ENROLMENT OF 310 IS NEW RECORD FOR HIGH SCHOOL

A present enrolment of 310 students at Georgetown High School will be the first of a series of records if Georgetown grows as anticipated in the next few years.

This year the school sees four Grade Nines with a total of 117 pupils getting their first year of higher education. The present three Grade Tens will undoubtedly see a fourth added in September and, depending on the rapidity of growth, there will be more first formers than ever before next year. There are 51 students in Grade 11; 27 in Grade 12 and an even dozen in Grade 13. Fifteen in the Commercial Special complete this year's enrolment.

An eight room addition is being completed at present and is partially in use. It will take care of overcrowding this year as well as being available for the expansion which is anticipated next term.
