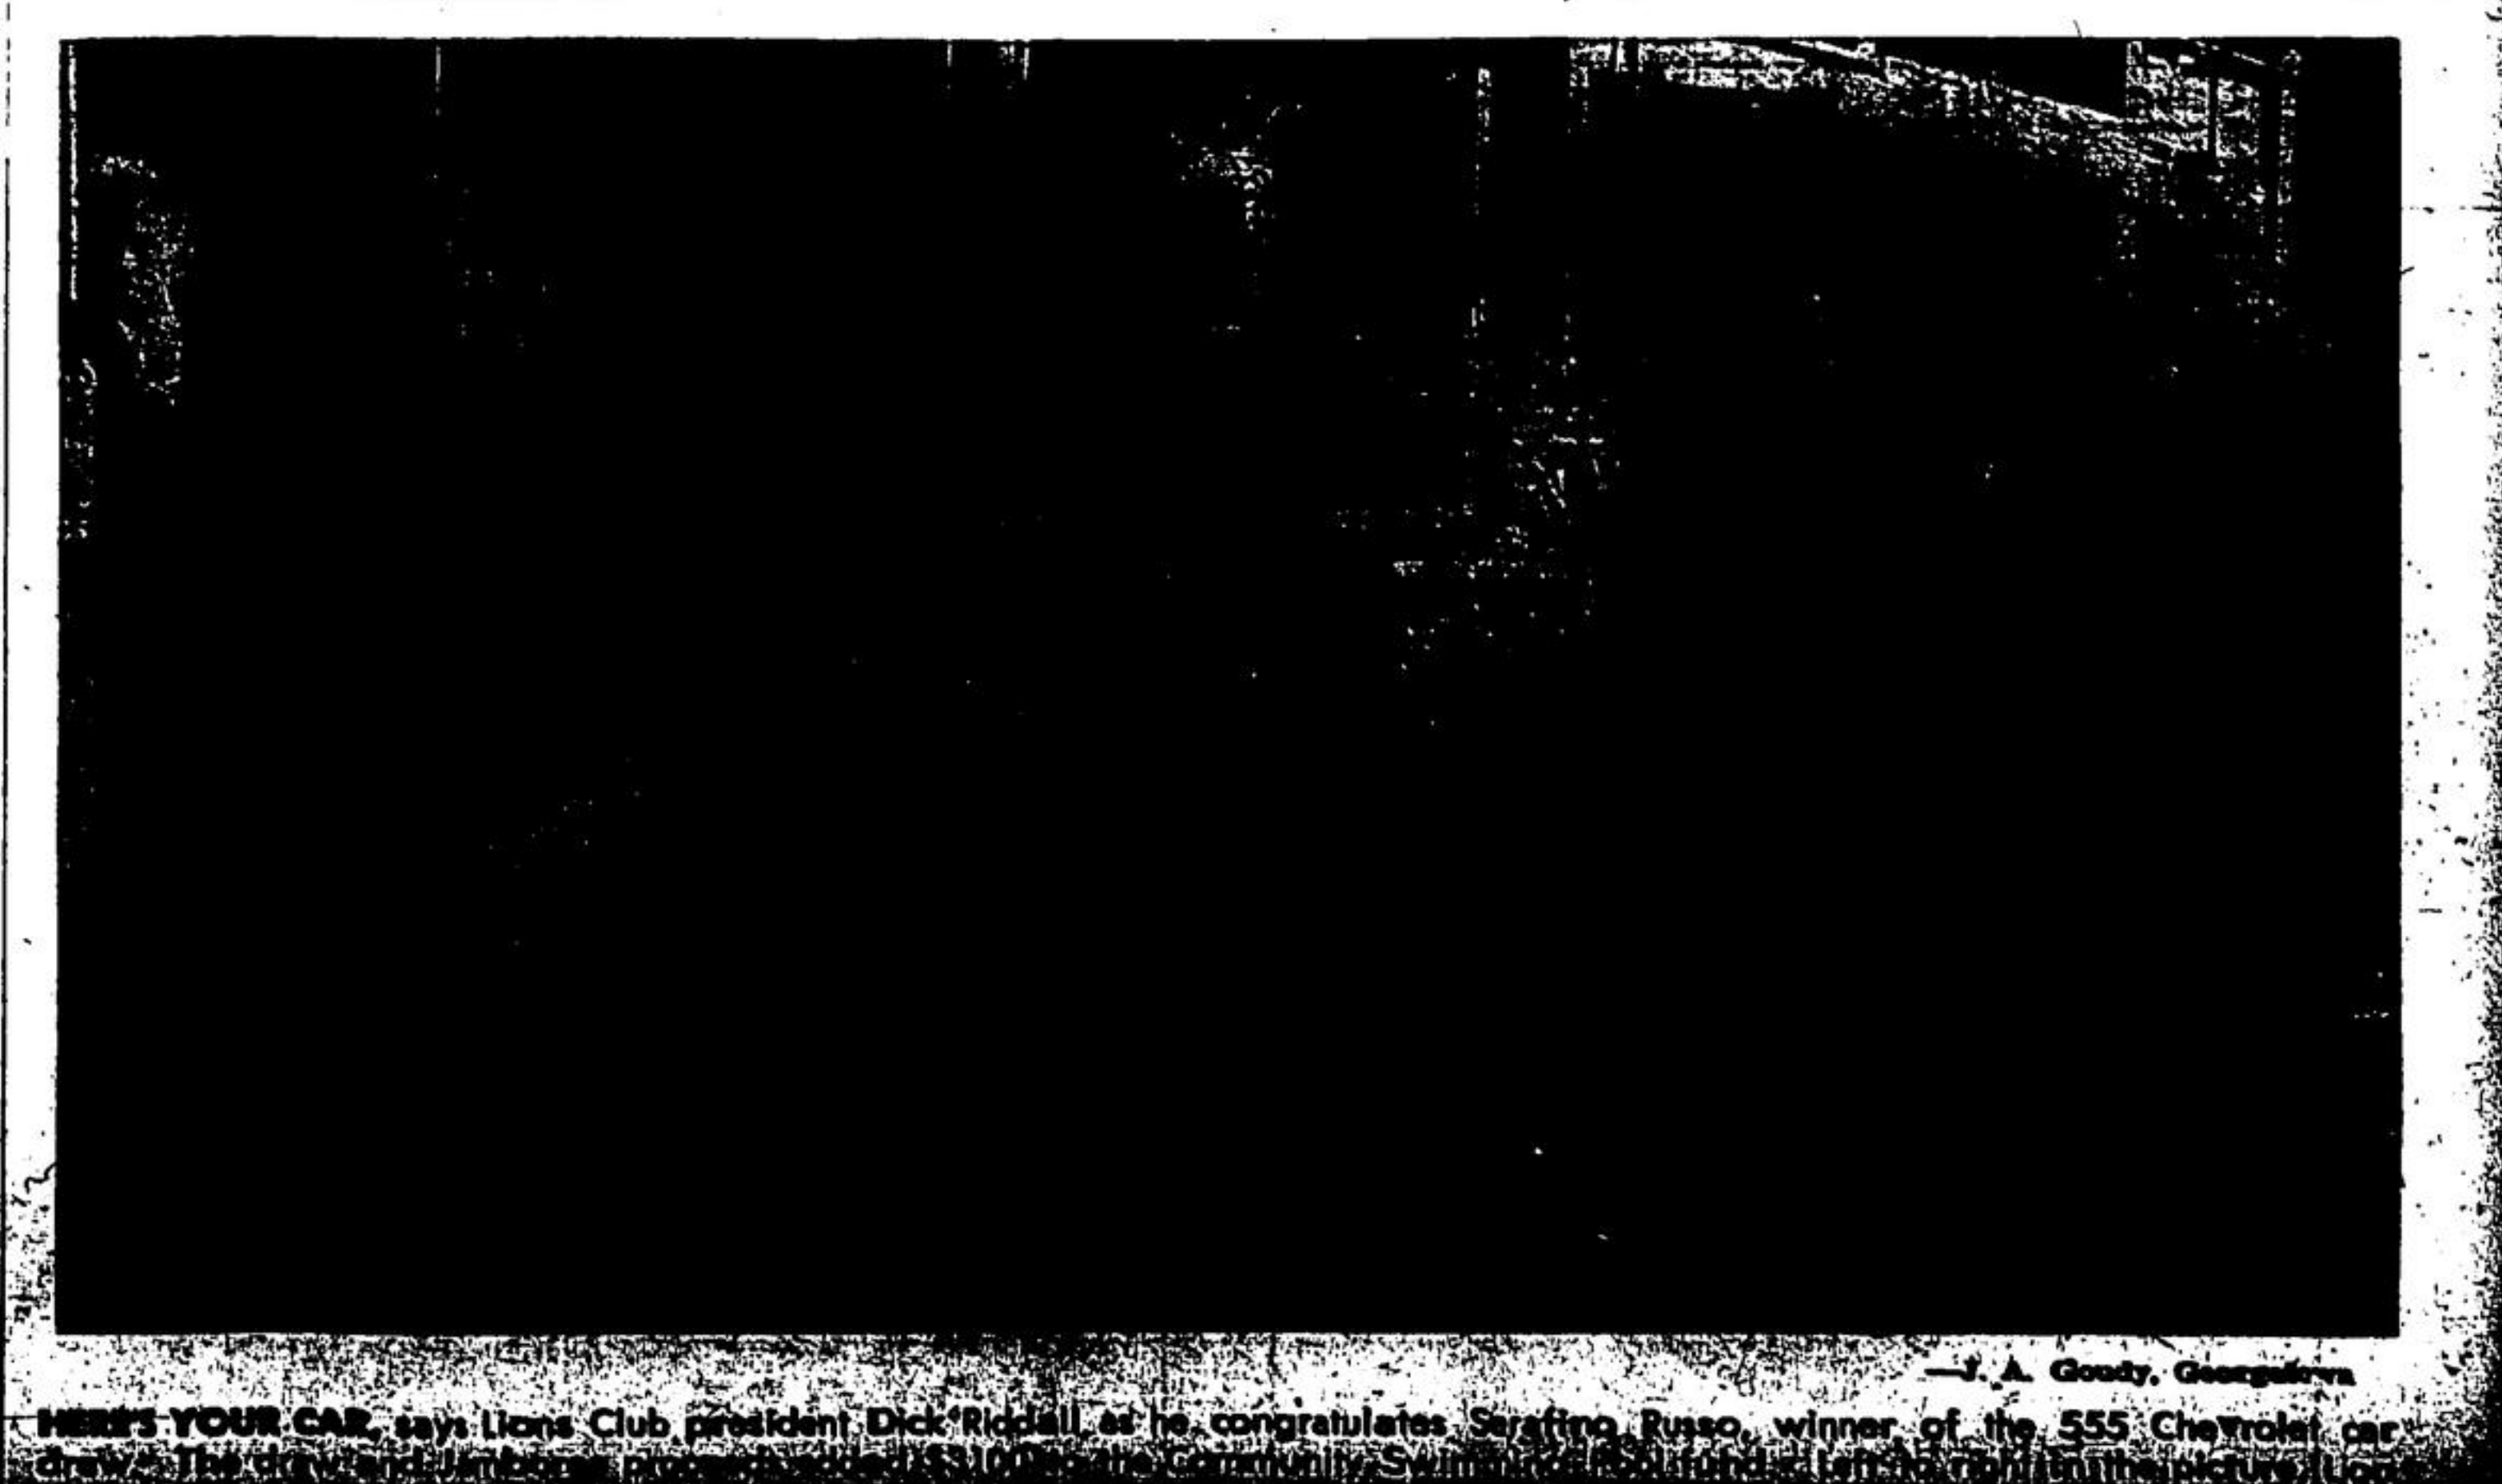

Feature of the evening, of course was the 555 draw. With tickets limited to that number, and prizes of a new 1958 Chevrolet, a refrigerator and a range, interest was keen when Dick Miller, Jr., whose

ather convened the draw, was asked to draw the winning ticket. Although the winner, Serafino Russo lives at 12 Madawaska Ave., Wilowdale, he has a local connection as a sub-contractor, working with Harold Fobert Construction. Mr. Fobert, a Lions Club member sold him his winning ticket, No. 382. It is the first car the happy winner has ever owned.

The other prizes went to local people, the refrigerator to Dick Trace, 50 Queen Street, ticket 164;

and the range to Ed Killingback, 0 Guelph Street, ticket 555. Don Barrager was general convenor of the jamboree, with Murt Allison and Jim Robertson as assistants.

With some booth prizes left over after the Friday evening big draw, some further swimming pool money was collected when Jack Armstrong and Harold McClure acted as auctioneers and enticed the Lions workers into buying most of the merchandise.
