**Expect 1400 Children This
Year for Record Santa Parade**

More than 1400 bags of candy will be needed for the Lion-sponsored Santa Claus parade this year to take care of what is expected to be the largest crowd of youngsters since the first annual Lions Christmas Tree 28 years ago. The chairman for the parade arrangements, Tom Reed, told the club at their dinner meeting in the Legion Hall Tuesday, Nov. 19th that the float entries this year has surpassed last year's number.

The parade this year is being coupled with a poultry draw and tickets are now on sale and may be purchased from any club member or many of the local merchants. The parade will be broadcast again this year and will possibly receive television coverage. A party for children of the club members will be held on Sunday, Dec. 22nd in charge of Lions Stan Wade and Bob Hamilton.

Region 6 of which Georgetown is a part is regarded as the best in District A2 according to the Deputy District Governor Russell Vickers of Burlington. Mr. Vickers was the guest speaker at the meeting and spoke to the members chiefly on the growth of Lionism in its first forty years. This month is the 40th anniversary of Lions International.

He said the leaders of the organization are looking to the present members to carry on the work and spread Lionism even further throughout the world. During the first forty years Lionism has spread from a small dinner meeting in June of 1917 to more than 82 countries with a membership of more than half a million.

Mr. Vickers reviewed the club's activities of the past year, in supporting the Girls Pipe Band, the work in raising money for the community swimming pool fund, and the high average attendance, which forced them to move to a larger meeting place.

The Deputy District Governor assisted in an induction ceremony performed by the club officers. Inducted into the club were Jim Carney, Russ Woods, George Mitchell, John (Scotty) Herkes and Frank Bishop. After the ceremony president Dick Riddall welcomed the five new members into the club and Mr. Vickers welcomed them into the Region and Lions International.

A number of members volunteered to assist the local branch of the Red Cross with their Blood Donor Canvass which is presently going on.

Club members are journeying by bus to visit the Hamilton East Club at their regular dinner meeting on Tuesday night. This is the first of a series of inter-club visits planned for the coming season.

**Jamaica Life, Customs
Told to Terra Cotta W.I.**

Mrs. E. M. S. Douglas of Brampton was the guest speaker at the November meeting of the Terra Cotta W.I. held Nov. 14th at the home of Mrs. Owens MacDonald. A resident of Jamaica for three years, Mrs. Douglas told the ladies of the life and customs there and displayed handiworks made by the Jamaican people.

Keeping on the Jamaican theme the members answered the roll call with the name of a product of Jamaica. Miss Eleanor MacDonald read the motto which was "O native land through weal and woe, Thou has my heart where'er I go."

A report of the area convention in Toronto was given by Mrs. Art McKane, who also gave a report on the district directors' meeting. Mrs. McKane was delegate at the three day convention. Iowen MacDonald played a piano solo after which Mrs. Harvey Puckering had charge of a Home Talents period and various pieces of handywork made in her spare time. A donation of \$5 was voted towards the purchase of a movie projector for W.I. work in the community.

The assistant hostesses were Mrs. Harvey Puckering and Mrs. Art McKane and Mrs. Lloyd Crichton thanked the guest speaker and the hostess for the use of her home. The next meeting is at the home of Mrs. Clarence Anderson.

INDECISION

... caused this fatal accident.

LOCATION:
Rural intersection,
nr. Orillia

TIME:
4:15 p.m.

ROAD SURFACE:
Gravel, Dry

RESULT:
One killed, One
slightly injured

The car on the right approached the intersection and slowed down, apparently to wait until the other car had passed. But, suddenly, the driver changed her mind and began to accelerate... no doubt thinking she had time to cross the intersection. The other driver braked immediately, but couldn't stop in time. His car slammed into the other broadside. The indecisive driver died in hospital. Indecision has been the cause of many serious and fatal accidents. Remember this every time you drive.
