Scripture Leader Speaks At Scout Church Parade

The 1st Georgetown Boy Scout troop under the leadership of Don Smith attended the service of Worship in St. John's Church on Sunday morning at 11 a.m.

The guest minister at the service was the Rev. Anthony Capon, secretary of the Scripture Union. Mr. Capon had earlier addressed the Sunday School where the children are encouraged to use Scripture Union daily Bible study materials. In his sermon in the morning, Mr. Capon spoke of Joshua and God's instruction to him, as a wise man who had lived in the time of the writing of most of the scriptures of his day and yet he was instructed to read, to meditate upon its meaning for his life, and to live the instruction found therein. Joshua was a pattern in this regard for us.

At the evening service, Mr. Capon spoke to the congregation on the subject "Be ye filled with the Spirit" stressing not only the importance of conversion and receiving the Spirit of God into one's life but letting the Spirit of God fill every area of our life.

Mr. Capon took a period of Bible Study with the Young People at their meeting in the evening at the home of Dr. and Mrs. O. M. Brewster. He asked them to consider Paul's life as a Christian and before. A discussion period followed.

Keen interest was shown by the congregation in the daily Bible study material available for all ages through the Scripture Union.

SMITH & STONE CLIMBS TO SECOND PLACE IN HOCKEY

There was another shakeup in the Industrial Hockey standings last Sunday afternoon as the Combines who only two short weeks ago were on top of the heap dropped their second straight game and slipped to third behind Smith and Stone. They were on the low end of a 6-3 total against S&S.

Provincial stayed ahead of the pack the hard way, by playing to a 3-all tie with the cellar dwelling Toronto. It was only the second point for the trailers who are still winless after five starts.

Here's how it stands:

	W	L	T	Pts
Provincial	3	1	1	7
Smith & Stone	2	1	2	6
Combines	2	2	1	5
Toronto	0	3	2	2

First place is at stake next Sunday when Smith & Stone clashes with Provincial and Toronto aims at their first win against the slumping Combines.

FIFTH LINE REOPENS AFTER ROAD IMPROVEMENTS

The fifth line from the village to No. 7 Highway was opened to traffic again last week after town-ship employees cut down the hill-top somewhat and raised the road in the valley farther north.

Mrs. Robt. Patterson, who has been with the A. C. Pattersons is visiting this week with Mr. and Mrs. Elliott Patterson.

Mrs. Mabel Carlisle of Guelph visited the Pattersons on Friday.

The W.I. met at the home of Mrs. A. W. Benton on Thursday evening with Miss A. Lash Miller speaking on the work of the Credit River Conservation Authority and Miss Donna McMillan, accompanied at the piano by Miss Marjorie Gibson, sang two seasonal solos.

The Pattersons visited with the Chas. Sinclairs at Welland on Sunday and with Mr. Gilbert Sinclair at Milton.

Mr. and Mrs. W. T. Mills left by motor on Thursday, December 3rd for Florida, where they will spend the winter at Daytona Beach.

BALLINAFAD

CHURCH LADIES BUSY CATER FOR TWO DINNERS

The ladies of the Ballinafad Church were certainly kept busy last week. On Tuesday evening they served a dinner to the Halton Presbytery at their annual meeting. The group included all the ministers and a representative from each congregation. On Thursday another dinner was sponsored by the W.A. and Schneider's of Kitchener and was enjoyed by a large gathering of both grown ups and children. Two films were shown, one a travelogue on the Holy Land which was very suitable for the Christmas season and the other one was a demonstration of the Schneider's modern recipes and curing meats, as compared with methods used a few years back.

On Sunday morning all the children from the Sunday School attended the church service and took part in the annual white gift service. A large box of canned goods was packed and Mr. Neelon is taking it to Toronto this week to one of the needy missions there which is sponsored by the United Church of Canada.

Mr. R. Smellie of Fergus is visiting this week with the Black family.

Mr. and Mrs. M. Warnick from Gadshill visited on Sunday with Mr. and Mrs. Grant Wright.

Mr. and Mrs. Bill Smith and family from Fergus visited with the Smith family in the store on Sunday. They were also pleased to have Mr. and Mrs. Robinson drop in on their way to Toronto. Mrs. Robinson's many former friends in this district will be sorry to learn that she is not enjoying very good health at the present time.

Congratulations to two ladies in our community who were presented with trophies by the Esquing Agricultural Society for their merits at the Georgetown fair this year. Mrs. Percy White won a silver tray donated to the society by the T. Eaton Co. for the most points for all exhibits in the hall and Mrs. Frank Smith, a silver case for a jewel in Guelph for highest points in the domestic science exhibits.

THEATRE PARTY PROCEEDS WILL HELP GUIDE CAMP

Girl Guides and Brownies are selling tickets for a special theatre night at the Roxy which they are holding next Thursday, December 19.

The girls hope to raise a good amount of money as a start to a \$300 project which they plan to complete by spring. It is their task to raise this as part of a larger project for Guides in this part of Ontario to purchase a \$25,000 campsite on Lake Erie near Dunnville and to erect a \$15,000 building for campers.

Camp Kiawa, located on an 85-acre tract of land, presently has accommodation for 400 girls. It is planned to enlarge it to take care of more summer campers.

The theatre night, which features a delightful English movie, "The Spanish Gardener," starring Dirk Bogarde, will also have some of its profits earmarked to augment the Guides own summer camp fund.
