Walter Bianchi, Sylvia Patterson Bridal in Grace United, Brampton

Sylvia Barbara Jacqueline, daughter of Mr. and Mrs. C. F. Patterson, R.R. 2 Norval, became the bride of Walter Joseph Bianchi, son of Mrs. J. Bianchi and the late Mr. Bianchi of R.R. 2 Norval, on Saturday, November 9th at three o'clock in Grace United Church, Brampton. Rev. B. F. Ennals officiated at the double ring ceremony. Mr. Hewitt at the organ accompanied the soloist Mr. O'Hearn when he sang the Lord's Prayer before the ceremony and O Perfect Love during the signing of the register.

The bride, who was given in marriage by her father, chose a full length gown of lace over satin, styled with a sweetheart neckline encrusted with mother-of-pearl sequins, long sleeves and the skirt fell into a short cathedral train. The finger tip veil fell from a crown of mother-of-pearl sequins. She wore the gift of the groom a necklace of crystal Aurora Borealis. The wedding bouquet was a cascade of red roses and stephanotis.

Miss Grace Bianchi, sister of the groom was maid of honour in a waltz length blue crystal gown fashioned on princess lines with a bouffant skirt, her shoes and feather headdress were of matching blue and she carried yellow roses and white mums. Miss Marlene Smith the bridesmaid was gowned exactly the same as the maid of honour. Both the attendants live in Norval.

William (Mitch) Hunter, Norval, was the groomsman, Charles Adams, Brampton and Elwood Carney, Norval, were the ushers.

The wedding reception was held at the Yellow Briar Inn, Brampton, the bride's mother receiving for her in a sheath dress of beige lace over satin with beige and black accessories. Her corsage was of dusty pink roses. Mrs. Patterson was assisted by the groom's mother in a gown of royal blue lace over satin with white and black accessories, and her corsage

was of pink roses.

The bride and groom flew to New York City for their honeymoon, the bride travelling in a grey dress suit with white and black accessories, an orchid corsage and a brown squirrel jacket. They will make their home in Norval on their return. Mr. Bianchi operates a fruit farm, and his bride was employed in the Alliance Paper Mills office in town.

CHESS, CHECKER CLUB HAS OPENING MEETING

The Georgetown Chess & Checker Club held their opening meeting on Thursday. Members present included Al Zeravlev, Gord Tee, Les Norris, Al Teeter, Dave Bowman Jr. and Oliver Brownridge.

Next meeting is planned for this Thursday at 8.00 p.m. at Lincoln Motors. The club hopes to see more of last year's members at this meeting and also extends a welcome to any new chess and checker players or anyone who would like to learn the game.

Little N.H.L.

The regular schedule of the Little NHL got off to a good start on Saturday with the usual fun, noise and confusion. The turnout of adults to help this year is wonderful. There also was quite a heavy registration of new boys Saturday, and any boy who has not yet signed a form had better make up his mind by next Saturday, as November 30th is registration deadline.

This deadline is necessary, as the league executive must know the number of players they are going to have to assign to each team and (cause so they can allot time, and draw up a full schedule for the season. Any boy desiring to play and not signed up on Saturday will be put on a waiting list if room for him is not available on a team at that time.

The refereeing this season looks terrific. Saturday the refs took time to show the young lads where they should be and if they made a mistake, it was pointed out. Boys should remember that the refs are on the ice to give the game discipline, but also to help them learn the game.

Next week coaches and managers will be looking for boys for the three all star teams, one from each league. Play heads up hockey, and you may be chosen. The All-Stars will play exhibition games with teams from out-of-town and will also play for Georgetown in the Four Town tournament in the new year.

Let's see another good turnout of parents this Saturday. Boys 14 to 16 years, look for hockey notice elsewhere in this paper.
